

Welcome to
Little Picardy

Introduction ...

Come discover a space that's as unique as your event. Tucked alongside the Edinburgh Playhouse, our bar offers an inviting, intimate space designed for connection, creativity and celebration.

Known for our expertly crafted speciality cocktails, each drink is bold, memorable, and made to be savoured.

The space itself is warm, flexible, and entirely yours to shape. Whether you're hosting a private party, post-show gathering, creative showcase or corporate event, we cater to a wide variety of events with ease.

Equipped with a high-quality sound system and a projector, the bar is ready to support everything from music and speeches to screenings and presentations. It's more than just a bar, it's a personal experience.

The Mezzanine...

Perched above the main bar, our mezzanine offers a cosy, intimate setting perfect for smaller gatherings and more personal occasions. With its relaxed atmosphere and close-knit feel, it's an ideal space for bringing people together, whether that's for a birthday celebration, private drinks reception, team social or creative meet-up.

Like the rest of the venue, the mezzanine can be tailored to suit your event. Guests are welcome to decorate and shape the space to reflect their style, creating a setting that feels truly their own.
