City Students WKND '27 FAQ

What is WKND '27?

WKND is a high energy, non-stop weekend experience that is geared towards discipleship and built around small groups. These weekends are the best of what we do on a typical Wednesday (games, worship, teaching, small group discussion) happening from Friday evening through late Saturday Night.

Why should your daughter/son attend?

We feel it is vital for your daughter/son to participate in an experience that is out of their normal routine and environment. This change from a normal rhythm can create space for God to speak. It is also a great time for small group leaders and other students to grow deeper in their relationships with each other. These types of bonds and relationships that are created have the potential to fuel our small groups during the normal school year.

Do middle school and high school students attend the same WKND?

Yes, middle school and high school students will attend the same WKND. All students will meet together at the COTC Franklin building (828 Murfreesboro Road Franklin, TN 37064).

City Students WKND '27 FAQ

Do I have to pay in full or can I make payments towards the registration cost?

You can actually do either! When registering your student, a \$50 deposit is needed to hold your student's spot. From there, you can choose to make the full payment or do split payments that will run until our WKND date. The balance must be paid in full before the day of the event.

What if my student cannot attend the whole weekend?

We know that students will have the best experience when they are here for the whole time. If a student has a prior commitment we are asking that they either arrive late or leave early, but do not leave & return in the middle of the event. Discounts will not be given if your student(s) cannot attend the whole event.

What forms need to be turned in?

For WKND '27 there are only two forms that need to be submitted.

- Registration
- Medical Check-in Sheet
