

## ATF Type-HP

### Premium Automatic Transmission Fluid for Subaru

#### Description and Application

Idemitsu ATF Type-HP is specifically formulated to provide unsurpassed performance and protection for the automatic transmissions of Subaru vehicles equipped with conventional (non-CVT) automatic transmissions from model year 2005 and later.

Idemitsu ATF Type-HP is recommended for service-fill in all Subaru automatic transmissions where SUBARU ATF HP is specified.

#### Features and Benefits

- **Smooth Shifting:**
  - Precisely engineered frictional characteristics guarantee smooth shifts and outstanding anti-shudder performance.
- **Long Lasting:**
  - Excellent resistance to oxidation and thermal breakdown provides long fluid life and extended protection.
- **Protects Surfaces:**
  - Provides superior deposit control and protects metal surfaces from rust and corrosion.
- **Anti-wear:**
  - Advanced anti-wear technology provides maximum protection to gears and bearings.
- **Seal Compatibility:**
  - Carefully balanced base oils provide excellent seal compatibility and conditioning, reducing the risk of fluid leaks due to seal shrinking, hardening, and cracking.

#### Typical Test Data

Characteristics	Units	Test Method	Typical Value
Appearance	N/A	Visual	Red Clear Liquid
Kinematic Viscosity @100°C	cSt	ASTM D445	7.3
Kinematic Viscosity @ 40°C	cSt	ASTM D445	34.9
Viscosity Index	N/A	ASTM D2270	183
Pour Point	°C	ASTM D97	-50
Brookfield Viscosity @-40°C	cP	ASTM D2983	14000
Flash Point, COC	°C	ASTM D92	200

## Technical Data Sheet

#### OE Solutions

- Idemitsu ATF and CVT fluids are OE quality products engineered to meet the most stringent requirements of all Asian brands.
- Consumers and Technicians recognize that fluids exclusively designed for specific transmissions are the best way to extend the life of the vehicle.
- Our application specific formula guarantees no shift shocks, less clutch wear, and reduced fuel and oil consumption.

#### Health and Safety

Prior to any use, consult the Safety Data Sheet (SDS) for information on hazard risks and product use parameters. To request the SDS, please email [lla.sds@idemitsu.com](mailto:lla.sds@idemitsu.com)
