

RONDO EXCHANGE

BUSINESS INCUBATOR

ABOUT

The Rondo Exchange Small Business Incubator, managed by Rondo CLT, provides affordable commercial space, sales infrastructure, and technical assistance for neighborhood-serving businesses and creative entrepreneurs. The program supports small business growth, economic inclusion, and long-term stability in the Rondo community.

Entrepreneurs benefit from one-on-one business development support, opportunities for visibility, and participation in a vibrant commercial hub located at 856 Selby Avenue.

BENEFITS

1. Affordable Space

The program includes access to our 2,800 square foot center, featuring spaces for 5 incubator businesses and a small franchise concept location for Golden Thyme Coffee Café, serving as an anchor tenant.

2. Technical Assistance

Receive tailored one-on-one support with business planning, operations, marketing, and navigating the transition to brick-and-mortar sales.

3. Marketing & Visibility

Get featured through coordinated marketing efforts such as wayfinding signage, Rondo Rising Business Spotlights, and events that promote neighborhood foot traffic.

4. Community Engagement

Join our vibrant community and network with fellow entrepreneurs at RCLT community and networking events. Plus, take advantage of wayfinding signage around the neighborhood to attract customers to your business.

5. Point of Sale System

Rondo Exchange will be equipped with its own point of sale system, providing efficient sales tracking and inventory management.
