

Make Space to Belong

WELCOME RITUAL

Arrive in your garden party attire — florals encouraged.
You grew all year. You bloomed. Tonight is yours.
You belong here.

OPENING CIRCLE

Grounding meditation to leave the year behind.
No agenda. Just presence. Just belonging.

CIRCLE CHECK-IN

In small, intimate groups, every woman answers the questions that matter most. What did you stop doing? What did you start? What did you finally choose? Who did you become? Every voice heard. Every win witnessed.

PRACTICE & PLAY

Using the Modern Revival Art of Appreciation™, we'll slow down to explore what is true and beautiful — in ourselves, and in each other. Real, specific, witnessed appreciation that opens what has been closed and grows what already exists.

CLOSING & GRATITUDE
