
Joseph Piano jr & Lisa Tshudy-Piano

Last Updated: July 28, 2025

OBJECTIVE:

We currently are full time RV'ers. We are seeking work camping jobs in multiple areas of employment. Joe specializes in broad scope maintenance and heavy equipment operations. Along with line cook and food prep experience. Lisa has extensive experience in equestrian care and handling, housekeeping, light maintenance, reservations or other customer-contact positions. Along with food prep experience

BACKGROUND:

Joe has built two homes, serving as primary contractor. he has also done his own remodeling, excavation, wiring, painting, carpentry and any necessary repairs needed. He ran his own excavating pool business which entailed manual labor, equipment operation, scheduling and customer relations. He maintains all requirements of an up to date CDL. Joe has also had experience working as a line cook and food prep. Lisa has experience with comprehensive care of horses for many years. She has independently owned her own horses and worked on a farm most of her younger years.

Working outdoors is Lisa's preference, but she also takes pride in her housekeeping skills, cleaning and customer relations. Working in a campground, Lisa has dealt with checking customers in, scheduling campsites, taking payments for campsites and managing merchandise. She has operated a credit card machine, inventoried and stocked items within the gift shop and handled money. She has helped with light maintenance within the campground including facility maintenance including the pool, restrooms, cabins and flower gardens. She also takes pride in ground maintenance. Lisa has also experienced some food prep and line cook experience along with Joe.
