REAL ITALIAN

Salvi's

FAMILY CUISINE

15<sup>th</sup>  
BDAY!

In 2010, we opened a tiny deli with a big dream:  
***to bring the real flavours of Naples to Manchester.***

From the dishes to the design, this *il Primo* menu is a tribute to  
where it all began **15 years ago.**

It features the classics that built Salvi's, like Mozzarella di Bufala  
from Campania and Pizza Fritta straight from the streets of  
Napoli... along with a few hidden gems that may have gotten lost  
in history, but never in our hearts.

There's a reason our motto has always been ***Imported from Italy,  
Made in Manchester.*** It's not just about ingredients- it's about  
*identity.*

**Grazie** for being part of the journey. Here's to the memories, the  
meals, and many more years to come!
