1.3 Unit Modification.

The unit as recognized by the District may be modified by mutual agreement of the parties or in accordance with a decision rendered by the Public Employment Relations Board on a contested position.

ARTICLE 2: ACADEMIC FREEDOM

2.1 Professional Protections

The Union and the District agree to promote student learning throughout our diverse communities by increasing knowledge, improving skills, and enhancing the lives of those who participate in our programs and enroll in our courses. UPM and the District recognize that protecting academic freedom is essential to achieve this mission. UPM and the District further recognize that academic freedom is necessary to the pursuit of truth. Academic freedom is an essential element of the faculty teaching experience and the student learning experience. Academic freedom exists in all service areas, including but not limited to teaching, librarianship, counseling, and all faculty-student interactions. Academic freedom extends to all faculty regardless of their status as full-time, part-time, or probationary.

Academic freedom protects a teacher's right to teach and a student's right to learn and is at the foundation of all intellectual inquiry and discourse. Faculty members may discuss their own subject or area of competence in the classroom as well as other relevant matters, including controversial matters, without censorship or retribution so long as that discussion does not impair the rights of others nor violate professional standards, and the faculty members distinguish between personal opinions and factual information. Faculty shall be free from harassment, interference, or restrictions based on political views in their exercise of academic freedom as described in this section. By the same token, all faculty and students have a responsibility, under the guidelines of academic freedom, to engage in teaching and learning that honors, respects, and supports divergent viewpoints.

Faculty members have the principal right and responsibility to determine the content, pedagogy, scholarship, methods of instruction, fair and equitable methods of assessment, and the selection, planning and presentation of course materials in their assignment in accordance with the approved Course Outline of Record, articulation requirements, mode of instruction, and the educational mission of the District, and in accordance with laws and regulations.

Every faculty member shall maintain the exclusive authority to determine grades based upon professional judgment. Every faculty member has a responsibility to base grades solely on considerations that are intellectually relevant to the subject matter as articulated in the official course outline of record, and to describe the grading scheme in the class syllabus. The determination of the student's grade shall be made by the course instructor and — in the absence of mistake, fraud, bad faith, unlawful discrimination, or incompetence — shall be final, with

exceptions and procedures enumerated in Administrative Procedure 4321.

2.2 Professional Commitments and Obligations

All faculty members should:

- Conduct a classroom environment that is conducive to student learning, growth, and development in which students are free from discrimination, prejudice, and harassment and in which students are free to express relevant ideas and opinions.
- Demonstrate respect for students as individuals and adhere to proper faculty roles as intellectual guides and counselors.
- Clearly differentiate to students the expression of a faculty member's personal opinions or convictions from the objective presentation of theory, fact, or ideas.
- Make clear that they are not acting on behalf of, or speaking for the College, when they participate as citizens in public forums and debates.
- Respect and defend the free inquiry of their colleagues. Acknowledge academic debt and strive to be objective in their professional judgment of colleagues.
- Observe the stated policies and procedures of the District. Faculty maintain their right to: express differences of opinion; engage the District, with the support of UPM as appropriate, in a discussion as to whether policies and procedures contravene academic freedom; and seek revision to policies and procedures through the faculty role in the participatory governance process.

3.2 Definition of Part-Time and Part-Time Salary Formula

For purposes of reporting STRS creditable service, the full-time equivalent (FTE) is defined based on the number of days or hours of creditable service a person employed on a part-time basis would be required to perform in a school year if employed full time in the part-time position. (Education Code section 22138.5.)

Part-time temporary credit unit members shall be paid pro-rata on the credit salary schedule as determined by workload assignment and shall perform duties equivalent to full-time unit members and pro-rated hours.

Unit members with temporary contracts for credit assignments shall be placed on the credit salary schedule and paid at 95% of the designated salary, pro-rated in accordance with their unit assignment.

3.3 Salary Formula: Temporary Unit Members in Non-Credit Semester Program

3.3.1 Noncredit ESL and IEP unit members. All temporary ESL and IEP unit members working in the non-credit semester program within the academic year shall be placed on the credit salary schedule and paid in accordance with the following formula effective January 1, 2019: At 95% of the designated salary for a full-time load, pro-rated in accordance with their unit assignment.

3.3.2 All other noncredit semester-based programs. Temporary unit members with noncredit, semester-based assignments other than noncredit ESL and IEP shall be placed on the credit salary schedule and paid in accordance with the following formulas:

- **Lecture:** First determine credit salary step and column. Then hours per semester divided by 350 rounded to 4 decimal places x 15 units = units. Then Annual Salary x number of units divided by 30 units x 80% = Semester Payment divided by 5 = Monthly Salary.
- **Lab:** First determine credit salary step and column. Then hours per semester divided by 525 rounded to 4 decimal places x 15 units = units. Then Annual Salary x number of units divided by 30 units x 80% = Semester Payment divided by 5 = Monthly Salary.

Effective July 1, 2021, if the District plans to offer assignments in noncredit semester-based programs that would fall under this subsection, the District will notify UPM and, upon request of either party, the District and UPM will negotiate compensation under this subsection.

3.4 Salary Formula: Unit Members in Not-for-Credit/Community Education Program

Unit members working in the not-for-credit/Community Education program shall be paid based upon the hours of the assignment. The Community Education Lab Rate and Lecture Rate are as follows effective January 1, 2019:

- **Lecture:** \$53.84/hour
- **Lab:** \$48.84/hour

3.5 Payment Schedules for Part-Time Unit Members' Assignments

3.5.1 Effective July 1, 2021, payment for part-time unit members' assignments, including intersessions and stipends will be made within ten (10) working days following the end of the month in which the service is performed for the first month of the semester, and then with the end-of-month payroll for subsequent months of the assignment and for late-start classes. (E.g., for classes beginning in August, unit members begin to receive compensation on the September mid-month payroll, with the next payment at the September end-of-month payroll).

3.5.2 Payments for part-time temporary assignments will be made in five (5) equal payments in the semester except as provided herein or in the notice of assignment.

3.5.3 If a part-time unit member's assignment is cancelled before unit members perform service for which they have been paid, the unit members shall reimburse the District the amount of overpayment through a pro-rated salary reduction distributed evenly over the remaining pay periods of their contract or, if the contract is cancelled entirely, within six months.

3.5.4 This section shall not apply to part-time assignments of full-time unit members.

3.6 Salary: Reassigned Time, Stipend, and Substitute Pay

Salary for reassigned time, overload or stipends shall be as follows:

3.6.1 Reassigned Time: 100%

3.6.2 Stipend: The stipend rate is \$74.00/hour:

3.7.4 Overload Payments. Overload shall be paid as follows:

- a. A full-time unit member assigned a temporary overload contract shall be paid for the overload during the semester in which the work is performed, beginning with the first pay period of the semester following the start of the overload assignment. Payment will be made in five (5) equal payments in the semester for a semester-long overload assignment, or as indicated on the overload contract.
- b. Department Chairs, UPM and Academic Senate representatives assigned duties during June and July shall be paid in six (6) equal payments beginning in July and January provided their term of office has not expired.
- c. If an overload assignment is cancelled before unit members perform service for which they have been paid, the unit members shall reimburse the District the amount of overpayment through a pro-rated salary reduction distributed evenly over the remaining pay periods of their contract.

3.8 Salary for Reduced Load

The salary of unit members working reduced loads shall be reduced on a pro-rated basis and deducted in equal amounts for the remaining pay periods of the contract.

3.9 Intersession Rate and Work Beyond 175 Days

3.9.1 Credit Program. All unit members employed during intersession in the credit program shall be paid at 95% of their salary on the credit salary schedule, prorated as determined by workload assignment. Unit members shall not exceed step 20 for intersession placement.

3.9.2 Compensation for Permanent/Probationary Unit Members' Work Performed Beyond 175 Days. All permanent/probationary unit members working in the credit and non-credit semester programs, paid on the credit salary schedule, and working more than 175 days per academic year/work year shall be paid the intersession rate for all work performed beyond the 175 days.

3.9.3 Non-Instructional Unit Members' Intersession Assignments. Counselors, librarians, and other non-instructional unit members who work in the following circumstances shall be compensated at the intersession rate:

- a. When the unit member has completed 175 days (or the equivalent number of hours) but before the commencement of the new academic/fiscal year.

3.10 Management Teaching Salaries

A manager who teaches in the credit program may have that portion of his/her salary charged on the instructional side of the 50% calculation. The portion of salary charged shall be 86% pro-rata pay per unit after determining the manager's placement on the "Credit Salary Schedule" according to the same criteria used for all unit members working in the credit program.

3.11 Creditable Work Experience for Salary Schedule Step Placement and Movement

3.11.1 For unit members, previous paid employment experience (as an instructor, librarian, counselor, school nurse, or other certificated employee) is counted on a year for-year basis if it was equivalent to the job/work assignment, such as full-time teaching in a high school or college environment.

3.11.2 A "completed year" is at least 75% of 222 work-days or 166.5 workdays within any calendar year.

3.11.3 Previous paid employment experience is counted on a pro-rated basis if it was part-time, (i.e. credited as a percentage of one year of equivalent full-time employment) or pro-rated if only a portion of the duties were creditable.

3.11.4 Elementary teaching, or pre-school teaching, shall not be counted unless the subject matter is Early Childhood Education.

3.11.5 Paid non-teaching work directly related to the teaching discipline is counted; e.g., work as a translator would be counted for a language instructor, if satisfactorily documented.

3.11.6 Other unrelated work experience is not counted unless the employee meets the minimum qualifications or equivalency for another professional area; e.g., counseling experience would be counted if the person also meets the minimum qualifications or equivalency for employment in the District as a counselor.

3.11.7 "Teaching Assistant" work does not count unless it was paid employment and the TA had full responsibility for teaching the class. Student teaching is not counted.

3.11.8 For non-teaching employees, experience in their professional field (e.g. Librarian, Counselor) is counted. "Intern" work will be counted if it is paid employment and independently performed, under supervision, after acquisition of the Master's Degree.

3.12 Creditable Education for Salary Schedule Column Placement and Movement

3.12.1 A faculty member must present an official transcript of the college degree awarded, college units taken, or Continuing Education Units-(CEU) in Nursing, Learning Disabilities or Dental Assisting completed for initial placement or change in column on the salary schedule. The college or university must be accredited by the appropriate regional accrediting organization.

3.12.2 If Continuing Education is required as a part of professional-status (i.e., Nursing, Learning Disabilities or Dental Assisting,) 15 hours of professional training equals one (1) unit.

3.12.3 Only upper division or subject-related lower division college credit courses or CEU for Nursing, Learning Disabilities and Dental Assisting will be used for salary schedule purposes.

3.12.4 Community College units will not be used for salary schedule column movement beyond the level of the bachelor's degree.

3.12.5 Definition of an Earned Doctorate

- a. For the purposes of salary placement and bonus awards, an "earned doctorate" is a degree containing the word "doctor" which is awarded by an institution accredited, at the time of the granting of the degree, by an organization acceptable to the University of California, Graduate Division.
- b. If the degree is not granted by an organization that is acceptable to the University of California Graduate Division, the employee must furnish proof of acceptance of the degree by Stanford University or any California State University. Earned doctorates from foreign institutions must be acceptable in the same manner.

3.13 Initial Step and Column Placement

3.13.1 Initial Step and Column Placement on the Credit Salary Schedule

All newly-hired credit and noncredit unit members and District certificated management employees who become unit members shall be placed on the credit salary schedule. Unit members shall furnish information and documentation to Human Resources showing previous experience that would affect their initial step and column placement. Unit members will be placed on the salary schedule based upon documentation they submit to Human Resources. Step and column credit will not be granted until Human Resources receives supporting

documentation for the education/work experience. A unit member's placement will be increased, with retroactive application for the first six months of employment only, if they submit additional documentation within the first six months of employment.

If the documentation is furnished after the end of the six-month period, a salary schedule adjustment will be processed as any other vertical or horizontal movement on the schedule. There shall be no retroactive payment.

Upon request by the unit member or UPM, Human Resources shall explain the unit member's placement to the unit member or UPM.

3.13.2 Step Placement Limit

Work that is determined by Human Resources to be "creditable work experience" for purposes of step placement shall be granted on a year for year basis (except as provided herein). Initial step placement on the credit salary schedule shall not exceed step fourteen (14) on any column for permanent/probationary unit members (except for returning managers qualified for higher placement), nor step nine (9) on any column for temporary credit unit members. Upon request of the Chief Human Resources Officer and with the agreement of the Superintendent/President and the UPM President, an incoming permanent/probationary unit member may be placed up to step twenty (20) as a recruitment incentive for strong candidates or for hard-to-fill positions.

3.13.3 Step Placement Limit for Managers Retreating/Returning to Faculty

Any District employee retreating into the bargaining unit as a first-year probationary unit member (E.C. 87458) shall be initially placed on the salary schedule pursuant to this Article. Such employees shall be placed no higher than step fourteen (14) unless the employee previously served as faculty in the District and, at the time the employee became a manager, was placed above step fourteen (14) on the schedule. In that case, the employee may be placed at the step they were on when they became a manager.

3.14 Vertical Step Movement on the Salary Schedule

3.14.1 Permanent/Probationary Unit Members

After initial placement on the salary schedule, a unit member may not move more than one step (30 units) on the credit salary schedule in a single fiscal year. Vertical movement to a higher step for permanent/probationary faculty members will be effective July 1 at a rate of one step for each 29.5 - 30.5 teaching units or equivalent non-credit service completed in the District, or for librarians, counselors, school nurse and other certificated unit members, one school year of full-time creditable work in the District.

Permanent/probationary unit members teaching less than 29.5 units (or non-teaching unit members working less than a full school year) may also qualify for step movement in the following circumstances as approved by the Board: on a reduced load as long as they teach at least 18 units (60% in non-teaching positions) in the year excluding overloads and intersessions; on a phased-in early retirement program of at least one-half of the days of service required for a regular full-time assignment; on a paid medical leave of absence; on a sabbatical leave, legislative leave, family leave, military leave, jury duty leave, industrial accident leave, pregnancy/disability leave, disability leave and/or assault leave.

Permanent/probationary unit members hired mid-year are required to complete three semesters before becoming eligible for salary step advancement. Permanent/probationary unit members not on phased-in early retirement must be in paid status at least 75% of the assigned days in a school year for that year to be credited.

3.14.2 Equivalent Non-Credit Service

All permanent/probationary unit members working in the non-credit program as part of their regularly assigned workload shall move on the credit salary schedule in accordance with their years of pro-rated full-time service.

3.14.3 Temporary Unit Members

Vertical movement to a higher step shall be at a rate of one step for every 30 teaching units (or equivalent for non-instructional unit members). Teaching units earned in the District shall be credited for movement not to exceed step 16. Teaching units earned at other institutions shall be credited up to step 9 only. Advancement from step 9 to step 16 shall be based solely on teaching experience in the District (not related work experience). Temporary counselors, librarians, and other non-instructional certificated employees shall receive step advances, with the same limitations as temporary credit teaching faculty based on pro-rated full-time professional experience (i.e. percentage of unit equivalents). Unit members must submit documentation of experience/units earned outside the District on or before May 1. The District will count work performed during May provided the verification goes through at least May 1. Units earned will be counted at the end of each fiscal year, with step movement to take effect July 1 of the next fiscal year. A unit member may not move more than one step (30 units) on the credit salary schedule in a single fiscal year.

3.15 Horizontal (Column) Movement on the Salary Schedule

For column change following initial placement, unit members must submit documentation of completed requirements to Human Resources. Column movement will take effect the pay period after the unit member submits supporting documentation, and may occur at any point in the fiscal year.

- a. Previous paid employment experience is counted on a year-for-year basis if it was equivalent to the job/work assignment.
- b. Unit members who worked less than 100% of an assigned workload must accumulate the hours equivalency of a full-time workload to qualify for salary schedule placement credit.
- c. Valid documentation should include the state issued permit, or an official transcript of the college degree awarded or the college units taken which would support the request for initial placement or movement in step or column on the salary schedule.
- d. The college or university must be accredited by the appropriate regional accrediting organization.

3.16.3 Initial Placement on the Children’s Center Salary Schedule

Newly-hired Children’s Center unit members shall be placed on the applicable Children’s Center Salary Schedule. Unit members shall furnish information and documentation to Human Resources showing previous experience which would affect their initial step and column placement. The newly hired unit member will be placed on the salary schedule based no higher than step three (3), which is the highest entering step for Children’s Center unit members. Step and column credit will not be granted until Human Resources receives supporting documentation for the education/work experience. A unit member’s placement will be increased, with retroactive application for the first six months of employment only, if additional documentation is submitted prior to the end of the six-month period.

If the documentation is furnished after the end of the six-month period, a salary schedule adjustment will be processed as any other vertical or horizontal movement on the schedule. There shall be no retroactive payment.

Upon request by the unit member, Human Resources shall explain the unit member’s placement to the unit member.

3.16.4 Vertical (Step) Movement on Children’s Center Salary Schedule

Unit members assigned to the Children's Center shall move one (1) step on the Children's Center Salary Schedule for every two semesters consisting of one 175-day contract year, completed at 100% assigned workload. Unit members who work less than 100% of an assigned workload must accumulate the hours equivalency of a full-time workload to move on the salary schedule.

3.16.5 Horizontal (Column) Movement on Children's Center Salary Schedule

For column change following initial placement, the unit member must submit documentation of completed requirements to Human Resources. Column movement will take effect the pay period after the unit member submits supporting documentation, and may occur at any point in the fiscal year.

3.16.6 Site Supervisor – Summer Session/Short Term Leave Rate of Compensation

The Site Supervisor working the summer session shall be reimbursed on a prorated base of 80% of the Site Supervisor hourly rate. Teachers employed as the Site Supervisor during summer session shall be placed on the Site Supervisor Salary Schedule and be paid at 80% pro rata. The same rate shall apply in cases of coverage for Site Supervisor short-term leave greater than four full weeks.

Those who elect to participate in medical, vision, and/or dental insurance shall have the prorated portion of these benefits deducted from their paychecks.
- d. Unit members who work less than 60% of a full load may elect to purchase medical, vision and/or dental insurance and shall have the full cost of these benefits deducted from their paychecks.

Part-time unit members who choose health coverage which exceeds the maximum District contribution shall pay the additional employee premium contribution through a monthly payroll deduction. For Spring semester (coverage months February to August), if unit members do not have a summer assignment to cover the employee premium contribution from their payroll check, then the total July and August employee premium contribution will be paid by personal check to the District payroll department by the fifth business day of the month of coverage. If any course is cancelled or the unit member's assignment drops below six (6) units in the Fall or below twelve (12) for the academic year in the Spring, the unit member's District provided coverage will be terminated the first of the month after the course cancellation/reduction in units and the unit member will repay the District for the health coverage the District already provided. The unit member may continue coverage at their own cost under COBRA.

4.2.4 Two-Tier Anchor Bronze Plan. The District will maintain a medical plan for credit and non-credit unit members who do not qualify for health coverage. The "Active Temporary Employee" health coverage is for employee or employee plus children. The cost of this coverage will be at the employee's expense.

4.2.5 Dental Coverage. Effective July 1, 2021, unit members who qualify for health care coverage in 4.2 above shall qualify for a reimbursement of up to \$800 per fiscal year for a single subscriber, or \$1,200 per fiscal year for a subscriber plus one (up to \$800 per individual and a maximum of \$1,200 total for the subscriber and subscriber plus one per fiscal year), based on submission to the District of an itemized invoice from a dentist outlining the services provided, submitted within 30 calendar days of the end of the fiscal year. The District shall reimburse the unit member within 30 days of receipt of a verified itemized invoice. To qualify as a "plus one" for dental reimbursement, an individual must be eligible to be a "plus one" on the unit member's health care plan (whether or not the unit member has a medical plan and whether or not the individual is the plus one on that plan) and an employee may only identify one individual to be a "plus one" per fiscal year.

5.2.5 By October 1 of each year, Human Resources shall notify all permanent/probationary unit members, and temporary credit and non-credit unit members with a fall assignment, of their accumulated number of sick leave days available. The District will be deemed in compliance of this requirement if leave balances are included on paystubs. Normally, this shall be done when the absence exceeds five (5) days or when there is a reasonable, evidence-based suspicion of an employee's abuse or misuse of sick days. When the District asks for a certification under this category, the District shall notify UPM.

5.2.8 After an employee has been absent for five (5) or more consecutive days of sick leave, the District may require the unit member obtain a release to return to work from a health care provider.

For each unit of overload, an additional hour of sick leave will be charged per week (see reporting details below). Unit members shall report absence from assigned and/or unassigned duties. Should a unit member be absent for part but not all of a day, the unit member shall report the length of time (rounded to the nearest half hour).

When an assignment has been reassigned from the unit member to a long-term substitute, when a short-term substitute is covering unassigned time duties, or when the unit member is otherwise absent from unassigned time duties, the unit member shall report as sick leave on the absence report all hours associated with that assignment until the unit member reports back to duty. Sick leave hours reported must be based on the 37.5-hour work-week and 175-day work year for a 1.0 FTE load. When the unit member is reporting a full week of absence, an additional hour of sick leave will be deducted per week for each unit of overload.

Temporary unit members shall have their sick leave usage prorated based on their percentage of full-time equivalent assignment.

Unit members under a health care provider's care and not released for duty shall utilize sick leave in accordance with the established work-week/work-year for a 1.0 FTE load. For each unit of overload, an additional hour of sick leave will be charged per week (see above).

- a. During any period when a unit member is on differential leave, the amount deducted from the salary due the unit member for any month in which the absence occurs shall not exceed the sum that is actually paid a substitute employed to fill the unit member's position during the absence or, if no substitute is employed, the amount that would have been paid to the substitute had one been employed. The District shall make every reasonable effort to secure the services of a substitute. (See Ed. Code 87780.)

5.2.11 Donation of Sick Leave to Another Unit Member.

Unit members may voluntarily donate up to five (5) days (37.5 hours) of their accumulated sick leave days per year for use by other unit members who have catastrophic illness/injury, need to care for a family member suffering from a catastrophic illness/injury. In no instance shall unit members sell and/or exchange their sick leave for monetary or other considerations. If a unit member wishes to donate sick leave days, the unit member must contact the Human Resources Department to verify the number of accrued and available sick leave days and must put in writing to the Human Resources Department the request to transfer those days (**Form 5.B**). A transfer of sick leave credits cannot be revoked by the unit member who donated leave.

- a. The leave shall be processed and eligibility determined in accordance with Education Code 87405.

- b. Eligible unit members may receive up to one hundred (100) days of donated sick leave credits in any three (3) year period.

In order to be eligible to receive donated sick leave credits under this section, a unit member must first exhaust his/her/their own sick leave (but not including differential leave when applicable), and any other applicable paid leave, and must provide verification of the existence of a catastrophic illness/injury to the Human Resources Department in accordance with **Section 5.7.8** (Medical Certification of Serious Health Condition). Donated sick leave will run concurrently with any remaining Family Medical Leave Act/California Family Rights Act leaves (when applicable). The unit member receiving donated leave may, after consultation with Human Resources, elect to incorporate donated leave with differential leave, or run the leaves consecutively.

5.2.12 Use of Sick Leave for Illness of Family Member.

- a. A unit member may use up to ten (10) days earned and available sick leave for the care of a family member as defined in Labor Code 233 and 245.5 (Kin Care leave). These days are in addition to those provided for as personal necessity leave and leaves for matters of compelling personal importance.
- b. In the event a unit member is needed to care for a spouse/partner, child or parent with a serious health condition, as determined by the spouse/partner, child, or parent's health care provider, and the unit member has exhausted the member's personal necessity leave and allotment of leave under subsection a, the unit member is entitled to use up to twenty-five (25) days of earned and accrued sick leave in order to care for the spouse/partner, child or parent. The use of earned and accrued sick leave to care for a family member with a serious health condition runs concurrently with Family Medical Act Leave Act/California Family Rights Act leaves (when applicable) and Family Care Leave under this Article 5 (when applicable).
- c. **Notification.** A unit member who elects to use sick leave for illness of a family member shall submit written notice to the immediate supervisor or designee to document the necessity for leave. In an emergency situation where notification in advance is not possible, the unit member shall notify the supervisor as soon as possible and submit written notification promptly. The unit member shall obtain and complete the applicable form(s) and submit the forms to Human Resources.

5.2.13 Use of Sick Leave for Terminal Illness of Spouse/Partner, Child, Parent.

5.3 Personal Necessity Leave and Compelling Personal Importance Leave

5.3.1 A unit member shall be entitled to use, during any contract year, not more than six (6) days of accumulated sick leave in case of personal necessity. Personal necessity is defined as an urgent situation which is imposed on a unit member, over which a unit member has no control, which a unit member cannot reasonably be expected to anticipate or disregard, and which requires the unit member's presence during the unit member's normal work day. Examples of personal necessity include but are not limited to: religious holidays; doctoral, licensing or other professional examinations; adoption hearings; funerals of close friends, colleagues, or relatives; caring for a spouse/partner, children, parents, or infant child following childbirth; or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee.

- a. Death or serious illness of a unit member's immediate family or household member.
- b. Accident involving the unit member's person or property, or the person or property of a unit member's immediate family or household.

5.3.3 Use of Sick Leave for Matters of Compelling Personal Importance.

Pursuant to Education Code 87781.5, a unit member shall, without prior approval, be granted up to a maximum of six (6) days leave of absence in any contract year in cases of compelling personal importance. Said leaves shall be deducted from the unit member's available personal necessity leave. Unit members shall give written notice to his/her/their immediate supervisor or designee as soon as practicable and prior to taking leave under this section.

5.4 Industrial Accident Leave

All unit members who are eligible for Workers' Compensation benefits shall be provided with industrial accident and illness leave according to the following provisions:

5.4.1 The accident or illness has arisen out of and in the course of the employment of the unit member and has been accepted by the State Compensation Insurance Fund as a bona fide injury or illness.

5.4.2 Allowable leave for each industrial accident or illness shall be for the number of days of temporary disability but shall not exceed sixty (60) days during which the District is in session or when the unit member would otherwise have been performing work for the District in any one (1) fiscal year.

5.4.3 Allowable leave shall not be accumulated from year to year. When an industrial accident or illness leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due him/her/them for the same illness or injury.

5.4.4 The leave under these rules and regulations shall commence on the first day of absence.

5.4.5 Maximum salary during any one period shall not exceed the normal salary rate.

5.4.6 Industrial accident or illness leave shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award.

5.4.7 During any paid industrial accident leave of absence, the unit member shall endorse to the District the temporary disability indemnity checks received on account of the industrial accident or illness. The District, in turn, shall issue the unit member appropriate salary warrants for payment of the unit member's salary and shall deduct normal retirement (on said member's full salary) and other authorized contributions. The unit member shall not receive more than 100% of the unit member's regular salary.

5.4.8 Temporary disability payment on account of the industrial accident or illness shall be endorsed back to the District during any paid leave of absence.

5.4.9 Upon termination of the industrial accident or illness leave the unit member shall be entitled to the benefits provided for sick leave and the unit member's absence for such purpose will be deemed to have commenced on the date of termination of the industrial accident or illness leave, provided that if the unit member continues to receive temporary disability indemnity he/she may elect to draw on accumulated sick leave to provide (with temporary disability indemnity payments) total income not to exceed normal full salary.

5.5 Pregnancy Disability Leave

5.5.1 Definition. Pregnancy Disability Leave is up to a four (4) month period when the unit member is disabled by pregnancy, childbirth, or a related medical condition. Except for

the provisions of this section, any period of actual disability due to pregnancy, childbirth, or a related medical condition, shall be treated as any other disability, and any accrued sick leave or other applicable salary continuance benefits shall be available to the unit member.

5.5.2 It is the intent of this section to implement the terms and conditions of Government Code section 12945, and further interpretations of this law will apply.

5.6 Disability Leave

5.6.1 A disability leave shall apply to all forms of disability, including disability due to pregnancy, child birth, and related medical conditions, when a unit member qualifies for disability insurance at the termination of accrued sick leave.

5.6.2 Verification of Health Care Provider. Subject to applicable law, the period of disability as defined above shall be determined by the unit member's health care provider. Upon request by the District, the unit member shall submit verification of the disability by a licensed health care provider.

5.6.3 A unit member on a disability leave shall be responsible for the unit member's portion of said fringe benefits payment which shall be due on a monthly basis, in advance. The District shall continue to pay its contribution to the unit member's health benefits, which include but are not limited to medical, dental, vision, and all other fringe benefits for which the unit member is eligible during leave based on the carrier's requirements, to the same extent the District would have paid for such benefits if the unit member would have continued working.

5.7 Employee/Family Care Leave

Employee/Family Care Leave provides unpaid leave to qualified unit members under the Federal Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) (Government Code Section 12945.2), and differential pay for unit members who are eligible for parental/baby bonding leave. (See Education Code section 87780.1.) This section shall be applied and interpreted in accordance with the state and federal law and regulations and related provisions of the CBA.

5.7.1 Eligibility. A unit member who has worked in the District for two (2) semesters or twelve (12) months in the past year, and worked a minimum of nine (9) units or the equivalent per semester during the previous twelve (12) months (rolling; not the prior calendar year) is eligible for the leaves described below pursuant to this CBA. However, unit members only qualify for FMLA and CFRA leave pursuant to the requirements of those laws; the terms of this CBA do not extend eligibility for those leaves nor the protections therefrom to unit members who are not eligible for such leaves under applicable law. (A unit member who has worked in the District for 12 continuous months and a minimum of 1,250 hours during the previous 12 months is eligible for FMLA and CFRA leaves. Unit members who work less than 12 months

each year, are considered to have met the 12-month requirements so long as they meet the 1,250 hour requirement.)

5.7.2 Purposes for Which Leave May be Taken.

- a. Birth, adoption, or foster care placement of a child (within one year of event),
- b. Care of a family member with a serious health condition:
 - i. Family member includes spouse, domestic partner, parent, (including person who stood in loco parentis to the employee), child (including foster, step and adult children and legal wards).
 - ii. Serious Health Condition is defined as any illness, injury, impairment or physical or mental condition that requires either inpatient care in a hospital, hospice, or residential care facility, or continuing treatment by or under the supervision of a health care provider.
- c. Unit member's own serious health condition (except that CFRA excludes pregnancy disability which is covered under Government Code Section 12945 and Section 5.5).
- d. Care of a spouse, domestic partner, son, daughter, parent, or next of kin who is a currently covered service member of the Armed Forces, and who has a serious injury or illness incurred in the line of duty on active duty for which he/she/they is/are undergoing medical treatment, recuperation, or therapy.
- e. Qualifying exigency where the employee's spouse, son, daughter, or parent (the "military member") is on (or has been notified of an impending call to) covered active duty in the Armed Forces. This Agreement uses the terms "qualifying exigency" and "covered activity duty" as defined in the FMLA.
 - i. For leave due to a qualifying exigency, notice must be provided as soon as practicable, regardless of how far in advance such leave is foreseeable.
 - ii. **Certification.** Upon a request for exigency leave, the District shall require certification of the family member's military status, and the nature of the exigency, to the extent authorized by law.

5.7.3 Duration of Leave.

- a. Leave may be taken for up to a total of twelve (12) work weeks in a twelve (12) month period, except in the case of care for a member of the Armed Services injured in the line of active duty as set forth in Section 5.7.2.d, in which case the unit member is entitled to

up to twenty-six (26) work weeks of leave in a twelve (12) month period.

- b. Intermittent leave in the form of reduced work day or work weeks may be taken for treatment of a single illness or injury (i.e. for chemotherapy, radiation, kidney dialysis or other treatments of a similar nature) when medically necessary as certified by the health care provider.
- c. Intermittent leaves as defined in subsection b above shall be scheduled, to the extent possible, to minimize disruption to the District. A unit member who requests leave on an intermittent or a reduced leave schedule may be required to transfer temporarily to an assignment that better accommodates recurring periods of absence than the unit member's regular assignment.
- d. The time period for Employee/Family Care Leave runs concurrently with sick leave, differential leave, and all other applicable paid leave, beginning with the first day of absence.

5.7.4 Employee Notice.

- a. If the need for leave is foreseeable, the unit member shall provide the District with reasonable (at least 30 days) written notice.
- b. If the need for the leave is unforeseeable, notice must be given as soon as practicable.
- c. The District may deny the leave for failure to provide notice if:
 - i. The unit member had no reasonable excuse for failure to give notice;
 - ii. The unit member actually knew of the notice requirements; and
 - iii. The need for leave was clearly foreseeable.

5.7.5 Continuation of Benefits.

- a. The District shall continue to pay the unit member's health benefits, which include but are not limited to medical, dental, vision, and all other fringe benefits for which the unit member is eligible during leave based on the carrier's requirements, to the same extent the District would have paid for such benefits if the unit member would have continued working. The unit member shall continue to make employee contributions, if any.
- b. If the unit member does not return at the end of the leave, the District may collect from the unit member the amount expended for benefits unless the failure to return is

because of disability or other reasons beyond the control of the unit member.

- c. The District and the unit member cannot continue to pay the retirement contributions because the unit member must be in paid status for these contributions to continue. However, if permitted by STRS and subject to all STRS requirements, a unit member with STRS retirement may elect to purchase the additional service credit for an approved family care leave, prior to retirement, and in doing so will pay all contributions with respect to that service at the contribution rate for additional service credit in effect at the time of the election.
- d. The District and the unit member cannot continue to pay for life insurance or income protection if the unit member is on unpaid leave or such coverage otherwise is not available under the requirements of the carrier(s). The unit member may be able to continue coverage by paying the premium if allowed by the carrier(s).

5.7.6 Status While on Leave. Approved leave does not constitute a break in service for purposes of seniority or longevity.

5.7.7 Married or Non-married Domestic Partner Employees. If both spouses/domestic partners are employed by the District, the leave for both employees is limited to twelve (12) weeks each for the care of a newly arrived child (birth, the placement of a child with an employee in connection with the adoption or foster care of the child by the employee) or a sick parent. For other purposes, such employee is entitled to twelve (12) weeks of leave.

5.7.8 Medical Certification of Serious Health Condition.

- a. The unit member shall provide to the District medical certification from the health care provider of the serious health condition of a child, spouse/domestic partner or parent and a statement that the serious health condition requires the participation of a family member to provide care.
- b. The unit member shall provide to the District medical certification from the health care provider of the unit member's own serious health condition and the inability to perform the functions of the unit member's position.
- c. Medical certification may be provided by a physician, osteopath or other health care provider as defined by the California Family Rights Act (2 CCR 11087(j)).
- d. The District may, at its expense, require additional medical evaluation and certification of the unit member's own serious health condition (but not of the unit member's spouse/domestic partner, parent or child).

- e. The District shall require fitness for return to duty certification following leave for the unit member's own serious health condition.

5.7.9 Right to Reinstatement. A unit member is entitled to reinstatement to the same or a comparable position, except as provided by applicable law (such as in the event of a properly-noticed layoff).

5.7.10 Procedure for Applying. Obtain and complete the applicable Employee/Family Medical Leave Act/California Family Rights Act and medical certification form(s) and submit to Human Resources.

5.8 Parental Leave

5.8.1 The District offers parental leave consistent with the provisions of Education Code §87780.1. This Section shall be applied and interpreted in accordance with state and federal law and regulations, and is intended to be consistent with such laws and regulations. Use of leave designated as Parental Leave does not constitute an additional 12 weeks under FMLA.

- a. Eligible full-time and part-time unit members are entitled to use his/her/their accrued sick leave up to 12 workweeks (maximum) of paid Parental Leave in a 12-month period following the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee.
- b. The rate of pay is the employee's full pay if he/she/they has sufficient sick leave to cover the entire period of Parental Leave. If the employee does not have sufficient sick leave, the rate of pay is as set forth below.

Using the "differential" pay method of calculating extended illness leave, employees receive their full rate of pay less the amount actually paid the substitute employed to fill the position, or, if no substitute is employed, the amount that would have been paid to the substitute had one been employed. If the employee is eligible for California Family Rights Act ("CFRA") leave, after exhaustion of all available sick leave except for fifteen (15) days, the employee shall receive differential pay or fifty percent (50%) of their regular rate of pay (whichever is greater) for the remainder of the twelve (12) workweek period. Employees may retain fifteen (15) days of their sick leave for later use (as sick leave, not as Parental Leave).

- c. An employee is not required to have 1,250 hours of service with the District in the previous 12-month period to qualify to take Parental Leave under this section. An employee is not required to use her/his/their sick leave for Parental Leave as a condition of using baby bonding leave under the CFRA. An employee who is eligible for CFRA leave may elect to take unpaid CFRA baby bonding leave and reserve her/his/their sick leave

for later use (as sick leave, not as Parental Leave); however, if an employee elects to receive paid Parental Leave, his/her/their entitlement to CFRA baby bonding leave is reduced by the period of Parental Leave not to exceed a maximum of twelve (12) workweeks. Further, an employee who elects to take unpaid leave under this section shall not be eligible for differential or fifty percent (50%) pay during the twelve (12)-workweek period (if the employee is eligible for CFRA as above) until they have exhausted all current and accrued sick leave except for fifteen (15) days.

- d. Parental Leave in this section shall run concurrently with CFRA baby bonding leave taken pursuant to Government Code section 12945.2, and in the combination of the two leaves shall not exceed twelve (12) workweeks in a twelve (12)-month period.
- e. Intermittent parental leave is available in accordance with applicable law. Unit members should work with their supervising dean/director and Human Resources to plan an intermittent parental bonding leave schedule in advance of the term in which leave will be taken.
- f. If eligible, a unit member may combine Pregnancy Disability Leave and Parental Leave for up to a maximum total of twenty-nine and one third (29 1/3) weeks under applicable law (maximum 17 1/3 weeks Pregnancy Disability Leave plus 12 weeks CFRA Parental Leave).
- g. Procedure for Applying: Complete the appropriate form and submit to Human Resources.

5.8.2 Parental Leave under Education Code section 87784.5

- a. An academic employee may take up to thirty (30) days of her/his/their accrued sick leave in a school year, less any days of leave authorized as Personal Necessity Leave or Compelling Personal Importance Leave, in either of the following circumstances:
 - i. A biological parent may use leave pursuant to this section within the first year of her/his/their infant's birth;
 - ii. A nonbiological parent may use leave pursuant to this section within the first year of legally adopting a child.
- b. Leave under this section will run concurrently with FMLA/CFRA leave, if the unit member is eligible for such leaves. This section implements Education Code section 87784.5 and all changes thereto or interpretations thereof will apply.
- c. Procedure for Applying: Complete the appropriate form and submit to Human Resources.

5.9 Jury Duty

A unit member absent from work to fulfill jury obligations shall be paid the difference between regular salary and jury fees for each day absent unless the unit member pays to the District the amount of statutory fees which the unit member received for attendance as a juror, excluding the statutory mileage fee, in which case the unit member shall receive their regular salary. A unit member who receives a jury duty summons shall notify the unit member's immediate supervisor and shall submit to Human Resources a copy of the summons attached to the leave of absence report.

5.10 Bereavement Leave

Every unit member is entitled to a leave of absence, not to exceed three (3) days, or five (5) days if: a) out of state travel is required or b) one-way travel in excess of 300 miles is required, on account of the death of any immediate family member. No deduction shall be made from the salary of such unit member, nor shall such leave be deducted from leave granted by other sections of the Agreement. Members of the immediate family as used in this section are mother, father, grandmother, grandfather, or a grandchild of the unit member or of the spouse/partner of the unit member, and the spouse, son, son-in-law, daughter, daughter-in-law, brother or sister of the unit member, or any person living in the immediate household of the unit member.

5.11 Uniformed Services Employment and Reemployment Rights Act (USERRA)

Unit members shall be granted any military leave to which they are entitled under law. Unit members shall be required to request military leaves in writing, and, upon request, to supply the District with "Orders" and status reports. The District is committed to protecting the job rights of employees in the uniformed services. A military leave of absence will be granted to unit members who are absent from work because of service in the U.S. uniformed services in accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA). Eligible employees may take up to five cumulative years of leave under this policy. Advance notice of military service and a copy of service orders are required. Unless military necessity prevents such notice or it is otherwise impossible or unreasonable, notice must be provided within 30 days of active service. Military leave will be unpaid. However, the employees may elect to use personal necessity leave and banked units for the absence. Benefit accruals, such as vacation, sick leave, or holiday benefits, will be suspended during the leave and will resume upon the employee's return to active employment. Health insurance coverage will continue until the end of the month following the month in which the employee last worked. The employee will be required to pay her/his/their normal employee share of the premium during this time. After this period, the employee has the right under COBRA to elect continuing group health insurance, at the employee's expense, for up to 24 months (or the period of service and time allowed to apply for reemployment, whichever is shorter) following separation from employment. An employee who takes leave under this policy will be eligible for reemployment as provided by law, including that the employee was honorably discharged from military service and provides discharge documentation. A returning employee must seek timely reinstatement depending upon the length of the military service, as follows, or defined by applicable state law:

Length of Service	Time Limit for Seeking Reinstatement
Less than 31 days	By the start of the first work day that begins at least eight hours after the completion of service
31 to 179 days	No later than 14 days following the completion of service
180 days or more	No later than 90 days following the completion of service

An employee who is hospitalized for an injury or illness incurred or aggravated during military service will have up to two years following the completion of service to submit an application for reemployment to Human Resources. Employees returning from military leave will be placed in the position they would have attained had they remained continuously employed or a comparable one depending on the length of military service in accordance with USERRA.

Length of Service	Reemployment Position(s)
90 or fewer days	Position that the employee would have held if employment had not been interrupted by military service; or Employee's previous position.
More than 90 days	Position that the employee would have held if employment had not been interrupted by military service; or A position of like seniority, status and pay for which the employee is qualified, with or without reasonable efforts by the District to help the employee become qualified.

5.12 Legislative Leave

5.12.1 Every permanent unit member who is elected to the Legislature, either State or Federal, shall be granted a leave of absence without pay for the duration of the term of the office.

5.12.2 Within six (6) months after the term of office expires, the unit member shall be entitled to return to the position held at the time of election, but the unit member shall not get salary step advancement credit for the time that the unit member was on leave.

5.12.3 A unit member employed to take the place of another unit member elected to the Legislature shall not have any right to such position following the return of the unit member on Legislative leave to the District.

5.12.4 Subject to approval of the carriers, a unit member elected to the Legislature may continue his/her/their health and welfare benefits at his/her/their own expense.

5.13 Unpaid Leaves

5.13.1 Unpaid leaves may be granted by the District to probationary/permanent faculty. Approval is subject to approval by the Board, as well as the limits on unpaid leaves established in the Education Code, District Board Policies and Administrative Procedures, and the terms of this section. (See Form 5.C.)

5.13.2 Requests for unpaid leave shall be made to the department chair and supervising administrator at least four (4) weeks prior to the deadline date for chairs to submit scheduling materials to the dean for the semester in which the proposed leave would begin. The District may waive this deadline at its discretion for special circumstances. Unpaid leaves shall start at the beginning of the semester. Unit members may use banked units during a period of leave that would otherwise be unpaid, pursuant to the unit banking provisions of this article.

5.13.3 The period of the leave may be one (1) semester or one (1) school year. The unit member may request an extension of the period of leave, with the reasons(s) for the renewal being specified. The period of leave with extensions may not exceed two (2) school years.

5.13.4 Unit members may request unpaid leave for reasons of personal necessity (parental, medical, public service, etc.; unit members may also or instead seek an accommodation for medical conditions from the District under Article 26) or to pursue educational goals.

5.13.5 The District must be able to secure reliable part-time coverage or to leave the assignment vacant, at the District's discretion, for the time the unit member will be on leave.

5.13.6 Fringe benefit coverage may be continued at the unit member's expense, if permitted by insurance carriers and requested in writing by the unit member in advance.

5.13.7 Requests for unpaid leave shall not be unreasonably denied. If a member's request for unpaid leave is denied, a written statement of reasons shall be provided on request of the member.

5.13.8 A unit member on leave of absence shall signify in writing by March 15th if the leave was in the Spring semester, or by November 15th if the leave was in the Fall semester,

the unit member's intent to return to duty the following semester or shall at that time request an extension of leave.

5.14 Professional Development Leave/Professional Development Leave Committee (PDLC)

The PDLC shall be composed of four (4) members, two (2) appointed by UPM and two (2) appointed by the District. All members shall be voting members. Professional Development Leaves shall be approved by a majority vote of PDLC.

5.14.2 Eligibility for Professional Development Leave. Each permanent/probationary unit member and each temporary unit member employed for at least 40% FTE or averaging at least 40% for the academic year (must meet this criterion at time of event) shall be eligible for up to four (4) days of Professional Development Leave per fiscal year, subject to the application procedures in this section 5.5. These days may not be carried over to subsequent fiscal years.

- a. Unit members are eligible for Professional Development Leave while on sabbatical leave, but not while on any other type of approved leave.

5.14.3 Definition of Professional Development Leave.

- a. Professional Development Leave is leave to attend an employment-related conference, institute, workshop, short course (discipline or teaching skills-related, no more than four (4) days in length), or an institute/workshop wherein a unit member delivers a paper or speaks on the unit member's publication sponsored by a recognized professional organization, accredited educational institution, organization or national/international body. Professional Development Leave does not include leave for courses taken by a unit member to obtain an advanced degree, to further his/her placement on the salary schedule, or to attend District-sponsored courses or workshops. A Continuing Education Unit (CEU) waiver must accompany the unit member's request for a short course (discipline or teaching skills-related).
- b. **Professional Development Leave/PDLC Funds Criteria.** At least one of the following criteria shall be met for the leave to be granted and funds awarded:
 - i. The unit member will be trained in: teaching; counseling; librarianship; educational leadership; accreditation; administration; shared governance; conflict resolution, educational equity, and/or workforce diversity and inclusion.

 - i. The unit member is granted Professional Development Leave money by the PDLC; or
 - ii. The unit member is released from assigned or unassigned duties for professional development, whether or not a substitute is required.

A day of Professional Development Leave shall be counted even if said day falls outside the academic year/work year, if the unit member receives travel funds through the District.

5.14.4 Application and Selection Process for Professional Development Leave.

- a. **Application.** Applicants shall submit requests for Professional Development Leave to the PDLC on the required form (Form 5.D) prior to the application deadlines of:
 - September 15th
 - January 15th
 - May 1st

Requests for Professional Development Leave must be submitted and approved in advance but no earlier than one year prior to the event.

A unit member requesting Professional Development Leave shall, along with the application form, turn in a Faculty Absence Report showing assigned hours during the period of leave and the arrangements for covering those obligations (e.g. substitute, trade with named unit members, etc.).

- b. **Selection Process for Professional Development Leave.** When all eligibility requirements, application criteria, and other requirements are met, PDLC will approve applications per period using the following process:
 - i. PDLC will determine how much of the funds available for that application period, within the range of 10-20%, will be used for small dollar applications. Such funds that are not used will be available for large dollar applications.

- ii. PDLC will approve large dollar applications starting with unit members with the least-recent recency date. A unit member's recency date will be based on the most recent Professional Development Leave deadline in which the unit member's large dollar application was approved and request for reimbursement documents were later submitted. Where unit members have the same recency date, PDLC will approve applications by lottery. Funds that are not used for large dollar applications will be available for small dollar applications.
- iii. PDLC will approve small dollar applications by lottery when the applications exceed the available funds. Recency is not a consideration in small dollar applications. Unit members are limited to one small dollar award per fiscal year.
- iv. No more than 2 people or twenty-five (25) percent (whichever is larger) of the unit members of any department may attend the same conference at the same time without the approval of the appropriate dean or director.
- v. No individual shall receive more than \$1,500 cumulative total of Professional Development/travel fund dollars (excluding substitute dollars) during the fiscal year.
- vi. All requests are subject to the availability of monies contained in Section 5.14.6.
- vii. If applications are not approved, unit members may reapply for a subsequent application deadline in advance of the event. No application will be considered after the event.
- viii. Upon the request of a unit member whose application is not approved, PDLC will provide an explanation.

5.14.5 Expense Reimbursement. Expenses for attendance at Professional Development Leave activities may be fully, partially, or not reimbursed, pursuant to the terms of PDLC's recommendation. Upon the request of a unit member whose expenses are not reimbursed in full, PDLC/Fiscal Services will provide an explanation.

Unit members who have been granted funds for a District-directed leave or Professional Development Leave shall submit a request for reimbursement on the proper form, with all supporting documentation, no later than thirty (30) calendar days after the completion of the professional development activity. Requests for reimbursement submitted after this deadline shall not be paid.

5.14.6 Funding for Professional Development and Honorary Leaves.

- a. The District shall provide \$45,000 for each fiscal year for approved Professional Development Leave and Honorary Leave costs. Unused funds shall roll over to subsequent fiscal years until those funds have been used by unit members. PDLC will divide these funds by the number of application deadlines, and any funds remaining after one application deadline within the fiscal year will roll over to the next application deadline.
- b. The District shall provide \$5,000 for each fiscal year for substitutes for all approved conference Professional Development and Honorary Leaves. The rate for calculating substitute costs for this purpose is the current stipend rate. These funds shall not carry over to the next fiscal year.

5.14.7 District-Directed Travel. PDLC does not award travel funds to unit members for District-directed travel.

5.15 Honorary Leave

5.15.1 Honorary Leave. Honorary Leave requests shall be reviewed by the UPM-District Professional Development Leave Committee (PDLC) (see 5.14). An Honorary Leave is one which is requested by a unit member who has been formally honored and invited by a recognized group, organization, or national or international body.

5.15.2 Eligibility for Honorary Leave. Each permanent/probationary unit member and temporary unit member teaching at least six units a semester or twelve units a year is eligible to apply for paid honorary leave. In order to receive expense reimbursement, applicable receipts must be submitted. The funding limitation set forth in Section 5.14.6 shall apply.

5.15.3 Pay during Honorary Leave. If the unit member is to be fully compensated by the group/organization for services rendered, then he/she shall receive no compensation from the District. If the unit member receives less than his/her normal salary and fringe benefits, the District shall pay the difference. The funding limitations of Section 5.14.6 shall apply.

5.15.4 Honorary Leave Limits.

- a. **Request Limits:** A unit member cannot receive more than two (2) honorary leaves within a seven (7) year period for the same honor bestowed by the same group, organization or national/international body.
- b. **Time Limits:** A maximum of eight (8) calendar days per fiscal year.
- c. **Travel Compensation Limits:** A maximum of \$400.00 per fiscal year.

5.15.5 Application and Selection Process for Honorary Leave.

a. Application. Applicants shall submit requests for Honorary Leave to the PDLC on the required form (Form 5.D) prior to the application deadlines of:

- September 15th
- January 15th
- May 1st

PDLC may authorize Honorary Leave requested outside of these deadlines if the organization invites the unit member after the deadline. Requests for Honorary Leave must be submitted and approved in advance. No application will be considered after the event.

The application shall include a copy of the invitation and other relevant information.

A unit member requesting Honorary Leave shall, along with the application form, turn in a Faculty Absence Report showing assigned hours during the period of leave and the arrangements for covering those obligations (e.g. substitute, trade with named unit members, etc.).

b. Selection Processes for Honorary Leave. When all eligibility requirements, application criteria, and other requirements are met, the PDLC shall review all Honorary Leave requests on a case by case basis. PDLC shall recommend Honorary Leaves, by majority vote, to the supervising Vice President. In case of a split decision, the issue shall be decided by the supervising Vice President. Upon the request of a unit member whose application is not approved, PDLC/the Vice President will provide an explanation.

5.15.5 Expense Reimbursement. Expenses for attendance at Honorary Leave activities may be fully, partially, or not reimbursed, pursuant to the terms of PDLC's recommendation. Upon the request of a unit member whose expenses are not reimbursed in full, PDLC/Fiscal Services will provide an explanation.

Unit members who have been granted funds for an Honorary Leave shall submit a request for reimbursement on the proper form, with all supporting documentation, no later than thirty (30) calendar days after the completion of the Honorary Leave activity. Requests for reimbursement submitted after this deadline shall not be paid.

5.16 Sabbatical Leave

5.16.1 Purpose. Sabbatical leave of absence shall be granted to eligible permanent credit unit members of the regular staff for professional improvement to be attained by study or research, which will benefit the faculty, college, and students. A sabbatical leave will fulfill one

or more of the following purposes:

- a. Formal Study.** The applicant will undertake a program of undergraduate and/or graduate work. This program must be related to the unit member's current or reasonably-anticipated prospective assignment for the District.
- b. Independent Project.** The applicant will pursue an organized program of study, research, or creative project. This project must be related to applicant's current reasonably-anticipated prospective assignment for the District.
- c. Travel.** The applicant will travel to increase their knowledge in their discipline. Sabbatical applications for travel will normally be approved only if the proposed travel incorporates a plan of study or research in an area related to the applicant's current or reasonably-anticipated prospective assignment for the District, and if the applicant shows that the information/experiences sought are best obtained through travel.

5.16.2 Eligibility. To be eligible for sabbatical leave, a unit member must meet the following criteria:

- a.** A unit member must have six (6) years of permanent/probationary, full-time service as a member of the faculty or six (6) years of permanent, full-time service since the unit member's last sabbatical leave.
 - i.** In the event of a split sabbatical leave, the six-year period shall be calculated from the commencement of the first semester of the unit member's last sabbatical leave.
 - ii.** No absence from service under a leave of absence other than sabbatical leave shall be deemed to be a break in the continuity of service required by the Education Code for the purpose of qualifying for a sabbatical leave; however, such absence shall not be included as service in computing the six (6) years required for sabbatical leave.
 - iii.** Reduced loads below sixty (60) percent in a semester shall, for the purpose of eligibility, be computed on a prorated basis.
 - iv.** After employment by the District, a Board-approved leave for service under a nationally recognized fellowship or foundation for a period of not more than one (1) year for research or teaching shall not be considered a break in continuity of service, and shall be included in computing the six (6) years required for sabbatical leave.
 - v.** No service performed prior to the granting and execution of a sabbatical leave of any duration may be used in determining eligibility for a subsequent application for sabbatical leave.

- b. Recipients of sabbatical leaves must agree to remain in the employ of the District for two (2) years after return to service, or for leaves of less than one year, twice the period of leave. For a split sabbatical leave, the period of service served between the periods of leave shall count toward the member's service commitment.

5.16.3 Extent. Sabbatical leave is for one or two semesters within a two-year period starting with the beginning date of the first semester of sabbatical. Sabbatical leaves may be granted for less than one (1) semester for non-instructional unit members. If an applicant requests one semester or less, the applicant is waiving any eligibility for the second semester. A sabbatical of one semester or less shall count as one half (1/2) of a year sabbatical in computing the total number of sabbatical leaves which may be granted.

5.16.4 Distribution. The number of sabbatical leaves available to be awarded in any one (1) fiscal year shall be five (5) percent of the total permanently-filled FTEF, as of October 1, with the number of sabbatical leaves awarded to be rounded to the nearest half number. Permanently-filled FTEF position is defined as: Non-administrative, minimally qualified full time equivalent (1.0 FTE) held by a permanent or probationary unit member, either in service or on approved leave.

5.16.5 Compensation.

- a. A unit member on a granted sabbatical leave for a period of one (1) semester or less shall be paid ninety (90%) percent of the unit member's salary, plus all (i.e. 100%) fringe benefits including retirement contributions the unit member would have received if the unit member had remained in active service. A unit member awarded a sabbatical leave of absence for two (2) semesters (consecutive or split) shall be paid sixty five percent (65%) of the unit member's salary, plus all (i.e. 100%) fringe benefits including retirement contributions if the unit member would have received had the unit member remained in active service. In the computation of the salary, extra pay for summer session, overloads, etc., shall be excluded.
- b. A unit member on a sabbatical leave of absence shall receive such changes in salary as the unit member would have been received had she/he/they remained in active service.
- c. A sabbatical leave shall not count as a break in continuity of service to the District.

5.16.6 Criteria. The Sabbatical Committee will review and score applications, and may award up to the number of sabbatical awards available in that fiscal year. The Sabbatical Committee will consider the overall quality and specificity of an application, as well as responses to all prompts.

- a. The application must include:

- i. Application cover form (Form 5.E);
 - ii. Clear statement of goals and objectives;
 - iii. Description of the final report to be produced;
 - iv. List of courses the unit member currently instructs or duties the unit member performs;
 - v. Details of sabbatical (include responses to all prompts in the guidelines for the type of sabbatical requested (Form 5.E));
 - vi. Description of the potential benefits to students, staff, colleagues, and the institution, including issues related to equity and inclusion of nontraditional and historically underrepresented student populations.
 - vii. Description of how the applicant's professional skills and competence will be enhanced.
 - viii. Bibliography of current literature or sources that complement the sabbatical proposal, including books, lectures, research articles, and visuals.
- b. Applicants who have not been granted sabbaticals by the District previously may be given preference over candidates who have been granted sabbaticals.
 - c. The Sabbatical Committee may also consider seniority of service since last sabbatical.
 - d. In making its recommendations, the Sabbatical Committee may consider reasonable distribution across disciplines.

5.16.7 Application Procedure.

- a. A Sabbatical Committee shall be composed of two (2) unit members selected by UPM, two (2) unit members selected by the Academic Senate, and three (3) educational administrators selected by the Superintendent/President. Each member shall have one (1) vote. A minimum of five (5) votes in favor are required to award a sabbatical leave to an applicant. A quorum shall consist of five (5) committee members.
- b. Applications for sabbatical leave should be formatted as a formal research proposal. Applicants must complete all components of the application in detail to facilitate evaluation by the Sabbatical Committee and comparison with other applications. (Form 5.E)

- c. Applications for sabbaticals must be submitted to the supervising Vice President by email by 5:00 p.m. on September 15 of the year preceding the fiscal year when the unit member will begin sabbatical, referred to as the “application year.” The Office of the Vice President will forward the applications to the Sabbatical Committee.
- d. The Sabbatical Committee shall evaluate all applications pursuant to the rubric (Form 5.F) and rank the applications. To be awarded a sabbatical, an application must receive a score of “satisfactory” or better for each prompt and a minimum of five (5) votes in favor. The Committee may at its discretion request clarifications or additional information from any applicant. However, applicants are not entitled to supplement or amend their applications after the due date except as authorized by the Committee.
- e. By December 15 of the application year, the Sabbatical Committee will forward to the supervising Vice President: 1) its recommendations of which applications to award a sabbatical; 2) its rankings of applications; 3) completed forms used to score applications. Where the Sabbatical Committee would recommend more applications than there are available sabbatical leaves, the Committee may include alternates in its rankings, which may be awarded a sabbatical if another applicant forfeits a sabbatical leave.
- f. The supervising Vice President shall review the sabbatical recommendations and forward the same to the Superintendent/President and the Board with such recommendations for changes as the Vice President requires to reconcile the recommendations with the District’s educational and financial requirements.
- g. The Vice President will notify applicants of whether their application has been approved, or is approved as an alternate. Upon the request of a unit member whose application is not approved, the Committee will provide an explanation for its recommendation.
- h. The final approval for each individual sabbatical, based upon the criteria listed in this Article and applicable forms, shall rest with the Board. The Board will approve any sabbatical leave awards before February 1 of the application year.
- i. If a unit member decides, for any reason, not to take a sabbatical leave approved by the Board, their leave is forfeited. However, the forfeited leave will not count in calculations determining the unit member’s eligibility for future sabbatical applications. Forfeited leaves shall be awarded to the next highest ranked application from the Board’s approved list.

5.16.8 Accident or Illness. If there is an interruption of more than ten (10) calendar days in the program of study or research caused by serious accident or illness during a sabbatical leave, evidence and written verification from a physician of the accident or illness shall be sent by the unit member to Human Resources. This notice shall be sent within five (5) calendar days of such illness or accident, or as soon as physically possible. If this evidence is found to be

satisfactory to Human Resources, during this period of temporary interruption, the employee shall be returned from sabbatical leave status, and placed on regular pay and sick leave status.

5.16.9 Return to Service/Final Report. At the conclusion of the sabbatical leave, and between the periods of an approved split leave, a unit member shall be reinstated in a position equivalent in classification (instructor, counselor, librarian, school nurse and other non-instructional unit member) to that held by the unit member at the time of the granting of the leave, unless the unit member otherwise agrees in writing. Within one semester of the unit member's return from leave, the unit member shall file the final report with the Sabbatical Committee. For approved split leaves, a status report shall be filed upon completion of the first sabbatical period, and a report shall be filed after completion of the full term of the sabbatical leave. This report shall be retained in the Sabbatical Committee's files, the supervising Vice President's files, and elsewhere as the District deems appropriate. At the unit member's request, the report shall be included in the unit member's personnel file. The unit member shall present their sabbatical leave report to the Board of Trustees during a Board meeting as scheduled by the Superintendent/President. Unit members are encouraged to present their sabbatical leave report to colleagues and students, such as during a flex training or COMmunity Hour event. When a unit member earns formal college credit during a sabbatical leave, the unit member must provide an official transcript to the District.

5.16.10 Inability to Complete Approved Leave. If a unit member is unable to complete a sabbatical in a timely manner as approved by the Sabbatical Committee, the unit member shall notify the supervising Vice President not later than five (5) working days following the unit member's awareness of this problem. The supervising Vice President shall notify the Sabbatical Committee who shall consider and/or propose an alternative to the unit member's unmet sabbatical leave commitment.

- a. First preference shall be given to any alternative proposed by the employee that is similar in appropriateness, time, and product to the original approved sabbatical.
 - i. As one alternative, a unit member who is approved for a two-semester sabbatical leave which is disrupted due to the unit member's accident/illness may propose reducing his/her/their sabbatical to a one semester leave (with an adjustment to compensation accordingly) or extending the period between his/her/their first and second semester.
- b. If the Committee determines the proposal is inappropriate, it shall explain why give the unit member an opportunity to reply and revise the proposal.
- c. If the Committee determines that the revised new proposal does not include a commitment of time (i.e., length of courses taken, length of travel commitment, etc.) or quality of product (i.e., project to benefit students, publications, degree received, etc.) it shall determine the percentage of the sabbatical the unit member failed to complete.

The unit member will be required to repay the unearned salary received while on sabbatical, calculated as the percentage of leave the unit member failed to complete multiplied by the salary received by the unit member.

- d. If the unit member fails to file the required sabbatical report within one semester of his/her/their return to service with the District, the District will send the unit member two written reminders of the requirement to complete the final report, at least fourteen (14) calendar days apart. Fourteen (14) calendar days after the second reminder, the unit member will be deemed to have failed to complete the sabbatical. The unit member will be required to repay the unearned salary received while on sabbatical, calculated as the percentage of sabbatical the unit member failed to complete multiplied by the salary received by the unit member. Failure to file the required sabbatical report shall be considered at least ten percent (10%) of the sabbatical, or more as determined by the Sabbatical Committee depending on the details of the sabbatical.
- e. The unit member must begin repayment of the unearned salary starting the month following written notification by the District of the amount of salary repayment owed. Repayment must be completed within six months unless otherwise agreed by the District. In computing the repayment amount, the District shall allow the unit member to use any available personal necessity leave as compensation to the District. The unit member may only replace sabbatical leave with other leave (sick, industrial accident, etc.) when the conditions for the other leave are met.
- f. A unit member who is required to repay salary will have their period of eligibility for any future sabbatical leave calculated starting with the semester following total repayment of the amount owed.

5.17 Substitution: Faculty

No unit member absent due to illness, personal necessity, professional development leave, or honorary leave, for a period of three (3) days or less total shall be charged sick leave, if during the unit member's absence the position is voluntarily filled by other faculty member(s) who meet the requirements to serve as a short-term substitute for the assignment. The use of substitutions under this section shall follow the procedures for short-term substitutes. The substituting faculty member will not be paid. The Absence Report form must be submitted to the appropriate dean or director by the faculty member who was absent to verify that these conditions have been met.

5.18 Unit Banking Program

5.18.1 Definition. A permanent/probationary credit unit member may request the District to retain in a separate account, specifically designated for this purpose, salary compensation for overload/intersession/summer session work for the purpose of deferred remuneration, to

be used to fund otherwise unpaid leaves, partially-funded leaves, sabbatical leaves, or reduced loads. Unit members may not accrue more than fifteen (15) banked units.

5.18.2 Sabbatical Leave: In the case of sabbatical leaves, unit members may use banked units to increase compensation up to 100% of the current salary (e.g., in one semester leaves, up to 1.5 units may be banked; in one year leaves, up to 10.5 units may be banked). Otherwise, compensation is prorated against the banked units applied to the partially funded sabbatical. All fringe benefits, including retirement contributions the unit member would have received had he/she/they remained in active service, continue.

5.18.3 Reduced Loads: In the case of an approved reduced load (Article 8), a unit member must carry at least 9 units, or a 60% load, to be eligible to apply banked units, or the hour equivalent for non-instructional members, toward a reduced load. The unit member may apply 6 units to the reduced load for a fully-paid load for that semester, or may apply less than 6 units to the reduced load for a partially funded reduced load/unpaid leave for that semester. Compensation and retirement contributions will be prorated against the number of banked units, or the hour equivalent for non-instructional members, applied. All District fringe benefits, including Life Insurance and Income Protection continue subject to approval by the carrier.

5.18.4 Unpaid and Partially-Paid Leave. A unit member who is on an approved leave of absence that is unpaid or partially-paid (such as differential-pay leave or workers' compensation leave) may apply up to 15 banked units to achieve 100% of the unit member's current salary. All District fringe benefits the unit member would have received had the unit member remained in active service continue, based on approval of the carrier. Life Insurance and Income Protection are not provided because the unit member is not actively at work, as required under these benefits, but the unit member may be able to continue coverage by paying the premium if allowed by the carrier.

5.18.5 Procedure for Banking Units.

a. Application.

- i. Semester Banking.** Applications for banking units shall be submitted to the Union/District Workload Committee (UDWC) via the Department Chair and Dean/Director by completing the Full-Time Faculty Assignment Request Form (Article 8) during the scheduling process for the following semester (i.e. September for the following Spring semester load; January for the following Fall semester load).
- ii. Intersession/Summer Session Banking.** Applications for banking intersession/summer session units shall be submitted to UDWC via the Department Chair and Dean/Director by completing the Full-Time Faculty Assignment Request Form (Article 8) before April 1 of any year.

- b. Designation.** Once the request for banked units is approved by UDWC, no change may be made (i.e. a unit member may not decide to be paid for approved banked units, unless the situation is beyond the unit member's control - termination or critical emergency). Conversely, once the unit member has been scheduled for pay for overload/intersession or summer session, the unit member does not have the option to bank these units.
- c. Access to Banked Units.** When a unit member signs the Constructive Receipts Waiver for Banked Units, access to funds credited to the unit member's account are restricted to applying them toward sabbaticals, reduced loads, and leaves.
- d. Leave Not Taken.** In the event the leave is not taken, unit members who do not sign the Constructive Receipts Waiver for Banked Units may recover original monetary value upon written request to Payroll, in any contract year following the year the units were earned. Requests for cash-out will only be granted in cases beyond the employee's control, e.g., termination, critical emergencies, or paying out of nominal residual balances, as provided for by IRS Code 1.451-2 (a).
- e. Possible Tax Implications.** Internal Revenue Service regulation 1.451-2 (a) applies the doctrine of constructive receipt to compensation income earned from unit banking. Income is constructively received for the year it is credited to the taxpayer's account, set part for him/her/them, or otherwise made available so he/she/they can draw upon it at any time. In order to avoid reporting compensation as taxable income on the current salary "banked", the unit member must sign the Constructive Receipts Waiver for Banked Units (Form 5.G). Notwithstanding this section, the District and UPM do not make any representations as to the impact of banking units and utilizing banked units on unit member's state or federal tax obligations. Unit members should consult with their own legal and financial advisors.
- f. Impact on Retirement.** The increased compensation due to the addition of banked units to either a partially funded sabbatical leave, reduced leave or unpaid leave to make it a fully funded leave, is subject to STRS contributions with resulting service credit. Any increased compensation is subject to all applicable STRS/PERS-related laws and regulations.
- g.** The District and UPM do not make any representations as to the impact of banking units and utilizing banked units on unit member's state or federal tax obligations, STRS/PERS benefits, creditable compensation for STRS/PERS, nor any other factors. The District and UPM encourage unit members to consult with their own legal and financial advisors for assistance on these topics.

5.18.6 By October 1 of each academic year, Human Resources shall give written notification to all unit members who have banked units:

- a.** The total number of units in their account.
- b.** The semester(s) and/or intersession(s) during which the units were earned and/or expended.
- c.** The total dollar value of the units (computed as provided above).

5.19 Leave Provisions – Unit Members Assigned to the Child Development Program

To the extent consistent with the law, all provisions of Article 5 apply to unit members assigned to the Child Development Program except Sections 5.15 (Honorary Leave), 5.16 (Sabbatical), and 5.18 (Unit Banking).

ARTICLE 6: ASSIGNMENTS AND TRANSFERS

6.1 Assignments

6.1.1 Right of Assignment. Selection of all assignments shall be at the District's discretion and subject to the limitations in the CBA.

6.1.2 Splitting Assignments. The District shall not be required to split an assignment with a single CRN.

6.1.3 Assignments Requiring Consent of Unit Member. Full-time unit members and ETUMs may not be scheduled for the assignments listed below without the unit member's written consent. Written consent may be demonstrated by a signed assignment sheet, signed notice of employment, or otherwise.

- a. A full assignment of three (3) days and three (3) evenings per week, four (4) days and two (2) evenings per week, five (5) days and one (1) evening per week, or six (6) days with or without evenings.
- b. Assignments of more than three (3) consecutive lecture hours or four (4) consecutive laboratory or combined lecture-and-laboratory hours.
- c. A split assignment between work sites on the same day without mileage paid at the then-current approved Internal Revenue Service rate.
- d. A day assignment following an evening assignment by less than twelve (12) hours.
- e. More than three (3) new preparations in any one (1) academic year and more than two (2) in any one (1) semester. A new preparation is a course of two (2) units or more which the unit member has not taught within the previous five (5) years. This subsection does not apply to probationary faculty.
- f. Prisons or jails.
- g. More than:
 - i. one assignment per semester that ends after 6:00 p.m., or
 - ii. the combined 5-year average of assignments that end after 6:00 p.m., assigned to permanent/probationary unit members in that department, whichever is greater. The department 5-year average will be mutually determined by the applicable department chair and division dean. Disputes will be resolved by the Vice President.

- h. Contract non-FTES (fee-based) classes.
- i. An assignment involving an extended work year as defined in Article 8.
- j. To K-12 sites.
- k. More than eight (8) consecutive on-site duty hours if the unit member has a non-instructional assignment.
- l. Saturday or Sunday assignments.
- m. Other off-campus locations.

6.1.4 Specialty Skills Courses. Specialty skills courses are those designated by UDWC as requiring special skills unlikely to be possessed by persons of more general qualifications. Departments shall request UDWC approval to designate courses as specialty skills courses by completing the UDWC form, presenting to UDWC, and providing all information UDWC requests. The District shall not be required to offer specialty skills course units to any unit member who does not hold the requisite skills.

6.1.5 Reading and Writing Lab Assignments. The District shall schedule faculty for the Reading and Writing Lab (RWL) as follows:

- a. The District will use the English and English Skills ETUM lists to create an Order of Schedule for ETUM RWL assignments. Unit members on both ETUM lists will utilize their earlier seniority date for the Order of Schedule.
- b. Effective June 1, 2021, where the Order of Schedule has two people with the same seniority date who are tied, rank shall be determined by the number of units taught at the District in the prior three (3) fiscal years. If there is a tie in both the first date of hire and the number of units taught, rank will be determined by a one-time lottery. Such rankings will be used for all RWL assignments going forward.
- c. Each faculty may be assigned no more than the following maximum units for the RWL:
 - i. Full-time faculty may be scheduled in the RWL up to 4.5 units (6 hours); and
 - ii. Part-time faculty may be scheduled in the RWL up to 6 units (8 hours).
- d. Going through the Order of Schedule, the District will utilize the following process:

- i. The District will work with the Chairs of English and College Skills to offer faculty units in the RWL and classes as follows:
 - 1. Each department will offer the full minimum unit assignment to part-time faculty with ETUM status based on department classes, not including any RWL hours toward the minimum offer of assignment.
 - 2. Full-time faculty hours will be scheduled in the RWL first.
 - 3. The District will offer remaining RWL hours to part-time faculty pursuant to the Order of Schedule. For part-time faculty, the District will offer RWL hours up to the minimum ETUM assignment when added to the class assignment from the departments, but no more than 6 units of RWL.
- ii. Faculty members will have seven (7) calendar days from the time of offer to accept the assignment.
- iii. Units for RWL assignments will not count toward temporary pool status, nor toward ETUM status for either English or English Skills. Units for RWL assignments will count for maintaining ETUM status once a faculty member has attained ETUM status. A faculty member who declines a class assignment but has RWL units for that semester will not be considered to have declined an assignment for purposes of removal from the ETUM list.

6.1.6 Health Sciences Clinical Assignments. Health Sciences faculty may be required to complete drug screening and additional background checks for assignments as specified in this section.

- a. **Application.** This section shall apply to the following unit members only: those Nursing, Medical Assisting, EMT, and other Health Sciences faculty whose assigned duties include rotations in clinical sites which mandate drug testing or background checks. Said unit members shall consent to drug and background checks as required in the District's agreement with the clinical site (such as initial placement or breaks in service at a location). The terms of this section do not apply to pre-employment drug screening and background checks, which a candidate must pass to be employed.
- b. **Clinical Sites.** Upon request, the Assistant Director of Nursing or supervising dean/director shall inform UPM and health sciences faculty of which clinical sites require drug testing and/or background checks.
- c. **Notification.**

- i. The Assistant Director of Nursing or supervising dean/director shall notify unit members at least 30 days prior to drug screening of the type of test (e.g., urinalysis, blood test) and drugs included in the test. No random drug testing shall be allowed.
- ii. Background checks shall be limited to the information required by the clinical facility. The Assistant Director of Nursing or supervising dean/director shall notify unit members at least 30 days prior to the background check of the various background related information that will be reviewed (e.g., Social Security number trace, county criminal background search in any county the member has resided in the last seven years, etc.).

d. Procedure.

- i. All cost of the drug tests and background checks shall be paid by the District.
- ii. Drug tests shall be conducted at a drug testing facility recommended by the District or at any other properly-certified drug testing facility selected by the unit member.
- iii. Unit members shall receive release time for travel time to and from the test site.
- iv. The process shall adhere to the privacy protections mandated by the California Constitution.

e. Results.

- i. If results are positive, or false positive, then the results are initially and confidentially discussed with the unit member in accordance with testing protocol of the screening facility. At this time, the unit member may dispute, and/or provide additional information related to, the results to the screening facility.
- ii. If results are positive for a second testing, then the supervising dean or director is confidentially informed of positive results. At this time, the unit member may provide additional information related to the results to the supervisor.
- iii. The faculty member will provide the results of the drug screening test and background check directly to the supervising dean or director.
- iv. Unit members shall not be placed in the clinical facility until results are received and reviewed by the District that satisfy the requirements of the facility.
- v. With permission from the unit member, results of drug screening test and background check may be submitted to other clinical facilities requiring drug test certification, if permitted by the receiving facility.

- f. Possibility of Alternative Assignments.** If results are positive, the unit member may be reassigned to other nursing duties or utilize leave as allowed by the CBA. The unit member shall not be placed in a clinical facility until such time as the unit member

receives a clear drug screening test and background check. The District shall make alternative assignments for a period of up to two semesters every five years to members who have been precluded or removed from clinical assignments in connection with drug testing or background screenings.

- g. Job Postings.** Health Sciences faculty job postings shall include the following language: To ensure compliance with the substance abuse and background screening policies of the District's allied health care facilities and hospitals, post-offer, pre-employment drug screening and background checks may be conducted. Thereafter, health sciences faculty members shall be subject to drug testing and background screening in accordance with clinical affiliate agreements, which may vary by site.

6.2 Reassignments and District Directed Assignments

6.2.1 Reassignment Due to Class Cancellation. In the event that part of the load of a permanent/probationary unit member must be cancelled because of small class size, the District shall assign other courses, instructionally-related assignments, or student services activities for which the unit member is qualified so that the unit member has a full load. Courses assigned to part-time faculty may be reassigned to permanent/probationary faculty at any time before the first day of the class to ensure the permanent/probationary faculty member has a full load. Courses assigned to part-time faculty may be reassigned to permanent/probationary faculty as overload if such reassignment occurs before the first day of registration for the semester/term.

6.2.2 Reduced Load/Banked Units Due to Class Cancellation. A unit member may opt for a reduced load and/or use banked units as an alternative to being assigned instructionally-related or student service activities.

6.3 Opportunity for Contract Education Classes

6.3.1 Credit and Noncredit Contract Education. With unit member consent, unit members may be assigned credit or noncredit contract education classes subject to the approval of the outside company or the entity contracting for the class.

6.3.2 Not-for-Credit Contract Education. Unit members may voluntarily accept assignments in not-for-credit contract education offered through Community Education, subject to the following terms:

- a.** Unit members shall be paid the stipend rate; and
- b.** Unit members shall not be accorded ETUM status, nor gain credit toward ETUM status, for these assignments.

6.4 Assignment of Temporary Credit Units and Noncredit Units

6.4.1 Temporary Credit and Noncredit Units. Credit and noncredit units or their equivalent which have been allotted by the District for the Fall or Spring semester but not accepted by eligible permanent/probationary unit members shall be assigned to the following:

- a. Eligible temporary unit members, or ETUMs;
- b. Qualified temporary hiring pool members; or
- c. Expedited hires.

6.4.2 Assignments for Temporary Unit Members. Temporary assignments shall be offered on a semester-by-semester basis contingent on the availability of units (*Offer of Assignment to Temporary Faculty* form 6.A).

6.4.3 Intersession Terms and Sabbatical Leave Replacement. The scheduling priority set forth in this section 6.4 does not apply to intersession terms or sabbatical leave replacement, which may be assigned at the District's discretion.

6.4.4 Community Education/Not-for-Credit Assignments. Community Education/not-for-credit assignments are not subject to seniority preferences, nor is there an ETUM list or equivalent for such assignments.

6.4.5 Temporary Hiring Pool. For each discipline which needs to offer assignments to temporary unit members, a hiring committee shall be convened to screen, identify, and select qualified applicants for inclusion in a discipline's hiring pool. All hiring committee members must have participated in training as required by Title 5 of the California Code of Regulations, Section 53003. Candidates who have been selected for the hiring pool shall be referred to as qualified temporary hiring pool members. Once an applicant has been selected for a given hiring pool, the qualified temporary hiring pool member shall not be rescreened when subsequent hiring committees are convened to select additional applicants to the same pool.

6.4.6 Removal from Temporary Hiring Pool. Unit members may be removed from a temporary hiring pool under the following circumstances:

- a. **Resignation.** Unit members will be removed from the temporary hiring pool upon their request.
- b. **Unsatisfactory Performance.** Upon a unit member's receipt of an unsatisfactory evaluation prior to attaining Junior ETUM status, the District may remove the unit member from the temporary hiring pool or place the unit member on a performance

improvement plan. If two evaluations during the six-semester period toward attaining Junior ETUM are unsatisfactory, the unit member will be removed from the hiring pool.

- c. **Failure to Respond or Break in Service.** If, for two (2) consecutive offers of assignment, a temporary pool member declines the assignment, and/or fails to respond to the notice of offer of assignment, the District may remove the unit member from the pool after consultation with the department chair. Exceptions to removal from the pool shall be made in the event of an approved leave or a documented medical circumstance which prevented the unit member from being able to perform service or respond to the offer as applicable.
- d. **Failure to Receive Offers of Assignment.** If, for four (4) consecutive semesters, a temporary pool member is not offered an assignment, the District may remove the unit member from the pool after consultation with the department chair.
- e. **Disciplinary Action.** The District may remove from the pool a temporary pool member who is subject to discipline pursuant to Article 24. If the District intends to remove the unit member from the hiring pool(s) (in all disciplines) because of the unit member's misconduct resulting in disciplinary action, the District will provide the unit member with written notice thereof and an opportunity to respond to the notice orally or in writing to the Superintendent/President or designee prior to removal from the pool(s).

6.4.7 Eligible Temporary Unit Member (ETUM).

- a. **Definition of ETUM.** Eligible Temporary (credit and noncredit) Unit Member (ETUM) denotes any qualified temporary hiring pool unit member who has met all criteria for Junior or Senior ETUM status as set forth below. For the purposes of allocating units to temporary unit members and in compliance with California Education Code 87482.3, the ETUM category is divided into two (2) subcategories, Junior ETUM and Senior ETUM.
- b. **Effective Date of ETUM Status Benefits.** ETUM scheduling priority does not take effect until the period of scheduling following completion of all ETUM criteria, including teaching the full final semester prior to gaining either ETUM status. Scheduling priority applies prospectively only, and does not apply to classes that have been scheduled at the time of gaining either ETUM status.
- c. **Eligibility for ETUM Status.** Any qualified temporary pool member must meet the following criteria in order to achieve ETUM status within a given discipline or department:
 - i. **Junior ETUM Status**

1. **Length and Continuity of Service.** The unit member must provide service for six (6) complete semesters within six (6) year period. Service during intersession terms does not count toward attaining ETUM status.
 2. **Evaluation and Satisfactory Performance.** The unit member shall be evaluated during the first, third, and sixth semesters of employment. Any member of the evaluation team, including the unit member being evaluated, may request that the unit member also be evaluated during other semesters. The sixth semester evaluation shall be comprehensive in nature, taking into consideration the unit member's performance and evaluations over the full six semester eligibility period. If the unit member provides the required six (6) semesters of service and the comprehensive sixth-semester evaluation, including the recommendation of the evaluating supervisor, is satisfactory, the unit member shall achieve Junior ETUM status. Failure by the District to complete the sixth semester evaluation shall not impede progress toward achieving ETUM status. When a temporary pool member's evaluation is not conducted because the unit member's level of absence was so significant that it precluded evaluation, the evaluation shall be conducted in the next semester that the member works, and the timeline toward ETUM adjusted accordingly.
 3. **Discipline During Evaluation Period of ETUM.** Any semester in which a unit member has been subject to discipline that is sustained pursuant to Article 24, may not be counted toward achieving ETUM status. Any evaluation that takes place during a semester that is not counted toward ETUM per this section shall not constitute one of the evaluations required to achieve ETUM under subsection 2 above.
- ii. **Senior ETUM Status.** Any temporary unit member who meets all of the following criteria shall be considered a Senior ETUM upon verification by HR of the information submitted:
1. Completion of twelve (12) semester assignments as a Junior ETUM;
 2. The two (2) most recent evaluations as a Junior ETUM must be satisfactory; and
 3. Submission by the unit member of a completed Notice of Senior ETUM Eligibility Form to Human Resources, said form to list the twelve qualifying semesters. Submittal of the completed form is the unit member's sole responsibility. The deadlines for submission of the form are:

- For designation of Senior ETUM status at the conclusion of a Fall semester, the unit member must submit the Notice of Senior ETUM Eligibility Form no later than October 1 of that semester.
 - For designation of Senior ETUM status at the conclusion of a Spring semester, the unit member must submit the Notice of Senior ETUM Eligibility Form no later than March 1 of that semester.
4. Any failure by the District to evaluate a Junior ETUM within the time periods prescribed in Article 7 shall not impede said member's progress toward achieving Senior ETUM status. When a Junior ETUM's evaluation is not conducted because the unit member's level of absence was so significant that it precluded evaluation, the evaluation shall be conducted in the next semester that the member works, and the timeline toward ETUM adjusted accordingly.
 5. **Discipline During Evaluation Period of ETUM.** Any semester in which a Junior ETUM has been subject to discipline that is sustained pursuant to Article 24, may not be counted toward achieving Senior ETUM status.
- d. **Ranking of ETUMs.** Ranking of ETUMs for purposes of unit assignments shall be determined by seniority based on first date of hire as a Junior ETUM within that discipline. If there is a tie, rank shall be determined by the number of units taught at the District in the prior three (3) fiscal years. If there is a tie in both the first date of hire and the number of units taught, rank will be determined by a one-time lottery.
 - e. **ETUM Application for Assignment in Other Disciplines.** ETUM status is attained for a particular discipline. Individuals who qualify as ETUMs in one discipline are not precluded from applying for assignments in other disciplines for which they are minimally qualified.
 - f. **Loss of ETUM Status.**
 - i. **Resignation.** Unit members will be removed from the ETUM list upon their request.
 - ii. **Break in Service.** If, for three (3) consecutive offers of assignment, an ETUM declines the assignment, and/or fails to respond to the notice of offer of assignment, the unit member shall lose ETUM status in that discipline. Exceptions to removal from the list shall be made in the event of an approved leave or a documented medical circumstance which prevented the unit member from being able perform service or respond to the offer as applicable. A unit member who has lost ETUM status due to a break in service shall be placed back into the appropriate temporary hiring pool. The unit member may reapply for ETUM status upon meeting all criteria for Junior or Senior ETUM again.

- iii. **Unsatisfactory Performance.** ETUMs who receive an unsatisfactory evaluation during a scheduled evaluation shall be provided with a written plan of remediation which the ETUM shall implement during the following semester of assignment. Subsequent, off-schedule evaluations may be requested by the evaluator or ETUM to assess the ETUM's performance and the ETUM's successful implementation of the written plan for remediation. The receipt of two (2) unsatisfactory evaluations within a six (6) semester period shall result in the loss of ETUM status. A unit member who loses ETUM status due to unsatisfactory performance shall not be placed in the discipline's temporary hiring pool.
- iv. **Disciplinary Action.** The District may terminate a unit member's ETUM status if the unit member is subject to discipline pursuant to Article 24. If the District intends to terminate a unit member's ETUM status (in all disciplines) because of the unit member's misconduct resulting in disciplinary action, the District will provide the unit member with written notice thereof and an opportunity to respond to the notice orally or in writing to the Superintendent/President or designee prior to termination of ETUM status. In such case, the District may, in its sole discretion, place the unit member back in the hiring pool(s) to be considered for future assignments, or may remove the unit member from the temporary hiring pool(s).
- v. **Requalification for ETUM status.** A unit member who loses ETUM status may seek to regain ETUM status after meeting all criteria based on service performed after loss of ETUM status only; prior semesters of service shall not be counted toward ETUM status. If a unit member loses ETUM status and then subsequently regains ETUM status, the seniority of the unit member shall be based on the date ETUM status was reinstated.

6.4.8 Notification.

- a. Each semester, the District shall provide the temporary unit member with a written notice of the offer of assignment. (Form 6.A) The notice of offer shall be sent on Form 6.A to the unit member's District email. It is the unit member's responsibility to monitor their District email for communications related to assignments.
- b. The notice of offer shall state that the deadline to respond is seven (7) calendar days from the date of issuance. It shall be the responsibility of each unit member to respond in writing to the notice of available assignments by the deadline. A unit member's failure to respond by the deadline will be deemed a rejection of the offer.

6.4.9 Unit Allocation. Units shall be allocated to temporary unit members as specified in this section.

- a. **Maximum Unit Allocation.** No part-time unit member shall be assigned more than a total of 67% of the hours per week considered a full-time equivalent workload for the semester except as specifically allowed by the Education Code with the approval of Human Resources. It is the intent of this section to apply the 67% calculation consistent with Education Code section 87482.5.
- b. **Minimum Unit Allocation to ETUMs.**
 - i. **Junior ETUM.** Each semester, in any discipline where there are available temporary credit or non-credit units, Junior ETUMs shall be offered, in ranked order, the available units until that Junior ETUM has reached a minimum load of 40%. So long as the member is offered a minimum load of 40% across all disciplines, the District is not required to offer additional units.
 - ii. **Senior ETUM.** Each semester, in any discipline where there are available temporary credit or non-credit units, Senior ETUMs shall be offered, in ranked order, the available units until that Senior ETUM has reached a minimum load of 60%. So long as the member is offered a minimum load of 60% across all disciplines, the District is not required to offer additional units.
 - iii. **Allocation of Remaining Units.** Any remaining available units in a department or discipline after each Junior ETUM has been offered a unit allocation between 40-67% and each Senior ETUM has been offered a unit allocation between 60-67%, may, at the discretion of the District, be assigned to any ETUMs on the discipline list, eligible temporary hiring pool members, or expedited hires, as long as the total workload for any temporary unit member does not exceed 67%.

6.4.10 Expedited Temporary Hiring.

- a. **Definition.** “Expedited Temporary Hiring” refers to the hiring of an individual into a temporary academic position using the expedited selection process set forth in AP 7212 and in this section. Neither this section nor AP 7212 regulates the hiring of short-term substitutes or emergency hires, as those terms are used under the Education Code.
- b. **Expedited Hiring Procedures.** The screening committee for an expedited temporary hiring shall contain at least one but no more than two unit members appointed by the Academic Senate President with the advice and consent of the Academic Senate. Individuals who are hired through an expedited process (“expedited hire”) shall not be placed in the qualified temporary pool, except as provided herein.
- c. **Circumstance of Use.** Using the expedited selection process, the District may offer units or their equivalent to an external candidate who, in the absence of available and minimally qualified permanent/probationary unit members or ETUMs, is needed on any

basis permitted by law. The District may offer assignments to an expedited hire without exhausting the temporary hiring pool. In addition to filling temporary credit or noncredit units, the provisions of this section and the expedited hiring process described in AP 7212 shall also be used for the screening of external candidates to fill long-term substitute positions.

- d. Limitations on Duration of Expedited Hire Status.** No unit member may serve as an expedited hire for more than six (6) semesters of employment. Upon the conclusion of the sixth semester, if the Department has not conducted a temporary hiring pool recruitment and the unit member has received two satisfactory evaluations over the six-semester period, then the unit member will be placed in the temporary hiring pool and may advance to ETUM status pursuant to this Article 6.
- e. Application of Expedited Hire Service for ETUM Status.** No unit member may gain ETUM status without becoming a qualified temporary hiring pool member, except as set forth immediately above. A unit member who served as an expedited hire and subsequently becomes a qualified temporary hiring pool member may apply semesters of service as an expedited hire in the discipline toward gaining ETUM status.
- f. Termination of Expedited Hire Status.** A unit member's status as an expedited hire may be terminated for the same reasons that a unit member may be removed from a temporary hiring pool.

6.5 Temporary Assignments for Student Recruitment and Enrollment

When the District employs K-12 faculty and staff to supervise tutoring or teach basic skills courses at a K-12 site, the following provisions shall apply:

- a.** The assignment shall be considered a specialty skills course.
- b.** The employee shall be hired as an expedited hire.
- c.** Employment in this category does not make the employee eligible for ETUM status.
- d.** There is no limit to the number of semesters for which a unit member may serve as an expedited hire pursuant to this section.

6.6 Temporary Unit Member: Advancement to Interview

Temporary (credit and noncredit) unit members in all disciplines, with a minimum of five (5) years of employment (i.e., a total of ten (10) semesters or fifteen (15) quarters) with the District, shall be automatically advanced to the interview stage of the hiring process for all permanent positions for which they apply and are minimally qualified.

6.7 Substitutes

6.7.1 Definition. A substitute is an employee who fills in for a unit member who is absent from work. A short-term substitute refers to temporary assignments lasting twenty (20) working days or fewer. Long-term substitutes refer to temporary contract assignments.

6.7.2 Eligibility for Substitute Assignments. Permanent/probationary unit members, ETUMs, temporary hiring pool members, and expedited hires who meet the minimum standards for teaching in a particular discipline, as identified by the Chancellor's Office of California Community Colleges, shall be considered eligible and given priority over external candidates for short-term substitute positions.

6.7.3 Short-Term Substitutes.

- a. **Procedure for Assigning Paid and Unpaid Short-Term Substitutes.** Members shall notify their deans or their designees as soon as possible when they are going to be absent from work, including whether the absence will be during any scheduled assignments. If the absence is expected to occur during a scheduled assignment, the unit member shall do one of the following:
 - i. Cancel the affected class(es) and/or assignments and provide notice of the cancellation to the department chair and dean;
 - ii. **Arrange a voluntary unpaid substitute** (see Section 5.17) where the following criteria are met:
 1. An eligible substitute is available and willing to serve as the substitute; and
 2. For instructional assignments, the unit member provides the unpaid substitute with a lesson plan, lecture, or other instructional materials consistent with the course syllabus.
 - iii. **Request a paid substitute.** Requests for paid substitutes shall be processed as follows:
 1. Requests made with less than twenty-four (24) hours' notice shall be denied and the member shall not arrange for a paid substitute. Twenty-four (24) hours is measured as the time between when the dean or designee has actual notice of the request and the start time of the impacted class. Under exceptional circumstances and at the sole discretion of the Vice President, the District may waive the twenty-four (24) hour period and authorize a paid substitute. This decision shall not be subject to the grievance process.

2. Requests made with at least twenty-four (24) hours' notice shall be approved if the following criteria are met. Otherwise, class shall be cancelled:
 - a. An eligible substitute is available; and
 - b. For instructional assignments, the unit member provides the substitute with a lesson plan, lecture, or other instructional materials consistent with the course syllabus.
 3. If the use of a paid substitute is approved, the department chair shall identify the qualified and eligible substitutes, and in consultation with the unit member where feasible, recommend to the dean a person to serve as a substitute.
- b. Compensation for Short-Term Substitutes.** Hours worked as a paid short-term substitute shall be paid at the stipend rate and shall not be counted toward the percentage of a full-time load. When determined to be appropriate by the area dean, paid short-term substitutes shall be compensated at the stipend rate for work that is completed outside of the classroom. Hours worked outside the classroom must be approved and monitored by the area dean and paid by timecard.

6.7.4 Long-Term Substitutes.

- a. **Duties.** A long-term substitute is responsible for delivering the required curriculum, creating lesson plans, preparing and administering tests, grading tests and assignments, holding office hours, and administering final grades when needed. A long-term substitute is the instructor of record until such time as the absent unit member returns to duty, or the substitute is otherwise released from the assignment, whichever occurs first.
- b. **Compensation.** Payment of long-term substitutes shall be prorated at the unit rate.
- c. **Appointment of Long-Term Substitutes.**

A long-term substitute shall be offered a contract in the following situations:

- i. **Absences Expected to Last Longer Than Twenty (20) Working Days.** When a member is absent from work, and the District receives medical or other authoritative documentation that the member is not expected to return to work for a period lasting longer than twenty (20) working days, a long-term substitute may be

assigned for all remaining days of the semester that the member continues to be absent.

- ii. **Absences Lasting Longer Than Twenty (20) Working Days.** When a member has been absent for twenty (20) working days, and a long-term substitute has not been assigned, a long-term substitute shall be assigned for all remaining days that the member continues to be absent.

d. Offer of Long-Term Substitute Positions.

- i. Contracts for long-term substitute positions shall be offered in the following order and based on seniority before consideration of other eligible applicants:
 - 1. Permanent/probationary unit members (the District may authorize exceeding the overload limit for such substitute positions); and
 - 2. ETUMs so long as the ETUM's load, including the substitute assignment, does not exceed 67% of a full-time load except as specifically allowed by the Education Code.

This subsection (i) shall not apply to sabbatical leave replacements, nor to substitute positions that begin as a short-term substitute assignment.

- ii. The District shall not be required to split long-term substitute assignments with a single CRN.
- iii. The District may offer a long-term substitute contract to a temporary hiring pool member or qualified external candidate who, in the absence of available permanent/probationary or ETUM faculty (except as provided in subsection i above), is needed to fill a long-term substitute position. Selection of an external candidate shall use the expedited hiring selection process.

6.8 Voluntary Temporary Transfer

A permanent unit member may voluntarily be reassigned from one discipline or department (referred to in this section as "department") to another, or the unit member may divide assignments and/or duties between departments, if the unit member follows the procedures below and obtains the approval of the receiving department and the dean.

6.8.1 Application Procedures.

- a. **Application Procedure.** For consideration, the unit member must submit a letter of interest to the receiving department chair, with a copy to the home department chair

and the dean(s). The receiving department chair shall review the request on the basis of the criteria listed in Section 6.8.2. If the criteria are met, the receiving department chair shall convene an interview panel consisting of the chair, the dean, and one or two other members of the receiving department selected by the Academic Senate President or designee.

- b. Interview.** If the criteria are met, the interview panel will interview the unit member. The panel will determine whether to recommend the unit member for assignments within the department based on the department's programmatic needs, including availability of ETUMs. The interview panel's recommendation will be subject to review by the Superintendent /President or designee. The Superintendent/President or designee may accept or reject the interview panel's recommendation based on the receiving department's and the home department's programmatic needs.

6.8.2 Criteria for Evaluation of Voluntary Temporary Assignment Request.

- a. Minimum Qualifications.** A unit member must have achieved permanent status and possess the minimum educational qualifications to teach or provide service in that discipline or department, as identified by the Chancellor's Office of California Community Colleges.
- b. Home Department Program Considerations.** In order for a voluntary temporary assignment request to be approved, the home department chair shall determine if there is a replacement for the assignee who, at the time of the request:
 - i.** is a permanent/probationary unit member, an ETUM, or a temporary hiring pool member;
 - ii.** is willing and available; and
 - iii.** meets the minimum educational qualifications.

6.8.3 Assignment of Voluntary Transfer Units

- a. Notification of Temporary Units.** When a receiving department has temporary units available which the department would like to offer to a voluntary transfer, the receiving department will notify the unit members who have been recommended for assignments through the voluntary transfer application process. The receiving department will send a copy of the notification to the home department chair and the dean(s). At that time, the unit member may request units, subject to the approval of the home department dean for that semester based on the home department program considerations in Section 6.8.2.b.

- b. Seniority.** If two or more unit members who have been recommended for assignments through the voluntary transfer application process request temporary units, and are approved by the home department dean for the semester, then the permanent unit member with the most seniority shall have preference for temporary units. Seniority is determined by the start date of the unit member's first probationary contract assignment at COM.

6.8.4 Evaluation During Voluntary Assignment. During any semester in which a unit member is scheduled for an evaluation and is otherwise eligible for a voluntary transfer, the unit member shall be assigned at least one class (or the non-instructional equivalent) in the unit member's home department, and shall attend department meetings of the home department and otherwise engage in professional activities related to the home department that are subject to evaluation.

6.9 Voluntary Permanent Transfer

Voluntary permanent transfers shall be provided on the basis of open competition for the available position.

6.10 Involuntary (Temporary or Permanent) Transfer

(Form F 6.B Notice of Involuntary Transfer)

6.10.1 Reason for Involuntary Transfer. A credit unit member may be involuntarily transferred from one (I) department to another, or required to divide the unit member's assignments and/or duties between departments, under one or more of the following circumstances:

- a.** The District demonstrates that there is a significant reduction in the need for the services provided by unit members, or
- b.** The District demonstrates that there is a valid programmatic need for the transfer. A written reason for the transfer shall be provided.

6.10.2 Notice Period. Except in unusual circumstances due to resignation, death, illness, accident, or other emergency, the District shall give the unit member to be transferred notice: a) at least twenty (20) calendar days prior to the beginning of the semester; or, b) if the involuntary transfer shall result in a new preparation (the unit member has not taught the course within the prior five years), at least sixty (60) calendar days prior to the beginning of the semester. The notice shall state the involved course(s)/assignment(s) being dropped and added.

6.10.3 Vacancy Consideration. For up to 24 months (probationary) or 39 months (permanent) from the date of transfer, a unit member involuntarily transferred shall be offered any equivalent vacancies declared in the department from which the unit member was transferred if the unit member was transferred because of a significant reduction in the need for services or the District determines that the programmatic needs that resulted in the transfer have changed.

6.10.4 Reduced Load/Banked Units Regarding Involuntary Transfer. A unit member may opt for a reduced load and/or use banked units as an alternative to an involuntary transfer.

6.11 Relocation of Unit Members

Notwithstanding the negotiability position of either party on the subject of office reassignments, the District shall use the following guidelines for office assignments except for reassignment into transitional space during the District's Measure "B" funded modernization process. Minimum requirements for office allocation include:

- a. Each permanent/probationary unit member shall be assigned to an office which shall be heated, ventilated, safe, and secure. No member may relocate without written management authorization.
- b. The District shall provide comparable and necessary office furniture.
- c. Office reassignments shall not result in a change in the level of support services.
- d. Placement in individual or group offices shall replicate the permanent/probationary unit member's prior office arrangements with respect to individual or group office arrangement, or be acceptable as a new arrangement.
- e. Future capital-building allocations shall give high priority to the creation and assignment of comparable office spaces for unit members not otherwise placed in acceptable offices (e.g., comparable offices).
- f. The District shall provide space to maintain faculty and student confidentiality.
- g. The District shall provide the same level of technology hardware, software, and support with respect to relocation of office assignments.

6.12 Exclusion of Child Study Center

Except for subsections c, i, and k of Section 6.1.3, all other provisions of Article 6 do not apply to unit members assigned to the Children's Centers. Furthermore, unit members assigned to other disciplines shall not be assigned/transferred to the Children's Centers.

ARTICLE 7 - EVALUATION

7.1 Evaluations

7.1.1 Purpose

The purpose of faculty evaluations is to assess the work performance of the faculty member, provide feedback to each faculty member for improvement, take appropriate corrective action where needed, and assist the District in determining whether to reemploy or continue to employ faculty.

7.1.2 Classroom Visits

Unannounced classroom/work site visits may occur as a management prerogative for supervisory oversight, but will not be used as part of the formal evaluation process.

7.1.3 Evaluation Forms and Procedures

- a. All unit members are entitled to a clear, fair, and equitable evaluation procedure.
- b. Unit members will be evaluated using the forms, procedures, and criteria as reflected in this Article 7.
- c. Child Development Program instructors, coaches, Community Education instructors, counselors, ESL faculty, the health center nurse, librarians, mental health counselors, nursing faculty, instructors with only Reading and Writing Lab assignments, and other unit members employed in primarily non-classroom environments will be evaluated using the forms and procedures specific to those positions as described herein.

7.1.4 Off-Site Clinical/Laboratory Facility Evaluation

Unit members assigned to off-site clinical or laboratory facilities (e.g., hospitals, dental offices, childcare centers) may be observed at the off-site location as part of the evaluation.

7.2 Evaluation Forms

Unit members will be evaluated using some or all of the following forms as applicable for their employment type (permanent, probationary, or part-time) as described in this Article, in addition to any forms referenced in the Specialty Evaluations Forms and Procedures section below:

7.2.1 Classroom Observation Plan Form

The faculty member will complete a **Classroom Observation Plan Form (F.7.A)** and submit it to the Evaluation Team member that is observing them one week prior to each classroom visit.

7.2.2 Classroom Observation

When an Evaluation Team member observes a class, they will complete the **Classroom**

Observation Form (F.7.B). The Evaluation Team will decide which class(es) to observe. If the class section observed is a distance education section, the Evaluation Team member will have access to, and will review instruction and faculty-student interaction through, the course content management system. When the Evaluation Team member observing a class is an administrator, the faculty member may choose to have a UPM representative present for the observation. - a. an unsatisfactory evaluation in the previous cycle;
- b. a decline in performance since the last evaluation;
- c. concerns related to the unit member's work performance which arise from student feedback data outside of an evaluation year when such concerns are raised by more than one student or indicate a pattern of behavior by the unit member; or

8.6 Intersession Assignment

An intersession assignment is a voluntary assignment during an authorized intersession. Except for the special circumstances regarding courses and other duties extending beyond the regular semester as defined in Section 8.8 (Extended Work Year), this assignment is outside the regular assignment and may occur only for a period between the last day of the spring semester and the first day of the following fall semester, or between the last day of the fall semester and the first day of the following spring semester or during the unassigned hours of a unit member working a fiscal year. It shall not include activities such as field trips which take place during the intersession period but which are part of a course taught during the regular academic year. In advance of the intersession scheduling deadline, and prior to the assignment of intersession work, department chairs shall distribute a notice of the proposed intersession schedule to all permanent/probationary unit members who meet minimum qualifications. Department chairs shall accept requests for intersession assignments. If the number of permanent/probationary applicants exceeds the number of available unit assignments, intersession assignments shall be awarded on a rotational basis to permanent/probationary unit members regularly assigned to that department or service. The remaining unassigned intersession units shall be filled at the District's discretion.

8.7 Permanent Unit Member - Reduced Load

8.7.1 Reduced Load. A reduced load requested for professional or personal reasons may be granted to a permanent unit member (Form 8.E Reduced Load Application form). Reduced loads granted by the District in connection with a disability-related reasonable accommodation or other legal duty to provide a reduced load shall not be subject to the provisions of this section except that salary and benefits on reduced load shall comply with the terms of this section. Unit members wishing to have a reduced load with no pay (no assignment and no use

of banked units) may apply for unpaid leave under Article 5.

8.7.2 Salary and Benefits on Reduced Load. Unit members' salary shall be reduced proportionate to the reduction in load. The District's fringe benefits under Article 4 shall continue in full as permitted by the insurance carrier, and the unit member shall advance on the salary schedule unless a permanent unit member elects a reduced load to less than sixty percent (60%) in one (1) year, in which case District benefits and advancement on the salary schedule shall be reduced proportionately.

8.7.3 Minimum Unit Load. A unit member must be assigned a minimum of eighteen (18) units per year, or nine (9) units if the reduction is for one (1) semester; however, a reduction to less than sixty percent (60%) shall be for no more than two consecutive fall/spring or spring/fall semesters.

8.7.4 Application for Reduced Load. A permanent unit member shall apply to the UDWC for reduced loads (Form 8.E Reduced Load Application form). Requests should be submitted to the department chair or manager at least four (4) weeks prior to the deadline date for chairs to submit scheduling materials to the dean for the semester in which the proposed leave would occur. UDWC may waive this deadline at its discretion for special circumstances.

8.7.5 Criteria for Granting Requests for Reduced Load. UDWC shall consider requests for reduced loads on a case-by-case basis, and may, by majority vote, recommend reduced loads to the supervising Vice President based on the following criteria:

- a. Reduced loads not exceeding three (3) units, one course, or 20% of non-credit or noninstructional load shall be approved if the criteria in subsections c and d are met.
- b. Requests in excess of 20%, shall require demonstrated need in at least one of the following categories, 1) personal necessity (which may include medical reasons; unit members may also or instead seek an accommodation for medical conditions from the District under Article 26), 2) educational, 3) financial, and/or 4) job-sharing.
- c. The District must be able to secure reliable part-time coverage or to leave the assignment vacant, at the District's discretion, for the classes the unit member is not teaching (instructional faculty) or the time the unit member is not working (non-instructional faculty). The unit member requesting reduced load must discuss this with the chair and supervising administrator prior to submitting the request to UDWC to ensure coverage can be secured if necessary, or that coverage is not necessary as determined by the supervising administrator after consultation with the chair.
- d. Unit members may be on reduced load for up to two years. UPM and the District may extend or waive this time limit in cases of serious personal hardship. Unit members wishing to request an extension or waiver should contact UPM.

8.7.6 Reduced Load for Non-Instructional Unit Members. Non-instructional unit members may, subject to the limitations and criteria in this article, reduce their workload by selecting a single block of consecutive dates or specific dates and/or times within a semester (or fiscal year assignment) equivalent to the permissible reduced load for instructional faculty.

8.7.7 Denial of Reduced Loads. Upon the request of a unit member whose application is not approved, UDWC will provide an explanation.

8.8 Extended Work Year

All unit members may perform unit work outside the 175 days of the academic year as part of the unit member's regular load, subject to the following conditions:

- the course or other unit work commences in the regular semester and at least 75% of the course or duty takes place during the regular semester;
- compensation for that part of the course or duty that goes beyond the regular semester shall be at the same rate as provided for service during the 175 days of the academic year; and
- the work is accepted by the unit member on a strictly voluntary basis.

In no case shall the provisions of this section contravene the work year provisions for counselors or for coaches, nor shall it affect the current practice with regard to field-trips that are held outside the semester but are part of a regular semester course.

8.9 Lecture/Laboratory for Credit/Noncredit Course Workload

8.9.1 Operational Definitions. The following operational definitions shall be used in the assignment of credit courses teaching units and/or service hour values:

Category A: Lecture

The presentation of course content in a classroom under supervision of the instructor of record. The course content, in accordance with the official course outline, may be complemented by discussion, presentations, role playing, small group activities and field trips. Lecture may stand alone without any attached lab experience.

Category B-1: Studio

The presentation of course content in a studio setting under the direct supervision of the instructor. Students are expected to prepare for and engage in theatrical or fine arts assignments, which are discussed, critiqued and monitored continuously by the instructor. Instructor supervised demonstrations and performances are designed to assist the student in reaching a satisfactory level of skill through repeated exercises.

Category B-2: Laboratory

The presentation of course content in a laboratory setting under direct supervision of the instructor of record. Students are expected to prepare for upcoming lab sessions. Students are performing experiments and recording results in lab reports. Generally, experiments are not repeated for skill building. Laboratory exists as an integral part of the course for proof of learning and may or may not be taken in conjunction with the lecture component of the class.

Category B-3: Math Lab and Reading and Writing Lab

Instructors provide one-on-one and small group instruction for students in the math laboratory and Reading and Writing Lab. Students learn via working in small groups with other students and one on one with the instructor.

Category C: Practicum

The presentation of course content in a practicum or clinical setting, under direct supervision of the instructor of record. Students may be directed to the use of media, computer technology or patient experience. Students may proceed at the direction of the instructor or preceptor at his/her/their own pace for advancement to a higher level within the course content. Students not involved in independent activity may be involved in direct one on one communication with the instructor of record. Practicum is where students require a high amount of practice with instructor supervision to reach the level of skill required for specific courses within the discipline.

Category D: Activity

The presentation of course content in an activity setting under direct supervision of the instructor of record. The student participates, under continuous direction, monitoring and correction by the instructor, in course activities to enhance psychomotor skills. Activity is where the student participates with the instructor acting as leader and/or facilitator of the activity.

8.9.2 Lecture/Laboratory Unit Values: The following lecture/laboratory unit values shall be used in the assignment of teaching units and/or service hour values:

Category A: One Hour = 100% of a teaching unit

Category B1: One Hour = 83% of a teaching unit

Category B2: One Hour = 83% of a teaching unit

Category B3: One Hour = 75% of a teaching unit

Category C: One Hour = 70% of a teaching unit

Category D: One Hour = 67% of a teaching unit

8.9.3 Procedure for Assigning Lecture/Laboratory Unit Values

- a. Any time during the academic year, a department may modify the official course outline to reflect the actual course or propose a course outline for a new course.
- b. The modified or new course outline must be submitted by the department chair to the Curriculum Committee for its review and recommendation.
- c. The Curriculum Committee shall forward the course outline to UDWC for review of teaching units proposed to be assigned to the course if the course does not fit within the categories for lecture/laboratory unit values outlined above.
- d. If the UDWC cannot reach a majority recommendation for a unit assignment, UDWC will refer the item to the Labor Management Committee for negotiations.

- iv. UDWC shall forward the candidates that it considers, by majority vote, to be well qualified for the position. UDWC shall nonetheless send forward at least two candidates unless by a majority vote the UDWC concludes that there are not two minimally-qualified candidates. The UDWC may meet with the Vice President regarding its recommendation(s). Upon the request of a unit member whose application is not recommended to the Vice President, UDWC will provide an explanation.
- v. The supervising Vice President shall make the final selection based on UDWC's recommendation(s) and the selection criteria.

8.15.5 Term and Removal. Coordinators shall serve for two (2) years. All previous coordinators, including the incumbent, may apply for subsequent terms. A coordinator may resign or be removed under any of the following conditions:

- a. The coordinator resigns in writing to the District.
- b. The District determines, at its discretion, to cease staffing the coordinator position in question at the end of the current academic year.
- c. The coordinator ceases to meet the eligibility criteria.
- d. The coordinator fails to perform the responsibilities associated with the position.

If the coordinator is associated with a specific department or discipline, then departmental and/or discipline unit members have the authority to remove a coordinator from office for failure to perform the responsibilities of the position. Removal from office by departmental unit members is not subject to the grievance procedure.

The District may remove a coordinator from office for failure to perform responsibilities of the position. Upon request of the unit member or UPM, the District will provide a written explanation for the removal. A coordinator who has held the position for at least two semesters may use the existing contractual grievance procedures if the removal is unfounded, arbitrary, capricious, or in violation of any CBA terms.

8.16 Managers: Teaching

8.16.1 A manager may be assigned to one (1) credit class per year, except that there shall be no limit on the number of contract education courses offered in the community service program which a manager may be assigned. In the event that no unit member volunteers to instruct the leadership course for student officers, the District may assign a manager to teach said course. If it becomes necessary to assign a manager to teach more than one (1) credit class, the District will provide UPM with at least ten (10) days' notice and an opportunity to negotiate the decision and effects of the proposed assignment on mandatory subjects of bargaining. For purposes of this section, a credit class is defined as one (1) class or three (3) units, whichever is larger.

8.16.2 Managers shall not perform unit member duties if any qualified unit member is on partial or complete layoff, has rehire rights, and is willing and available to return and perform the available duties.

ARTICLE 9: CALENDAR AND FLEX CALENDAR PROGRAM

9.1 Academic Year/Final Examinations

The academic year for credit classes shall consist of two (2) semesters of a maximum of seventeen and one half (17.5) workweeks each and shall include the time used for administering any final exam. For unit members, the academic year shall be no more than one hundred seventy-five (175) days. Sundays and holidays shall not be counted as days of the academic year. The hours assigned for final examinations shall not exceed the hours per week for the scheduled course.

9.2 Commencement

Commencement shall be held during the last week of the spring semester. Fifty percent (50%) of the permanent/probationary unit members who are not assigned to other duties shall attend and participate in commencement exercises of two hours duration. The District will designate permanent/probationary unit members beyond volunteers who must attend, however, no permanent/probationary unit member shall be required to attend two consecutive commencement exercises. Failure to attend an assigned commencement exercise shall constitute an absence (failure to report said absence shall make the employee subject to Article 24).

9.3 Academic Calendar

The academic calendar year shall be in conformance with the calendar established by the District. It is the expressed intent of the District and of UPM to accept the results of a joint committee on the calendar.

9.3.1 Children's Center Calendar. The Children's Center Calendar shall be the same as the academic year calendar.

9.4 Calendar Committee

The Calendar Committee composed of two (2) members, one (1) appointed by UPM and one (1) appointed by the District, shall submit a calendar proposal for the following academic year and

for intersession(s) by November 1 for ratification by UPM and the District. If the Committee is unable to agree on a calendar by that date, or either party fails to ratify the Committee proposal, the calendar shall become subject to negotiations upon request by UPM. UPM recognizes that, if the parties do not agree on the calendar by December 15, it will be necessary for the District to publish a calendar, pending further negotiations on the issue.

9.5 Intersession/Noncredit Offerings

The Board may establish intersessions.

9.6 Holidays

Holidays shall be those stated in the relevant sections of the California Education Code for the District. Consistent with Education Code Section 84890 and Title 5 California Code of Regulations Sections 55702, 55720, 55722, 55724, 55726 and 55728, a flex calendar may be in effect.

9.7 Mandatory Staff Development

Mandatory professional development shall be scheduled for no more than two (2) days: one four-hour day preceding the first day of instruction of the fall semester, and one four-hour day preceding the first day of instruction of the spring semester. These days will be dedicated to two (2) hours for District directed presentations and two (2) hours for department meetings each semester. Part-time faculty with conflicting work assignments at other districts are encouraged but not required to attend these two days of mandatory professional development. In addition, prior to the first semester of employment newly-hired unit members must attend one orientation day which will precede the mandatory staff development day for all faculty.

9.8 Flex Obligation

9.8.1 Full-Time Faculty. The flex obligation for full-time faculty is forty (40) hours per academic year (calculated based on twenty (20) hours per semester). Full-time faculty must earn and report flex hours during the academic year on an annual basis.

9.8.2 Part-Time Faculty. The flex obligation for part-time faculty is prorated based on a full-time load flex obligation equivalent to twenty (20) hours per semester. Part-time faculty must earn and report flex hours during the semester.

9.9 Training Mandated by State and Federal Law

Where training is required by state or federal law, the District shall provide the training to the affected unit members. This District-sponsored mandatory training shall be scheduled for a maximum of four (4) hours per day either during the flex days or throughout the academic year so that attendance by unit members constitutes a valid flex activity. The District also shall offer at least one make-up training session for faculty who did not attend the flex day training. Make up training will be scheduled during the contractual work week.

In the event mandatory training requires more hours than those dedicated to flex, additional hours of training shall be scheduled within the contractual work week and the parties will negotiate fair compensation for the additional hours. The District and Professional Learning Committee may also identify non-District sponsored “offsite” training that satisfies the particular legal requirement that unit members may attend in lieu of the District-sponsored training.

ARTICLE 10: CLASS SIZE

10.1 Minimum Class Size

10.1.1 Standard Minimum Class Size. The class size for credit classes shall ordinarily be no less than fifteen (15) enrollees while College of Marin maintains its status as a Basic Aid District.

10.1.2 Exceptions to Standard Minimum Class Size. Exceptions to the minimum of fifteen (15) enrollees may be made by the District for reasons including, but not limited to, classes:

- a. Required for graduation;
- b. Required for a major;
- c. Required for a transfer sequence;
- d. Required for a career;
- e. Required for completion of a certificate;
- f. Offered infrequently;
- g. Offered only in limited classroom or laboratory facilities;
- h. That are part of an experimental or pilot program;

- k. That, if cancelled, would constitute a financial hardship to the District or educational disadvantage to the student;
- l. Necessary for a permanent/probationary unit member to make load where no other courses are available for which the unit member is minimally qualified.

10.2 Maximum Class Size

10.2.1 Maximum Class Size.

- a. The maximum class size for courses is set forth in the course outline of record and approved by the Curriculum Committee, with UDWC approval as necessary. The

Curriculum Committee will maintain a current list of class size maximums (matching those in the course outlines of record) as set forth in the **Class Size List** attached as **Appendix B**.

- b. A section's maximum class size will be either the maximum class size limit or the number of seats or stations available in the assigned classroom, whichever is lower.
- c. Faculty may allow more students to enroll in a section provided there are adequate seats or stations in the assigned classroom and the greater enrollment complies with maximum room capacity and other health and safety restrictions.

10.2.2 Procedure for Setting Maximum Class Size. Departments may request class size maximums on the course outline of record (not by section). Requests will be sent by the Department Chair to the Curriculum Committee, which will determine whether to approve or recommend a class size maximum based on the following factors:

- a. Accreditation requirements;
- b. Articulation requirements;
- c. Combined lecture sections for multiple lab sections;
- d. Enrollment considerations (such as open entry and exit);
- e. Oversight body licensing requirements;
- f. Pedagogical reasons;
- g. Class size maximums for similar courses;
- h. Recommendations from national organizations (for example, American Chemical Society, American Association of Physics Teachers, American Physics Society, National Council Teachers of English);
- i. State and federal laws and regulations; and
- j. Budget and financial considerations.

10.2.3 Review by UDWC. The Curriculum Committee will forward its recommendation to make an exception to the standard class size limit to the Union-District Workload Committee when the Curriculum Committee: 1) cannot reach a majority decision; 2) recommends a class size for a new course; or 3) recommends a class size below the existing maximum on the course outline of record. In other situations, the Curriculum Committee decision will be

reflected on the course outline of record without review by UDWC. When maximums are referred to UDWC, UDWC will set the class size limit. If the UDWC cannot reach a majority decision for a class size limit, UDWC will refer the item to the Labor Management Committee for negotiations.

10.3 Class Size – Child Development Program

Class size shall be determined by the California State Regulations governing children's center licensing. Required staff/child ratios shall not include licensed teachers when they are fulfilling their assigned hours other than classroom hours. For reasons of safety the District will make every effort to assure there are at least two staff on duty at all times. Minimum staff ratios shall be adjusted as necessary to reflect changes in California State Regulations (California Code of Regulations (CCR) Title 22). Except as specified herein, all other provisions of Article 10 do not apply to unit members assigned to the Child Development Program.

ARTICLE 11: SAFETY

(Entire Article Applicable to Children's Center Unit Members)

11.1 Safe Work Environment.

It shall be a responsibility of the District to provide and maintain a physically safe and healthy work environment. The District, the UPM and each unit member will cooperate in the objective of eliminating accidents and health hazards in compliance with the California Occupational Safety and Health Act of 1973, and any other relevant legislation.

11.2 OSHA Regulations.

The District and the unit member shall comply with OSHA regulations.

11.3 Safety Committee

11.3.1 Composition. At the request of UPM or the District, the Safety Committee shall be convened on an ad-hoc basis to address particular safety concerns. The Committee shall be composed of four (4) members, two (2) appointed by the UPM President or designee and two (2) appointed by the Superintendent/President or designee.

11.3.2 Charge. The Safety Committee shall meet to review safety conditions consistent with the purpose for which the Committee is convened.

11.3.3 Emergency Conditions. If the Committee is convened to address a serious and immediate safety hazard the Committee shall present its recommendations to the Superintendent/President who shall respond within forty-eight (48) hours.

11.3.4 Non-Emergency Conditions. Under non-emergency conditions, the Committee shall present its recommendations to the Superintendent/President who shall respond within forty-five (45) days.

11.4 Procedure in Event of Threat to Safety

- a. If in the judgment of the unit member, an incident occurs in the classroom or laboratory that poses an immediate, serious threat to the physical health or safety of the unit member, students or staff, the unit member may cancel the class session(s) until the emergency has been alleviated.
- b. In the event that a unit member cancels class pursuant to this section, the unit member shall take the following steps as soon as it is safe to do so:
 - i. Call 911 or campus police; and

- ii. Report the emergency to the unit member's immediate supervisor, to be followed by a written report within 24 hours. The immediate report should be by the means most likely to reach the supervisor quickly, consistent with the customary methods of communication between the unit member and supervisor. The immediate report should include: the class impacted; the nature of the emergency; and confirmation that 911 and/or campus police were contacted. If the communication is written (e.g. email or text) it should clearly indicate in the subject line and/or first sentence that it relates to an emergency situation.
- c. Determination of appropriate action to alleviate the emergency, and whether the emergency has been alleviated, will be made by the appropriate first responders at the scene. Where the safety threat is caused by the physical environment in the classroom (e.g. a hazardous spill), the appropriate dean may alleviate the emergency by designating a temporary, alternate space to hold subsequent classes. The appropriate dean shall also be responsible for informing the unit member of the steps being taken to alleviate the emergency, and when the emergency has been alleviated.
- d. Based on the information provided by the dean, the unit member shall be responsible for keeping his/her students informed of the status of the emergency and when classes are expected to resume.

ARTICLE 12: GRIEVANCE

(Entire Article Applicable to Children's Center Unit Members)

12.1 Grievances

The prompt resolution of grievances is encouraged, and therefore the following procedure to accomplish this purpose is established. Unless otherwise stated in this agreement, all articles in the CBA are subject to grievance and binding arbitration.

12.2 Definitions

12.2.1 Grievance. A "grievance" is an allegation by a grievant that he/she has been directly or adversely affected by a misapplication, a misrepresentation, or a violation of a specific provision of this Agreement. Grievances may also be filed by a unit member for allegations of discrimination, or violation of gender equity or Section 504 (Handicapped Access) Regulations.

12.2.2 Grievant. A "grievant" is a member of the bargaining unit (as defined by this contract) with an alleged grievance. UPM/AFT may grieve Articles 3 and 13, or as provided for in 12.5. UPM/AFT may also file an individual or group grievance on behalf of a unit member(s) provided UPM/AFT does not file such grievance without the unit member's (unit members') written authorization.

12.2.3 Day. A "day" is defined as any day during which District offices are open for business.

12.2.4 Immediate Supervisor. The "immediate supervisor" is the lowest level manager having immediate supervisory authority over the grievant or who has been assigned to adjust grievances.

12.3 Grievance Filing

12.3.1 Who May File. A grievance may be filed by a member of the bargaining unit or, with written authorization of the grievant, by a UPM/AFT representative on behalf of the grievant.

12.3.2 Same Grievance/Multiple Grievants. If the same grievance, or substantially the same grievance, is made by more than one (1) unit member, one (1) unit member may, on behalf of himself and all other grievants, file a grievance. The final decisions shall apply to all grievants and respondents.

12.3.3 Grievance Form. Forms for processing grievances shall be prepared by the District and UPM/AFT. The forms shall be printed by the District and given distribution by the parties (Form F 12.3.3).

12.4 Representation

12.4.1 UPM/AFT Representation. The grievant has the right to be represented at any step in this procedure by UPM/AFT; however, any grievant may at any time present the grievances and have such grievances adjusted, without the intervention of UPM/AFT, as long as the adjustment is not inconsistent with the terms of this Agreement; provided that the District shall not agree to a resolution of the grievance until UPM/AFT has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response within fifteen (15) working days and provided that no grievance proceeds to binding arbitration without the written approval of UPM.

12.4.2 Meeting with Administrator(s). No grievant at any stage of the grievance procedure shall be required to meet with any administrators concerning any aspect of a filed grievance without UPM/AFT representation.

12.5 Automatic Step 2 Level Grievance

12.5.1 Action of Central District Authority. If a grievance arises from the action of a central District authority, UPM or any other grievant may initiate such a grievance at Step 2, Paragraph 12.12.2, of the grievance procedure.

12.5.2 Action of Authorized Committee. If a grievance arises from the actions taken by a committee authorized by this contract, UPM or any other grievant shall initiate such a grievance at Step 2 of the grievance procedure.

12.5.3 Student Academic Grievance. If a grievance arises from the Student Academic Grievance Procedure or Article 24 of UPM/MCCD CBA, UPM or any other grievant shall initiate such a grievance at Step 2 of the Grievance Procedure.

12.6 Appropriate Grievance Step by Mutual Agreement

By mutual agreement of the grievant and the District, a grievance may be moved to an appropriate higher level.

12.7 Time Limits/Access to Documents

12.7.1 Grievant: Time Limits. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision. Time limits specified in this procedure may be extended in any specific instance only by mutual agreement of the parties in writing. Any step

in the grievance procedure may be omitted with the mutual agreement of the parties to the grievance and the administrator at the level of such step.

12.7.2 UPM/Grievant: Access to Documents. The grievant or his/her representative shall have access to non-confidential records and documents which will reasonably be needed in preparation and/or resolution of the grievance.

12.7.3 Management: Time Limits. Time limits shall be strictly construed--if a manager fails to meet his/her contractual time limits, below the level of Step Two in the grievance procedure, the grievance will move automatically to Step Two; if the Superintendent/President fails to meet his/her contractual time limits at Step Two, and the grievant pursues the grievance to arbitration, the District shall pay all of UPM's costs of arbitration.

12.8 Written Notice by Certified Mail

Written notice required by this grievance procedure must be made by certified mail, return receipt requested. This requirement shall apply to the grievant and or the Union, and to the District.

12.9 Non-Retaliation

No reprisals of any kind shall be taken against any participant in the grievance procedure by reason of such participation. The fact that a unit member has filed a grievance(s) shall not be considered in personnel decisions nor in any recommendations for job placement, nor in decisions of awarding continuous contracts to probationary or contract members of the bargaining unit.

12.10 Filing A Grievance

12.10.1 Informal Resolution. UPM/AFT and the District recommend that the parties to a potential grievance, if possible, resolve their differences informally before entering the formal steps of this procedure.

12.11 Step One: Formal Communication and Resolution of Grievance.

12.11.1 Grievant Time Frame/Procedure. Within thirty (30) working days after the grievant knew, or by reasonable diligence could have known, of the condition upon which the grievance is based, the Union and the grievant shall inform the immediate supervisor in writing in a clear and concise statement of the grievance, the specific section(s) of the CBA allegedly misinterpreted, misapplied, or violated, the circumstances involved, and the specific remedy sought.

12.11.2 Supervisor Time Frame/Procedure. Within ten (10) working days, the immediate supervisor shall communicate his/her decision, to the grievant and the Union.

12.12 Step Two: Appeal of Step One Decision

12.12.1 Grievant Time Frame/Procedure. Within thirty (30) days after the grievant has been notified of his/her immediate supervisor's decision on the grievance, the grievant or his/her representative, if he/she intends to appeal, shall present the grievance on the prescribed form to the Superintendent/President or his/her designee.

- a. Automatic Step 2 Level Grievance.** If a grievance is as described in Article 12.5 of the CBA, the grievant shall, within the thirty (30) working days as described in section 12.11.1, present the grievance on the prescribed form to the Superintendent/President or his/her designee.
- b. Grievance Document.** The grievance shall contain a written clear concise statement of the specific section(s) of the CBA allegedly misinterpreted, misapplied, or violated, the circumstances involved, and the specific remedy sought.

12.12.2 Management Time Frame/Procedure. The Superintendent/President, or his/her designee, shall communicate in writing their decision within twenty (20) working days from the date on which they received the grievance. A copy of the formal written grievance shall be sent the grievant's supervisor at the time of its reception by the Superintendent/President.

12.13 Step Three: Binding Arbitration

12.13.1 UPM Agreement to Arbitration/Request Procedure. In the event that the grievance has not been resolved to the satisfaction of the grievant in Step Two, the grievant may request arbitration if the grievant obtains UPM's written agreement. The grievant shall submit in writing to UPM a request for arbitration, said request must be sent to UPM no more than fifteen (15) days after the grievant has received notification of the Superintendent/President's decision. Submission of the required forms for binding arbitration shall be made to the Superintendent/President within thirty (30) working days after UPM has received notice by the District of the Superintendent/President's decision.

12.13.2 Selection of Arbitrator. The selection of an Arbitrator shall take place by selecting an odd number of potential Arbitrators from lists provided by the American Arbitration Association. The usual method of "striking" names from the list until one name remains will be used to select the arbitrator. A coin flip will be used to determine which party "strikes" first. The parties shall each bear the burden of one half of the Arbitrator's costs, and shall each bear their own separate legal and research costs.

12.13.3 Arbitrator: Jurisdiction & Authority. The District and UPM agree that the jurisdiction and authority of the Arbitrator will be confined exclusively to the interpretation of the express provisions(s) of the CBA between UPM and the District. The Arbitrator shall have no authority to add to, subtract from, alter, amend, delete or modify the provisions of the CBA

between UPM and the District. However, the Arbitrator shall expressly have the authority to make monetary or other arbitration awards as he/she deems proper. The decision of the Arbitrator shall be communicated to both parties simultaneously and shall be final and binding.

12.13.4 Waiver: Statutory Remedies/Right to Any Legal Process. Processing a grievance beyond Step Two shall mean the grievant and/or UPM, and the District, expressly waive any right to statutory remedies and any right to the exercise of any legal process other than as provided for by this grievance/arbitration procedure. The parties do not intend by the provisions of this paragraph to preclude the enforcement of any arbitration award in any court of competent jurisdiction.

12.14 Miscellaneous

12.14.1 Commencement of Time Limits. Time limits at each step shall begin the day following receipt of written notice/decision by the parties in interest. Such time limits can only be extended by mutual agreement by UPM/AFT and the District.

12.14.2 Grievant: Conformance to Original Decision of Supervisor. Until final disposition of a grievance takes place, the grievant is required to conform to the original decision of his/her immediate supervisor.

12.14.3 Confidentiality of Process/Grievance Materials. All documents, communications and records pertaining to a grievance shall be filed in a separate grievance file at the District office. During the pendency of any proceeding, and until a final determination has been reached, all proceedings shall be private, subject to the provision of the Brown Act. The grievant, or UPM/AFT, shall be permitted to examine and/or obtain copies of materials in such grievance files.

12.14.4 UPM/Grievant: Access to Non-Confidential Records & Documents. The grievant or his/her representative shall have access to non-confidential records and documents which will reasonably be needed in preparation and/or resolution of the grievance.

12.14.5 Release Time. The grievant, his/her representative, and necessary witnesses shall be provided time off from duties, without loss of pay, for attendance at conferences and/or hearing held pursuant to this Article 12.

ARTICLE 13: BOARD/AGENT RELATIONS

13.1 Distribution of CBA

Rights and benefits of unit members as set forth in this Agreement shall be made part of any individual contract of employment issued to any unit member. Copies of this Agreement shall be printed at the expense of the District within forty-five (45) days after it becomes effective and a copy distributed to each unit member now employed or hereafter employed, (with thirty (30) additional copies for the UPM/AFT printed at the shared expense of the District/AFT). If such printing is not done on District equipment, it shall be done by union printers.

13.2 Connection to Policies and Procedures.

13.3 Compliance.

13.5 Information Requests to District

UPM/AFT shall be furnished agenda materials and minutes of Board meetings. The District shall furnish UPM/AFT with legally non-confidential information re: financial matters, personnel, budgetary requirements, allocation of State and Federal funds, student enrollment, etc., which is necessary to assist UPM/AFT in representing members of the unit. UPM/AFT recognizes that such information will be provided to the extent that it does not interfere with the normal conduct of public business and that if there is any cost involved, it will be borne by UPM/AFT, pursuant to Government Code Section 6257.

13.6 District Provided List of Unit Members

Upon completion of this Agreement, District shall furnish UPM/AFT with a listing of names, addresses and telephone numbers of all unit members excepting those individuals who specify in writing that they wish to keep such information confidential. No more than four (4) times a year, the District, upon request and within thirty (30) consecutive working days, shall provide UPM/AFT with the list of the members of the bargaining unit.

13.8.3 In addition, UPM/AFT shall have the right to have 1500 copies per month for distribution to unit members, duplicated on District equipment. UPM/AFT will pay the cost of the paper.

13.9 Union Representatives: Access to Unit Members

Unit members duly authorized as representatives of UPM/AFT shall be permitted to transact official Union business throughout the District provided, however, that such activity will in no way interfere with classroom instruction or assigned duties of unit members. The Union representative not an employee of the District shall advise the Superintendent/President of his/her presence on District property before conducting Union business.

13.10 Meet to Discuss Mutual Problems

The Superintendent/President or his/her designee shall meet with the UPM/AFT President or his/her designee to discuss mutual problems of the College/District within three (3) working days if possible, or a reasonable time thereafter, at the request of either party. Such a meeting is not intended to bypass the grievance procedure and shall not constitute an invitation to continuously renegotiate the provisions of this contract. Both parties shall submit an agenda of items they wish to discuss.

13.11 Unpaid Leave of Absence

The member(s) of UPM/AFT shall be entitled to an unpaid leave of absence to accept a position as a representative of the bargaining agent without loss of seniority in the District. The District will provide the unit member with the option to continue his/her fringe benefits at his/her expense. This leave shall be in blocks of one (1) or two (2) semesters and shall be limited to one (1) unit member per year.

UPM may purchase up to .8 FTE for additional reassigned time or overload units for the purposes set forth herein by reimbursing the District in advance (on a monthly basis) for the actual salary and benefit costs. The

allocation or distribution of these units shall be the sole prerogative of the UPM and shall not be included in or subject to the limitations set forth in Article 8 of the CBA.

13.13 Office Space

The District shall provide UPM with approximately 200 square feet of office space for which UPM shall pay a fee of \$1,200.00 per year.

13.14 Meet and Confer

UPM Executive Council and District Representatives, not to exceed five from each party, shall meet within thirty (30) days of either party's request to review and discuss contract issues including but not limited to definition of contract terms and provisions, efficiency issues, contract implementation problems and future negotiation issues. This contract review process is not to replace either the grievance process or the negotiation process.

13.15 Paid Conference Leave

UPM official representatives (a maximum of three per semester) shall be granted no more than two (2) days paid Conference Leave (per person per academic year) to attend union related conferences. Requests for these leaves shall be filed with the unit member's supervisor at least two weeks in advance using a Faculty Absence Report. UPM shall submit a copy of the Faculty Absence Report to Human Resources. UPM shall track utilization of this leave, and shall provide information on use of the leave to the District upon the District's request.

13.16 Business Cards

The district will provide business cards upon request to the Permanent/Probationary Full-time Unit Members and ETCUMS, after the unit member(s) complete the agreed upon form for the Reprographics Department. The business cards may only include information relevant to the unit member's assignment in the District. Business cards may not include information on employment activities outside the District.

13.17 Labor-Management Committee

UPM and MCCD agree to the formation of a Labor Management Committee with the role to update and clarify the contract. The LMC will make recommendations, only by consensus, to the bargaining teams. LMC will commit to meet monthly and set a calendar of meetings to review and make recommendations to all articles within the term of this contract. The make-up of the committee shall be at the discretion of the respective unit—MCCD or UPM. Any recommendation of the Committee shall be non-binding. UPM and MCCD retain the right to bring into any LMC meeting as many "resource people" as it deems appropriate. UPM and MCCD shall have the right to have a dedicated note taker present at all LMC meetings. UPM LMC members shall not be compensated by the District.

14.3 In the event of an emergency, the District shall have the right to rescind that portion of this Agreement directly related to the nature of the emergency. The District shall provide notice to UPM of its decision to rescind any portion of this Agreement within 24 hours. "Emergency" as used in this Article is limited to sudden, unforeseen happenings which require action to correct and /or protect lives and /or property which would prevent the normal functioning of the school District pursuant to this Agreement. If the District desires to continue its rescission of the article(s) beyond thirty (30) calendar days, it shall provide UPM notice and parties shall negotiate the continuance of the suspension of the rescinded article (s).

14.4 The District's rights as stated above shall not be construed or interpreted to be a waiver of UPM's right to negotiate all mandatory subjects of bargaining as established by the Educational Employment Relations Act and as determined by the Public Employment Relations Board.

ARTICLE 15: REDUCTION IN FORCE

15.1 Bumping Rights

15.1.1 Lay-Off Notification. If it becomes necessary to decrease the number of unit members represented by UPM, the District will issue lay-off notices to unit members by March 15th to be effective on June 30th of the same school year provided the District has first met its obligations as stated in 15.1.2 below.

15.1.2 Transfer. To utilize the services of permanent unit members efficiently, and to meet the requirements of EC 87743, the District will first transfer permanent unit members into any and all partial or complete alternative assignments occupied by temporary, contract, probationary, and or less senior permanent unit members, said transfers to redirect permanent unit members into alternative assignments in both the credit and or non-credit programs of the District.

- a. The transfers required by 15.1.2 shall be made on the contractually agreed upon minimum qualifications and competency criteria.

15.1.3 Transfer Notification. Notice of involuntary transfers, to avoid the termination of permanent unit members, shall be sent by the District to permanent unit members on or before March first in the academic year immediately preceding the academic year in which the layoffs are to become effective.

15.2 Re-employment Rights

15.2.1 If the District has engaged in a reduction in force (as provided for in 15.1.1 above), the District shall within a period of 39 months re-employ permanent unit members who are on a partial or complete termination status into credit and or non-credit courses/programs or other contractual duties for which the unit member is minimally qualified and competent. This shall include but is not limited to, teaching courses which meet the contractual minimum class size, counseling, librarianship, substitute teaching, replacing unit members on any form of leave or reduced load, replacing unit members who have died, performing any function which is performed by unit members on reassigned time and teaching or performing any function in the non-credit program. In addition, laid-off or partially terminated permanent unit members shall be given first opportunity to develop and instruct new credit and/or non-credit courses which shall be scheduled and continually offered by the District if their enrollment(s) reaches the contractual minimum of twenty students initial enrollment per class. Implementation of this section of this contract shall comprise the District's contractual method of achieving compliance with EC 87744.

15.2.2 Unit members who have been laid off shall be reinstated in order of seniority for a period of thirty-nine (39) months. Seniority shall be defined as the length of paid service

with the District as defined by statute. The offer of such position by the District shall be sent by certified mail by the District 45 days before the first day of reemployment of the unit member (or immediately upon the District learning of the vacancy if the discovery occurs within 45 days of the course/assignment beginning date) and shall be accepted or rejected by the unit member within ten (10) calendar days of the receipt of reemployment notice. The unit member must be prepared to begin reemployment on the first scheduled day of their new assignment. UPM will propose a method of assuring unit members on partial or complete termination of their right to create and teach credit and or non-credit courses so long as these courses meet the minimum contractual class size.

15.2.3 Conflicts between the rights of unit members asserting their rehire rights during the thirty-nine months for which these rights exist shall be settled on the basis of seniority. Unit members exercising their rehire rights shall retain the right of first refusal during their period of rehire rights. UPM shall receive copies of all notices sent unit members regarding their rehire opportunities.

15.3 Seniority Rights During Re-Employment

Seniority shall be defined as beginning with the first date of paid probationary service with the District, as defined by the Education Code. For purposes of this policy, any leave granted, i.e., sabbatical, professional, maternity, military, unpaid leaves, etc., shall not constitute an interruption of service, nor shall any reduced load assignment constitute an interruption of service.

15.4 Salary and Fringe Benefit Coverage of Re-Employed Unit Members

All partially or completely terminated unit members, upon their partial or complete reinstatement, shall be paid their pro rata salary equivalent of their column and step placement on the permanent credit salary schedule. In addition, unit members reduced in load but not terminated in their employment shall continue to receive all of their fringe benefits if they retain fifty percent or more of their former full-time workload or its equivalent. Unit members reduced to workloads of less than half of their former permanent position, but more than or equal to forty percent of their former workload, shall immediately receive Kaiser medical coverage for the employee and one dependent if they are reinstated for unit member work during their thirty-nine months of re-employment rights. Unit members reduced to workloads of less than forty percent of their former permanent position, but more than or equal to ten percent of their former workload, shall immediately receive fifty dollars a month towards Kaiser medical coverage if they are reinstated for unit member work during their thirty-nine months of re-employment rights. The District is not obligated to pay fringe benefits to unit members reduced to workloads of less than ten percent of their former workload.

15.5 Benefits: Laid-off Unit Members Not Re-Employed

Laid-off unit members, who have not been reinstated, may be continued in the District's medical and dental insurance programs at their own expense for the thirty-nine (39) months in

which they have return rights as employees. Unit members utilizing this option must pay each twelve (12) months of continued benefits on or before July 1 of each academic year.

15.6 Right to Assignment: Unit Members on Re-Employment List

No new faculty appointments shall be made, nor shall managers be assigned to teach credit or ADA generating non- credit courses while there are unit members on the re-employment list who are qualified for the position and who are available for reinstatement unless said unit members formally refuse reinstatement and resign from the District.

15.6.1 The District shall not seek to nor engage in the "contracting out" of unit member work during the 39 month period of reemployment rights of any UPM unit members.

15.7 Layoff Notification

The District will provide the Union with a seniority list and will notify the Union in writing of the names of all unit members to be laid off, their last date of paid service, and their individual assignments during the last period of employment. This notice shall be given simultaneously with notification of the unit members.

- iii. Assisting in the investigation of formal and informal complaints that the District is legally required to investigate pursuant to Title IX of the Education Amendments of 1972, or Title 5 of the California Code of Regulations, or other state or federal law, where the surveillance data could assist in corroborating or disproving the allegations.
- iv. Assisting in the investigation of criminal activity.
- v. Assisting in the investigation of egregious misconduct under Education Code section 87732, and providing supporting evidence thereof, in personnel matters.

c. **Limitations on Placement of Electronic Surveillance Systems and/or Devices.**

Therefore, electronic surveillance systems and/or devices shall not be placed in, nor directed into, classrooms, labs, faculty offices, restrooms, break rooms, and other areas where unit members regularly engage in professional duties and/or have a reasonable expectation of privacy. This limitation on placement does not prohibit placement of cameras at the point of entry into any District building.
- iv. **Changes to the Surveillance Systems.** The District shall provide the current locations of all cameras connected to the District's CCTV surveillance system to the UPM upon request. The District shall notify UPM of the planned installation or relocation of cameras connected to an electronic surveillance system, or new electronic surveillance systems, as follows:

Such notice shall begin UPM's timeframe to file a grievance. UPM shall not file a grievance or other action asserting violation of the placement limitations in this Article without first utilizing the meet and confer process afforded by this section.
 - 5. During this meet and confer process and the grievance process, if any, the disputed cameras/systems shall not be installed/relocated.
- d. **Limitations on Access to Surveillance Data.** Information recorded on electronic surveillance systems and/or devices shall be accessed with regard to unit members only under the following circumstances:
 - i. The District, through its Chief of Police, has probable cause that a violation of law involving the theft and/or vandalism of District property or assets has occurred and that access to surveillance data would assist in the investigation. Probable cause is defined as a reasonable amount of suspicion, supported by circumstances sufficiently strong to justify a prudent and cautious person's belief that certain facts are probably true.
 - ii. The District is investigating a Title IX or Title 5 complaint, and the investigator has determined that the surveillance data could corroborate or disprove the allegations.

- iii. The District, through its Chief of Police, has probable cause that a violation of law has occurred that would be categorized as a felony and that access to surveillance data would assist in the investigation.
- iv. Subject to a lawful subpoena, judicial order, or other legal obligation to produce the data to a third party.

e. Limitations on District Use of Surveillance Data.

- i. **Prohibition of Use for Reviewing and Evaluating Members' Performance.** Information gathered from electronic surveillance systems and/or devices shall not be used to monitor unit members' attendance, work or work habits, except as allowed under subsection b, below. The President or Vice President serving as the chief instructional officer shall ensure that the access complies with the terms of this Article. The authority to access surveillance data may not be delegated to another District employee, except in the case of compelling circumstances, or compliance with legal requirements.
- ii. **Compelling Circumstances:** Under compelling circumstances, the least perusal of surveillance data and the least action necessary to resolve the compelling circumstance may be taken immediately

without authorization under subsection a, but authorization must then be sought within two (2) business days.

1. Compelling circumstances are situations in which failure to act is likely to result in significant bodily harm, significant property loss or damage to the District or its assets, significant liability to the District, or loss of significant evidence of one or more violations of law or of District policies that otherwise may be accessed under this Article.
- iii. **Search Warrants and Subpoenas.** Surveillance data may be accessed immediately without authorization under subsection a to comply with a search warrant or subpoena, but authorization must then be sought within two (2) business days.

Supporting documentation for the authorization shall be provided to the UPM President upon request, to the extent permitted by law and to the extent that this does not interfere with an investigation.
 - v. The original, signed request for “Authorization to Access Surveillance Data,” along with all supporting documentation, shall be made available for inspection by the affected unit member(s), upon request to the Vice President serving as the chief instructional officer, to the extent that disclosure does not violate the privacy rights of others and does not interfere with an investigation.

21.5.2 Upon notice that the District is going to seek indemnification or to be held harmless under this provision, the Union shall have the right to meet with the District regarding the reasonableness and merit of any claim, demand, suit or action for which the District seeks indemnification, and shall attempt to agree whether any such action shall be compromised, resisted, defended, tried, or appealed.

21.5.3 In determining whether or not such actions shall be compromised, resisted, defended, tried or appealed, the District will defer to the Union's interests if the District does not have a distinct and separate legal interest in the disputed matter.

21.5.4 The District shall not be entitled to be reimbursed for any costs for which the Union was not properly notified and provided the opportunity to discuss as set forth herein; nor will the District be entitled to any reimbursement when the District's efforts in defending against such action would be duplicative, or when the District does not have a separate and distinct interest to defend.

ARTICLE 24: PROFESSIONAL STANDARDS

24.1 Commitment to Professional Ethics

Unit members shall perform their professional obligations in accordance with the provisions of the American Association of University Professors Statement on Professional Ethics:

AAUP Statement on Professional Ethics

- a. Professors, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and to state the truth as they see it. To this end professors devote their energies to developing and improving their scholarly competence. They accept the obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They practice intellectual honesty. Although professors may follow subsidiary interests, those interests must never seriously hamper or compromise their freedom of inquiry.
- b. As teachers, professors encourage the free pursuit of learning in their students. They hold before them the best scholarly and ethical standards of their discipline. Professors demonstrate respect for students as individuals and adhere to their proper roles as intellectual guides and counselors. Professors make every reasonable effort to foster honest academic conduct and to ensure that their evaluations of students reflect each student's true merit. They respect the confidential nature of the relationship between professor and student. They avoid any exploitation, harassment, or discriminatory treatment of students. They acknowledge significant academic or scholarly assistance from them. They protect their academic freedom.
- c. As colleagues, professors have obligations that derive from common membership in the community of scholars. Professors do not discriminate against or harass colleagues. They respect and defend the free inquiry of associates. In the exchange of criticism and ideas professors show due respect for the opinions of others. Professors acknowledge academic debt and strive to be objective in their professional judgment of colleagues. Professors accept their share of faculty responsibilities for the governance of their institution.
- d. As members of an academic institution, professors seek above all to be effective teachers and scholars. Although professors observe the stated regulations of the institution, provided the regulations do not contravene academic freedom, they maintain their right to criticize and seek revision. Professors give due regard to their paramount responsibilities within their institution in determining the amount and character of work done outside it. When considering the interruption or termination of their service, professors recognize the effect of their decision upon the program of the institution and give due notice of their intentions.
- e. As members of their community, professors have the rights and obligations of other citizens. Professors measure the urgency of these obligations in the light of their responsibilities to their subject, to their students, to their profession, and to their institution. When they speak or act as private persons, they avoid creating the impression of speaking or acting for their college or university.

As citizens engaged in a profession that depends upon freedom for its health and integrity, professors have a particular obligation to promote conditions of free inquiry and to further public understanding of academic freedom.

24.2 Progressive Discipline

24.2.1 The District shall implement progressive discipline, except that the District may implement more severe discipline where such discipline is warranted by the serious nature of the unit member's infraction or misconduct. Disciplinary actions shall relate fairly to the offense. In determining the appropriate discipline, the District shall consider relevant factors, such as whether the infraction or misconduct relates to prior infractions/misconduct, the unit member's responsiveness to corrective action, the impact of the unit member's infraction/misconduct on others and on the District, how the District has handled similar infractions/misconduct, and any mitigating circumstances. Prior to issuing a letter of reprimand or initiating a suspension or dismissal, the District will discuss it with UPM (if UPM does not represent the unit member in the matter, the District will not provide identifying details).

24.2.2 Steps of progressive discipline may include:

- a. Verbal warning.
- b. Written warning, which should include the reasons for the warning and should direct the unit member to correct the problem or deficiencies. The written warning will remind the unit member of his/her/their right to UPM representation with regard to disciplinary matters. A written warning will be provided to the unit member, but will not be placed in a unit member's personnel file unless it is attached to a subsequent letter of reprimand or other further discipline.
- c. Letter of reprimand, which should: include the reasons for the reprimand; direct the unit member to correct the problem or deficiencies; and inform the unit member of possible consequences for failure to correct the problem or deficiencies. A copy of any letter of reprimand shall be provided to the unit member and placed in the unit member's personnel file. A unit member may submit a written response to a letter of reprimand within ten calendar days of the date of the letter. Any response shall be attached to the letter and placed in the unit member's personnel file.
- d. Suspension.
- e. Unpaid suspension.
- f. Dismissal.

24.2.3 In addition to or in lieu of progressive discipline, the District may require unit members to complete training to address conduct concerns.

24.3 Causes for Discipline

24.3.1 Just cause is required for discipline.

24.3.2 Causes for discipline other than dismissal include but are not limited to:

- a.** A unit member's violation of any provision of the collective bargaining agreement;

 - ii.** Dishonesty;
 - iii.** Unsatisfactory performance;
 - iv.** Evident unfitness for service;
 - v.** Physical or mental condition that makes him/her/them unfit to instruct or associate with students;
 - vi.** Persistent violation of, or refusal to obey, the school laws of the state or reasonable regulations prescribed for the government of the community colleges by the board of governors or by the governing board of the community college district employing him/her/them;
 - vii.** Conviction of a felony or of any crime involving moral turpitude;
 - viii.** Conduct specified in section 1028 of the Government Code.

24.3.3 Causes for dismissal from employment, suspension for up to one year, and suspension for up to one year and a reduction or loss of compensation during the period of suspension are those set forth in California Education Code sections 87665, 87732, and other applicable laws.

24.4 Dismissal and Discipline Other Than Dismissal

24.4.1 Permanent/probationary and temporary unit members shall be subject to discipline in the form of dismissal from employment, suspension for up to one year, and suspension for up to one year and a reduction or loss of compensation during the period of suspension pursuant to applicable provisions of the California Education Code, including but not limited to sections 87665, 87666 to 87683, and 87732 to 87737 (if and as applicable).

24.4.2 Unit members shall be subject to other disciplinary actions as provided for within this Article, Article 6 (see section 6.4), and as authorized by applicable sections of the California Education Code.

24.5 Probationary/Contract Unit Members

Nothing in this Article shall be construed to in any way limit or otherwise inhibit the District from exercising its authority to deny renewal of a probationary/contract unit member's contract, or to refrain from granting tenure to a unit member under applicable provisions of the California Education Code.

24.6 Right to Representation and Representation Notice

24.6.1 Right to Representation. Unit members have the right to UPM representation with regard to disciplinary matters. Where a unit member is represented by UPM on a disciplinary matter, the unit member agrees that the District may discuss details of the matter with UPM.

24.6.2 Representation Notice. If the District has a reasonable expectation that a meeting between management and a unit member may lead to discipline, the District shall notify the unit member of his/her/their right to bring a UPM representative to the meeting.

24.7 Right to Representation in Unlawful Discrimination and Harassment Complaints against Faculty

If the District determines that a complaint against a unit member alleging unlawful discrimination or harassment requires an investigation, the District will notify the unit member of the complaint. Unit members may arrange representation by a UPM representative, who may attend investigatory meetings with the unit member. An investigatory meeting is one in which a unit member is being asked questions regarding a complaint against him/her/them for which the District reasonably believes that disciplinary action could be imposed.

24.8 Application of Article 12, Grievances

24.8.1 The District's imposition of a verbal warning or written warning are not subject to the grievance procedure in Article 12.

24.8.2 Letters of reprimand or imposition of required training related to disciplinary matters may be subject to the grievance procedure if the District misrepresented, misapplied, or violated a provision of this Article 24 in issuing the letter of reprimand or requiring training.

24.8.3 The District's imposition of a suspension, 90-day Notice under the Education Code, or dismissal shall not be subject to the grievance procedure in Article 12 but may be addressed by the unit member pursuant to applicable Education Code provisions.

ARTICLE 25: COPYRIGHT

(Entire Article Applicable to Children's Center Unit Members)

25.1 If a unit member produces copyrighted materials/product(s) as part of his/her/their required assignment during District reassigned time, or as part of his/her/their required assignment on a grant received by the District, or as part of his/her/their required assignment on a District sponsored research and development grant, then the District shall be entitled to repayment of its direct costs of production of said copyrighted materials in the manner stated in 25.2 below.

25.2 All economic benefits derived from a copyright owned by a unit member, but produced as specified in 25.1 above, shall be paid by the unit member to the District until all of the District's documented direct costs are repaid.

ARTICLE 26: REASONABLE ACCOMMODATION

26.1 Reasonable Accommodation

26.2 Procedure

A unit member with a disability who is seeking accommodation under the terms of the Americans with Disabilities Act must submit a Request for **Accommodation Form F26.0** to Human Resources at least one (1) month prior to the beginning of the semester or as soon as the need for accommodation is known by the unit member. On this form, he/she/they shall:

- a. specify the functional limitation(s) as a result of the disability and the desired accommodation to do the job because of these limitations;
- b. give authorization to the District to send a copy of the Request for Accommodation to the UPM representative responsible for the receipt of such requests.

26.3 Medical Verification

If the disability is not obvious or there is doubt about the need for the accommodation, the unit member shall provide written and signed permission for the District to contact the “medical” provider for the limited purpose of determining the unit member’s functional limitation(s) and proposed accommodation(s) with specific concern to:

- a. the unit member’s ability to perform the specific job with or without accommodation;
- b. the unit member’s ability to perform the job without posing a “direct threat” to the health or safety of the unit members or others.

“Medical” provider shall include a doctor, psychologist, rehabilitation counselor, occupational or physical therapist, independent living specialist, or other professional with knowledge of the unit member’s functional limitation(s).

26.4 District Process – Review of Request and Information

Human Resources shall review the unit member’s request, the information from the “medical” provider, if applicable, and meet with the unit member to obtain any other proposed accommodation information in order to complete the Accommodation Analysis. The unit member is entitled to representation by UPM at the meeting. If there is more than one possible accommodation, the District may select which accommodation to implement from among those that would be reasonable under the circumstances. If appropriate, the District shall make a “reasonable accommodation offer” to the unit member. A copy of the offer shall be sent to the UPM representative responsible for the receipt of Requests for Accommodation. The unit member and/or UPM shall have ten (10) working days to accept or reject the offer.

26.5 Required Notice to UPM and UPM Request for Negotiations

The District shall provide to UPM, as the law requires, information considered in the Accommodation Analysis. Any medical information will be released if there are negotiable issues and with the acknowledgement by the unit member.

The District recognizes its obligation to negotiate with UPM on any negotiable issue affected by the “reasonable accommodation offer.”

Upon receipt of the “reasonable accommodation offer,” or upon receipt of the District’s notice that there appear(s) to be a negotiable issue(s), UPM may request that the parties enter into negotiations on the impact of the “reasonable accommodation offer”.

26.6 Unit Member’s Appeal of Denial of Request

- a. If the District determines that an accommodation is not necessary, or that accommodating the disability would create an undue burden on the District, the District may deny the Request for Accommodation. If the unit member wishes to contest a denial of his/her Request for Accommodation or rejects the “reasonable accommodation offer” made by the District, he/she may file a written appeal of the denial or of the rejected offer with the Superintendent/President within ten (10) working days after receipt of the denial or the rejection of the offer. Within fifteen (15) working days, the Superintendent/ President shall notify the unit member of his/her proposed resolution.
- b. If the unit member is not satisfied with the Superintendent/ President’s proposed resolution, he/she may file a written appeal with the Board of Trustees within ten (10) working days of receipt of the proposed resolution. The Board or its designated subcommittee, shall review the appeal and all pertinent documentation and issue a final District decision within forty-five (45) calendar days after receiving the appeal. The decision of the Board or its designated subcommittee shall be final. A copy of the final District decision shall be forwarded to the unit member and UPM.

26.7 Confidentiality of Information

The existence and nature of a claimed disability and any medical information related to a claimed disability are confidential information. Any party that receives such information will safeguard such information to the maximum extent permissible that will still allow each party to perform its obligations under this Agreement and the law.
