

SDA vs SIL - Page 1

SDA stands for Specialist Disability Accommodation.

SIL stands for Supported Independent Living.

Your SDA and SIL are run by different companies.

Together, they help you live safe and happy in your home.

SDA vs SIL - Page 2

SDA is your house.

SDA providers look after your home and keep it safe.

They fix things and keep the home safe.

SDA vs SIL - Page 3

SIL is your daily support.

SIL providers help with daily tasks like cooking, cleaning, and personal care.

They help you get out into the community and learn new skills.

You can change your SIL provider without leaving your home.
