|--|----|
| <b>INTRODUCTION</b> .....  | 1  |
| About This Book .....  | 1  |
| Foolish Assumptions .....  | 2  |
| Icons Used in This Book .....  | 3  |
| Beyond the Book .....  | 3  |
| Where to Go from Here .....  | 3  |
| <br>   |    |
| <b>PART 1: GETTING STARTED WITH RAISING CHICKENS</b> .....                   | 5  |
| <b>CHAPTER 1: The Joy of Chickens</b> .....                                  | 7  |
| First Things First: Legal Issues .....                                       | 7  |
| Getting up to speed on zoning .....  | 8  |
| Finding the right info .....   | 9  |
| Confronting Restrictions .....   | 10 |
| Getting permission .....   | 10 |
| Presenting a compelling case .....   | 10 |
| Assessing Your Capabilities .....  | 11 |
| Time .....   | 11 |
| Space .....  | 12 |
| Money .....  | 12 |
| Determining Your Intentions .....  | 13 |
| Want eggs (and, therefore, layers)? .....                                    | 13 |
| Thinking about home-grown meat? .....  | 13 |
| Enticed by fun and games or 4-H and FFA? .....                               | 14 |
| Considering Neighbors .....  | 15 |
| <br>   |    |
| <b>CHAPTER 2: A Chicken Isn't Just a Chicken: Your Guide to Breeds</b> ..... | 17 |
| What You Need to Know: A Brief Synopsis .....                                | 18 |
| Common breed terminology .....   | 18 |
| How breeds are categorized .....   | 20 |
| Sex-linked and autosex breeds .....  | 21 |
| If You Want It All: Dual-Purpose Breeds .....                                | 22 |
| For Egg Lovers: Laying Breeds .....  | 23 |
| White-egg layers .....   | 24 |
| Brown-egg layers .....   | 25 |
| Colored-egg layers .....   | 27 |
| Best Breeds for the Table .....  | 28 |
| Show Breeds .....  | 30 |
| Perfect for Pets: Bantam Breeds .....  | 32 |
| Heritage and Rare Breeds .....   | 33 |

|  |    |
|--|----|
| <b>CHAPTER 3: Buying Chickens</b> .....                        | 35 |
| Planning Your Flock .....                                      | 35 |
| Deciding what you'll start with: Eggs, chicks, or adults ..... | 36 |
| Choosing the sex .....   | 38 |
| Getting the right number of chickens .....                     | 39 |
| Counting the Costs .....                                       | 41 |
| Starting with Chicks .....                                     | 42 |
| Where to get chicks .....                                      | 42 |
| When to buy chicks .....                                       | 44 |
| What to look for .....   | 45 |
| Handling chicks .....  | 47 |
| Starting with Adults .....                                     | 48 |
| Where to buy adult chickens .....                              | 48 |
| What to look for .....   | 48 |
| Transporting your birds safely .....                           | 51 |

## **PART 2: CARING FOR YOUR FLOCK: GENERAL MANAGEMENT** .....

53

|  |    |
|--|----|
| <b>CHAPTER 4: Coop, Sweet Coop: Choosing Your Chickens' Home</b> ..... | 55 |
| What a Chicken Needs from a Home .....                                 | 56 |
| Shelter from the weather .....   | 56 |
| Heat in the winter .....   | 57 |
| Relief from summer heat .....  | 57 |
| Protection from predators .....  | 58 |
| Enough space to move about normally .....                              | 59 |
| Sufficient lighting .....  | 60 |
| Fresh air .....  | 60 |
| Clean surroundings .....   | 61 |
| Choosing the Right Location .....                                      | 62 |
| Surveying Your Housing Options .....                                   | 63 |
| Raising chickens in cages .....  | 64 |
| Using loose indoor housing .....                                       | 66 |
| Pairing a shelter with a run .....                                     | 66 |
| Offering shelter with free-range access .....                          | 67 |
| Mobile housing: Tractors and hoops .....                               | 68 |
| Choosing a Type of Housing .....                                       | 71 |
| Housing pets, layers, and meat birds .....                             | 72 |
| Housing show birds .....   | 72 |
| Considering neighbors and family .....                                 | 72 |
| Keeping your chickens safe and healthy .....                           | 72 |
| Factoring yourself into the equation .....                             | 73 |
| Should You Buy, Build, or Recycle? .....                               | 73 |
| Making do with what you've got .....                                   | 74 |

|                   |   |            |
|-------------------|---|------------|
|                   | Building from scratch . . . . .                                   | 74         |
|                   | Figuring out fencing . . . . .                                    | 76         |
|                   | Supporting fencing with posts . . . . .                           | 76         |
|                   | Buying a Chicken Coop . . . . .                                   | 77         |
|                   | Furnishing Your Coop . . . . .                                    | 78         |
|                   | Roost and relaxation . . . . .                                    | 78         |
|                   | Feathering their nests . . . . .                                  | 80         |
|                   | Setting the table . . . . .                                       | 82         |
| <b>CHAPTER 5:</b> | <b>Feeding Your Flock . . . . .</b>                               | <b>83</b>  |
|                   | Feeding Basics . . . . .  | 84         |
|                   | Why you need to manage your birds' diet . . . . .                 | 84         |
|                   | Knowing what nutrients chickens need . . . . .                    | 86         |
|                   | Meeting the Nutritional Needs of Your Specific Chickens . . . . . | 88         |
|                   | Laying chickens . . . . .   | 89         |
|                   | Broiler/meat chickens . . . . .                                   | 90         |
|                   | Multi-purpose, pet, and show birds . . . . .                      | 91         |
|                   | Knowing when to use medicated feeds . . . . .                     | 91         |
|                   | Adding grit and minerals . . . . .                                | 92         |
|                   | Keeping the diet interesting with treats . . . . .                | 93         |
|                   | Foods to avoid feeding chickens at all costs . . . . .            | 95         |
|                   | Selecting a Form of Feed . . . . .                                | 96         |
|                   | Scratch feed and "textured" feed . . . . .                        | 97         |
|                   | Free-range and pasture feeding . . . . .                          | 97         |
