We create stunning outdoor TV's designed to expand your world

Our hope is to add warmth and beauty to your space, whether during family dinners al fresco or weekend pool parties

At Sonagi, we believe that the outdoor spaces we love most are marked by connection. It's here that we spend time with friends and family. Engage with nature. And rediscover ourselves

Key Features

High Brightness

Enjoy vibrant visuals up to 1000 nits perfect for high-resolution outdoor viewing even in full sunlight

Weatherproof

SONAGI TVs are engineered to stand strong in the face of nature. With an IP65 rated housing, they're sealed against dust and moisture, ready for rain or shine

Extreme Temperature

SONAGI TVs can handle temperatures from a frosty -22 F to a blistering 122 F. With operating temperatures between 32 F to 104 F.

Smart TV Features

Stream your favorites with pre-installed apps like YouTube and Netflix, all powered by WebOS 22. Plus, enjoy the hands-free LG Magic Remote's voice recognition feature

Built To Last Longer

Fortified with premium aluminum, our sleek, full-back enclosure protects against extreme weather conditions and prevents water pooling. A sealed cable entry with 3xHDMI, 2xUSB, and RCA connections shields all inputs from the elements.

Luxury Meets Functionality

Rugged full-back enclosure seamlessly combines aesthetic elegance with solid protection against the elements, delivering both elegance and durability
