Cel AI PLC

Bitcoin Treasury Holdings Enhanced

Cel AI Plc (“Cel” or the “Company”) (LSE: CLAI) announces the expansion of its Bitcoin treasury reserves with the acquisition of an additional 2.52 Bitcoins for approximately USD\$274,000 (approximately USD\$109,000 per Bitcoin). This transaction continues the implementation of Cel's treasury diversification strategy focused on digital asset reserves. Following this acquisition, Cel's holding in Bitcoin is 8.70 BTC.
