Candidate Brief for the Position of

Humanities Teacher : Senior School
Durham International School
Kenya

For September 2026

Message from the Principal, Durham International School

Thank you for your interest in working at Durham International School.

It is a very exciting time to be joining Durham International School. The School opened in January 2021 and has quickly established itself as a caring, vibrant and diverse learning community in Nairobi. As a Prep School, it has grown rapidly and it has continued to develop with the opening of a new purpose-built state of the art Senior School on a large site in September 2025. Students have initially started in Years 7 to 9 and are following the UK curriculum working towards both IGCSE and Sixth Form.

Our new Rosslyn campus is located a short distance from the original Prep School at Thigiri which is adjacent to the beautiful Karura Forest with its indigenous trees and many natural pathways for walking, running and cycling. The expansion of the school offers staff tremendous opportunity for personal growth and development into new roles including departmental and leadership roles.

A school's most important asset is its people and we are looking for hardworking, professional and enthusiastic individuals who are keen to become members of the Durham International School staff team. You will need to have the knowledge and experience to build and develop an academic department within your specialism as well as contribute to shaping the overall culture and direction of the school. In these early years you will need to have the flexibility to contribute in a range of areas including co-curricular activities and pastoral care. It would be also advantageous to offer a second subject.

We aim for academic excellence where high standards and expectations of learning in the classroom ensure students are fully engaged and make rapid progress. Our young people are encouraged to use their imagination, to think creatively, to explore the world around them and to strive to excel.

We are committed to nurturing every young person's potential and to ensuring that their experience of school is one filled with happiness where they develop a love for lifelong learning, respect for all and 'Confidence for Life'. We are also eager for students to take advantage of the many opportunities outside the classroom to enable them to become well-rounded individuals with the right skills for adult life.

We are a Patron Accredited member of the Council of British International Schools (COBIS). In the recent accreditation visit, COBIS commended the school on its strong relationships and the culture of kindness, support and reciprocity which is the cornerstone of life at Durham International School.

I hope you are inspired by the prospect of joining Durham International School at this pivotal time in its history and for contributing to the staff team of the Senior School on this amazing new campus. Together we will continue this journey to equip our next generation with the skills and confidence for life.

Durham International School is an exciting place to teach, learn and grow and we look forward to receiving your application.

Mr Peter Harris

Message from the Principal of Durham Cathedral Schools Foundation, UK

Since 1414, in the historic city of Durham in the north of England, Durham School has been a prestigious seat of learning. Now established in Nairobi, Dubai and Doha, the vision of Durham International Schools is to deliver outstanding education to young people around the world. At the very heart of this initiative is the resolve to inspire young minds and to instil in students a 'Confidence for Life'. This stems from Durham School's long-standing tradition of academic, pastoral, sporting and cultural excellence.

The Durham International family of four schools spanning three continents has quickly established its global reputation of delivering an inspirational education and providing its teachers exciting and rewarding careers. Durham Kenya is the only British independent school brand currently in East Africa. The School collaborates closely with its sister schools and this extended community gives both students and teachers unique opportunities to participate in a range of network activities and events.

Now entering its 6th year of providing academic excellence to families in Nairobi, Durham Kenya has strongly established itself as a school where academic ability is fostered, creativity is valued, and diversity is celebrated. With The school is now on the cusp of significant expansion and change as it adds a second campus and takes on older children.

It is an exciting time in the growth of the school and we are seeking experienced and passionate educators to join our talented Durham International School Kenya team for the next stage of our journey.

Dr Michael Alderson

Durham International School

Durham International School is a highly successful, growing school with a committed and inspirational team of teaching professionals at its heart. The school delivers the UK National Curriculum, IGCSE and Sixth Form.

Since it opened in 2021, Durham International School has exceeded expectations. It has captured the imagination of families – local and international alike – who are seeking a high-quality UK school education that goes out of its way to create a family feel and an environment where young people are able to flourish. The School currently has over 50 nationalities enrolled.

The Durham connection is of vital importance. Most obviously, this is manifested in the centrality of the MARK values and 'Confidence for Life' aspiration, but the association runs much deeper. The UK school is a part of Durham International School's governance and there is frequent contact between the schools at all levels as well as regular quality assurance visits. The schools learn from each other, and this is an important way for Durham International School to stay abreast of educational and curriculum developments in the UK.

The recent bold and exciting next stage of the school's expansion was the opening of the new purpose-built school at the Rosslyn campus in September 2025 together with the launch of the Senior School.

The School's new purpose-built state of the art Rosslyn campus is outstanding and provides an ideal opportunity to support the school's ambition to be the best international school in Nairobi. It is well-situated to serve important residential and business communities (including embassies, the UN and major organisations) and is close to the Thigiri campus, which remains the home of the Pre-Prep School up to Year 1. It is on a substantial campus that makes possible a world-class approach to holistic education, with the flexibility to adapt to current and future pedagogical developments.

Our Mission

Our Mission is to provide a rounded education; one which inspires and nurtures a love of lifelong learning, an aspiration for achievement, respect for others, and 'Confidence for Life'.

Whilst academic life is at the heart of the school, we set out to provide a host of opportunities in sport, music and drama so that every student is given a chance to explore their potential.

Our Aims

Within a community shaped by MORAL INTEGRITY and KINDNESS, Durham International School aims to cultivate RESPONSIBILITY, respect and AMBITION to ensure that every student can thrive, be happy and make a positive MARK in the world.

The three pillars of a Durham International School which support this aim and shape the environment where students can learn and grow are:

Academic challenge: providing students a lifelong appetite for learning.

Pastoral care: supporting students' emotional, moral and spiritual strength.

Co-curricular opportunities: providing opportunities to enrich and develop the individual fostering collaboration, teamwork and leadership.

We do this by nurturing and supporting our students to become:

- Thinkers who can research, evaluate, innovate, solve and create both collaboratively and independently,
- Individuals who are reflective, emotionally resilient, and effective communicators.
- Global citizens who act with responsibility and humility and are ready to make a positive contribution to society.

Our Values

The MARK of a Durham Education

MORAL INTEGRITY

Choosing what is right, even when it is difficult.
Integrity is the foundation of trust, respect, and true character.

"The time is always right to do what is right."

AMBITION

The drive to dream big, to persevere, and achieve one's full potential.
Ambition turns vision into reality.

"Aim for the moon. Even if you miss, you'll land among the stars."

RESPONSIBILITY

Taking ownership of our words, actions, and choices.
Responsibility develops accountability, strengthens character, and builds confidence.

"You are always responsible for how you act, no matter how you feel."

KINDNESS

The simple act of caring, sharing, and showing respect.
Kindness has the power to inspire, to heal, and to change lives.

"If you can be anything, be kind."

Together, these values guide us — shaping who we are and who we aspire to become

Living in Nairobi

One of Africa's most dynamic cities, Nairobi is a vital commercial and financial hub and home to the regional headquarters of major international companies and organisations, including the United Nations. Nairobi's growth rate has been one of the highest of any African city, with major real estate projects making up its burgeoning skyline.

Modern Nairobi is still considered the Safari Capital of Africa, with Nairobi National Park only 20 minutes from the centre of town, where lions and rhinos can be seen with a backdrop of skyscrapers and landing planes. With spectacular game parks all over the country and a stunning Indian Ocean coastline on your doorstep, there is plenty to see and do.

Nairobi boasts a vibrant social scene, with its cosmopolitan community offering an incredible variety of cuisines from around the world. From luxury hotels and fine dining restaurants to lively markets and local eateries, there's something to suit every taste and budget. The city's many coffee houses have become favourite spots for both business meetings and relaxed catch-ups with friends.

Nairobi has numerous shopping malls as well as large supermarket chains, complemented by local produce markets offering fresh fruit and vegetables bought directly from farmers. Local craft markets offer an excellent choice of handmade items such as clothes, art, jewellery and footwear.

Life in Kenya can also have its frustrations. Power cuts do happen, bureaucracy can be difficult, and real poverty exists in many areas. Personal security requires a degree of caution in some areas, as it does in almost every big city.

With its warm and friendly local population, great schools, a number of good private hospitals and a near-perfect climate, many expats have chosen to settle in this "green city in the sun", enjoying the wonderful quality of life it offers.

The Role

We seek to appoint a Teacher of Humanities in the Senior School with experience of teaching the UK curriculum, both Geography and History to KS3 and at least one subject up to IGCSE and to A Level or IB, for September 2026. In addition, a willingness to teach Global Perspectives to KS3.

It is our ambition to become the best international school in Nairobi. This will require world-class teachers and leaders, committed to achieving the highest standards of teaching and learning. We are also passionate about the deeply personal community where every student is known individually, a child-centred approach, a strong focus on wellbeing, and a rounded education with the MARK values permeating every aspect of the student experience.

The successful candidate will have excellent knowledge and experience of teaching the UK Humanities curriculum (Geography and History) up to KS3 and at least one subject up to IGCSE and A Level or IB. You will contribute to the development the Humanities curriculum including the creation of the schemes of work and resources, and developing wider opportunities such as trips. You will also contribute to the wider team establishing the expectations within the school.

In this early stage of the school's development everybody will need to 'muck in' and have the adaptability to contribute across a range of areas. All staff will be expected to offer some co-curricular activities and support the pastoral programme for example as a form tutor and/or offering PSHE.

Most subjects will be taught in mixed ability groups. Class sizes will be small, not exceeding 24 students, although most groups will be smaller than this. Students of all levels are encouraged to push their intellectual curiosity beyond the remit of the framework provided by the schemes of work. We aim to create a vibrant and stimulating atmosphere in the classroom where each student is encouraged to achieve their full potential.

This is a very exciting opportunity for a teacher who has at least two years of experience and has both vision and an eye for the detail required in the development of a new school – someone prepared to see the big picture and who can also roll up their sleeves and get things done. This development phase will require resilience, perseverance, agile thinking and a blend of conviction and open-mindedness.

It truly could be a once-in-a-career opportunity to join a team that is shaping a new school to become the best international school in its market. The role is available from the last week of August 2026, and it is anticipated that the successful candidate will wish to engage with the Durham International School team before taking up the position.
