A FEW WORDS ABOUT CLOTHES...

Even with the constantly changing trends in fashion, we should dress modestly and appropriately. These principles apply to both sexes:

- 1. Appropriate and modest clothing must be worn for all events such as general sessions, breakouts, free time and all other activities.*
- 2. All clothing is subject to City Students staff approval. If a staff member feels that an article of clothing is inappropriate, he or she will ask the student to change immediately.*

3. *Bathing suits: We encourage full coverage swimwear. All students and leaders will be required to wear a t-shirt or rash guard and shorts with their swimwear. We ask that students wear dark, looser t-shirts.*
