## FOOD & BEVERAGE

For over 45 years, Severin Sea Lodge has been known for its hospitality to regular customers who appreciate the excellent cuisine and the friendly and attentive service. It is very important to us to always offer our guests fresh and high-quality food. All restaurants and bars are "open air," i.e., without air conditioning. We recommend casual tropical clothing, but in the evening we ask for "Smart Casual."

The **Kisima Buffet Restaurant** offers indoor and out door tables and sea view is open for breakfast and dinner. Our dinners vary from live cooking and theme buffet evenings.

The **Safari Restaurant** which serves buffet and à la carte at the Safari Pool is open for lunch, dinner, and a late breakfast à la carte.

The **IMANI Dhow Restaurant** is an old, stranded dhow with à la carte seafood and steak dishes.

The **Safari Bar** has a 360° round bar: a lively meeting place from morning to night.

The **Swing Bar** directly at the beach offers sunrise tea and coffee, cocktails, fresh fruit juices, and regular bar drinks.

The **Kisima Pool Bar** offers the best of both worlds. Here you can enjoy your drinks either in the water (swim up) or at an elegant bar inside. Every evening, the bar entertains, featuring live music shows to live sports screenings on the big screen. Guests can also enjoy a game of table tennis, pool, or soccer.

**Johari Roof Terrace** is open for sundowners and special events.

**Pool and garden service:** Enjoy all drinks and snacks also at the beach, at the pool and in the garden.

**Room Service:** Eat and drink in your room or on your balcony (24 hours).

## BARAZA CONFERENCE CENTRE

Hold your meeting or conference at Severin Sea Lodge and benefit from first-class service and the latest technology, perfectly adapted to your individual needs and requirements. The Baraza Conference Centre offers 6 rooms for up to 500 people. Please inform yourself about our attractive conference packages. We are happy to advise you.

## KENBALI SPA AND GYM

The KENBALI wellness and fitness area consists of a reception, two massage rooms (single and pair treatments) and a changing suite. In addition, a treadmill, a cross trainer, a training wheel, steppers and a weight bench with weights are available.

## SPORTS, ENTERTAINMENT AND ANIMATION

Our animation team organizes various activities such as chess tournaments, archery, volleyball, tennis, table tennis, water aerobics and jogging. We can also reserve tee offs for you on the 18-hole Nyalı golf course nearby.

Through our external partner, trained PADI diving experts will show you the wonders of diving. Beginner courses take place in the pool and advanced courses in the sea. Daily diving trips by private boat to Kenya's National Marine Park are offered. Ambitious water sports enthusiasts can enjoy windsurfing and catamaran sailing, while the passionate deep-sea fisher can go fishing in the deep blue sea.

## EXCURSIONS AND SAFARIS

To get to know Kenya with its magnificent landscape and unique flora and fauna, we offer exciting excursions and safaris through our external partner Rossmann Africa Safaris LTD. with impressive experiences. Through the safaris by Land Cruiser, train, or plane, you get to discover Kenya's most beautiful parts of the country. A must for all nature lovers! No matter from which perspective, our tours expand horizons.

Experience the authentic Kenya on our Out of Africa Tour or get to know the sights and specialties of Mombasa during a city tour.

## SUSTAINABILITY

Severin Sea Lodge was the first hotel at the Kenyan coast to establish a biological wastewater treatment plant in 1991. An important aspect in our aim for environmental protection and sustainability.

## AWARDS

Severin Sea Lodge was selected as Holidaycheck Top Hotel and awarded the TripAdvisor® Certificate of Excellence, a Gold quality mark award by the Tourism Regulatory Authority for quality service, as well as the Travellife and Ecotourism Kenya Gold Awards.

## GIVING BACK (CSR)

Severin Sea Lodge meets the requirements of ecological tourism and has developed an award-winning environmental protection programme. Severin Sea Lodge was the first hotel in Kenya to install a biological treatment plant and integrated solar technology, photovoltaics and a seawater desalination plant into its infrastructure. We also support the orphanage Mji Wa Salama to improve the future prospects of children in Mombasa.

## GENERAL INFORMATION

**Climate and temperatures:** Mombasa has a tropical coastal climate and is therefore without a doubt a year-round destination. From November to mid-April, rain is the exception and temperatures rise to over 30°C. In April the rainy season sets in, which lasts until June. But even then there is usually no continuous rain, and midday temperatures are well over 25°C. The months from June to October are the most pleasant for Central Europeans.

**Dress code:** Please note that at Severin Sea Lodge smart casual is allowed in our restaurants.

**Malaria:** The risk of malaria is very low. Nevertheless, we recommend that you take the necessary precautions and consult your doctor before travelling.

## SEVERIN CRAFTSMAN TRAINING CENTRE

The Craftsman Training Centre runs five training workshops for craftsmen professions and has always been a hub for innovation including hands-on learning. Courses for electricians, plumbers, masons, carpenters, and metal work are offered. After completion of their courses the students will undertake Ministry of Education certification examinations at a TVET Centre. There being a high demand for well trained skilled staff, the graduates will be very marketable in the Coastal region and Kenya at large or even open their own crafts enterprises.
