RE:  **Final Settlement Confirmation Letter – Edward Sweeney et al**

Dear Ed,

Please allow this letter to confirm that my client has authorized a final, one-time settlement in the amount of \$36,000 USD for all amounts outstanding. The current balance in default is \$56,422.56. The settlement is **strictly contingent** upon the funds being paid to  in full as agreed via email on January 22nd, 2026, as follows;

The settlement funds shall be paid via monthly bank wire transfers to our client trust account in 12 equal payments of \$3,000 each due on or before the 23rd of each month beginning 1/23/2026 and continuing through 12/23/2026 or the settlement will become **null and void**. Zelle transfers are also acceptable to our CFO's email address  (bank wire instructions below). Once each wire transfer is complete, a copy of the wire confirmation is to be texted or emailed to attention  as proof.

Please find the bank wire instructions below for the payment.

Once the complete settlement funds are received, we will issue a settled in full letter, release the UCC lien and provide copies to your offices to confirm.

Thank you for your attention to this matter. I remain,
