

## Governance

### VAREANZ

VAREANZ Data Sovereignty Group

ANZACS-QI Data Governance Group

NZ Cardiac Network

## Contract Delivery

University of Auckland

Enigma Solutions

Operations Group

The ANZACS-QI programme is governed by a Data Governance Group, who volunteer their time, alongside the **VAREANZ Data Sovereignty Group** and **The NZ Cardiac Network**.

**The Human Health Research Services Platform (University of Auckland), Enigma Solutions** and the ANZACS-QI Operations Group manage the operational delivery of the programme.

## Quality Improvement

Health New Zealand Long Term Conditions Team

Health Quality and Safety Commission

NZ Cardiac Network

The NZ Cardiac Network, **Health New Zealand Long Term Conditions team**, and the **Health Quality and Safety Commission** are responsible for quality improvement.
