Transfers of Personal Data

The Services are hosted and operated in the United States (“U.S.”) through Novi Connect and its service providers, and if you do not reside in the U.S., laws in the U.S. may differ from the laws where you reside. By using the Services, you acknowledge that any Personal Data about you, regardless of whether provided by you or obtained from a third party, is being provided to Novi Connect in the U.S. and will be hosted on U.S. servers, and you authorize Novi Connect to transfer, store and process your information to and in the U.S., and possibly other countries. In some circumstances, your Personal Data may be transferred to the U.S. pursuant to a data processing agreement incorporating standard data protection clauses or the Data Privacy Framework (discussed below).

Data Privacy Framework(s)

Novi Connect complies with the EU-U.S. Data Privacy Framework (“EU-U.S. DPF”) and the UK Extension to the EU-U.S. DPF as set forth by the U.S. Department of Commerce. Novi Connect has certified to the U.S. Department of Commerce that it adheres to the EU-U.S. Data Privacy Framework Principles (“EU-U.S. DPF Principles”) with regard to the processing of all personal data received from the European Union in reliance on the EU-U.S. DPF and in reliance on the UK Extension to the EU-U.S. DPF (the “UK Extension DPF Principles”) as to the processing of all Personal Data received from the United Kingdom (and Gibraltar). If there is any conflict between the terms in this Privacy Policy and the EU-U.S. DPF Principles and the UK Extension DPF Principles, the EU-U.S. DPF Principles and the UK Extension DPF Principles, shall govern. To learn more about the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF, and to view our certification, please visit <https://www.dataprivacyframework.gov/>.

The Federal Trade Commission has jurisdiction over Novi Connect’s compliance with the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF. This Privacy Policy describes the types of Personal Data we collect, the purposes for which we collect and use your Personal Data, and the purposes for which we disclose your Personal Data to certain types of third parties in the sections above. Pursuant to the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF, EU and UK individuals have the right to obtain our confirmation of whether we maintain Personal Data relating to them in the U.S. Upon request, we will provide EU and UK individuals with access to the Personal Data that we hold about them. EU and UK individuals may also correct, amend, or delete the Personal Data we hold about them where it is inaccurate, or has been processed in violation of the EU-U.S. DPF Principles and the UK Extension DPF Principles, except where the burden or expense of providing access would be disproportionate to the risks to the individual’s privacy in the case in question, or where the rights of persons other than the individual would be violated. An EU or UK individual who seeks access, or who seeks to correct, amend, or delete inaccurate data transferred to the U.S. under the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF should direct their query to support@noviconnect.com. If requested to remove data, we will respond within a reasonable timeframe. For more information about rights afforded to EU and UK individuals, please see the “European Union and United Kingdom Data Subject Rights” section of this Privacy Policy.

In addition, under the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF, we will provide EU and UK individuals with the choice to opt-out from the sharing of their Personal Data with any third parties (other than our agents or those that act on our behalf or under our instruction), or before we use it for a purpose that is materially different from the purpose for which it was originally collected or subsequently authorized.

We will provide EU and UK individuals with the choice to opt-in to sharing their sensitive Personal Data with any third parties or if we plan to process their Personal Data for a purpose other than those for which it was originally collected or subsequently authorized. EU and UK individuals may request to limit the use and disclosure of your Personal Data by submitting a written request to support@noviconnect.com.

In addition to any other disclosures described in our Privacy Policy, in certain situations, we may be required to disclose Personal Data in response to lawful requests by public authorities, including to meet national security or law enforcement requirements.

Novi Connect's accountability for Personal Data that it receives in the U.S. under the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF, and subsequently transfers to a third party acting as an agent on our behalf is described in the EU-U.S. DPF Principles and the UK Extension DPF Principles. In particular, Novi Connect remains liable under the EU-U.S. DPF Principles and the UK Extension DPF Principles if our agents process Personal Data in a manner inconsistent with the EU-U.S. DPF Principles and the UK Extension DPF Principles, unless Novi Connect proves that we are not responsible for the event giving rise to the damage.

In compliance with the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF, Novi Connect commits to resolve EU-U.S. DPF Principles and UK Extension DPF Principles-related complaints about our collection and use of your Personal Data. EU and UK individuals with inquiries or complaints regarding our handling of personal data received in reliance on the DPF should first contact Novi Connect at support@noviconnect.com.

In compliance with the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF, Novi Connect commits to refer unresolved complaints concerning our handling of personal data received in reliance on the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF to JAMS, an alternative dispute resolution provider based in the U.S. If you are an EU or UK individual and you do not receive timely acknowledgment of your EU-U.S. DPF Principles or UK Extension DPF Principles-related complaint from us, or if we have not addressed your EU-U.S. DPF Principles or UK Extension DPF Principles-related complaint to your satisfaction, please visit <https://www.jamsadr.com/dpf-dispute-resolution> for more information or to file a complaint. The services of JAMS are provided at no cost to you.

Notwithstanding the foregoing, with regard to unresolved complaints concerning our handling of human resources data received in reliance on the EU-U.S. DPF and the UK Extension to the EU-U.S. DPF in the context of the employment relationship, Novi Connect commits to cooperate and comply with, respectively, the panel established by the EU data protection authorities, and the UK Information Commissioner's Office and the Gibraltar Regulatory Authority.

If your EU-U.S. DPF or UK Extension to the EU-U.S. DPF complaint cannot be resolved through the above channels, under certain conditions, you may invoke binding arbitration for some residual claims not resolved by other redress mechanisms.
