

## **Conflicts of interest**

In the "Guidelines of Ci Fund Services AG on Handling Conflicts of Interest" you will find information on Ci Fund Services AG`s approach to conflicts of interest.

The aim of Ci Fund Services AG is to identify conflicts of interest at an early stage and to avoid them as far as possible. If a conflict of interest cannot be avoided due to the strategic and organisational measures defined in Ci Fund Services AG, the risk of impairment of client interests should be kept as low as possible. Ci Fund Services AG`s top priority is to resolve this conflict of interest in the interests and for the benefit of the shareholders of funds of Ci Fund Services AG.
