Inspiration Excursions

2025

inspiration excursions®

Inspiration is a strategic input, innovation is the output.

Inspiration Excursions are curated educational innovation program for leaders, teams, creators and change seekers.

We explore cities like New York, Mexico, Tokyo, London, Paris and others unlocking innovation through our different inputs.

New inputs \longrightarrow New outputs

Collaboration with Rojkind

Michel Rojkind, Hon. FAIA (Mexico City, 1969) is an architect and founder of Rojkind Arquitectos, a Mexico City-based studio acclaimed for its innovative approach to urban strategies and architectural solutions.

With over two decades of work in Mexico and abroad, his notable projects include the 21st Century Cineteca Nacional, Foro Boca, Casa Pasiddhi, Pictograma Winery, and The Ledger in Bentonville, Arkansas. His work has been featured in The New York Times, Wallpaper, Architectural Digest, and Forbes. A frequent lecturer and visiting professor at institutions such as Harvard, UPenn, SCI-Arc, and IIT, he has earned distinctions including Emerging Voices and was named Honorary Fellow of the American Institute of Architects in 2025.
