## APRESENTAÇÃO DO CENTRO UNIVERSITÁRIO REDENTOR (UNIRENTOR - AFYA)

6

Destinada a propostas modernas e à cultura, fez-se presente, nos anos finais da década de 90, no Noroeste Fluminense, uma das grandes instituições de Ensino Superior do Estado do Rio de Janeiro: a Sociedade Universitária Redentor, hoje, denominada UniRedentor/Afya, por sua integração ao maior grupo de formação de profissionais de medicina do país!

A história da UniRedentor/Afya começou quando um grupo de educadores verificou que havia uma grande emigração de jovens para outras cidades, visando ao aperfeiçoamento profissional.

Porém, nesse processo de procura, analisou-se um fenômeno, até então, sem registros: o êxodo das potencialidades culturais e cognitivas, que é o caminhar do desenvolvimento social, econômico e cultural em quaisquer cidades, especialmente, as interioranas.

Em dezembro de 1999, visando à área educacional, a Sociedade Universitária Redentor mostrou-se convicta por instalar, em Itaperuna, uma Instituição de Ensino Superior - IES, a fim de que suas conquistas pudessem somar às conquistas da localidade e região, oferecendo, sempre, cursos diferenciados com padrão de excelência.

Esses ideais inspiraram-na à constante luta pelo credenciamento e ele veio, na histórica data de 07 de março de 2002, com nota máxima de autorização.

Como a UniRedentor/Afya vem se mostrando cada vez mais direcionada ao ensino de qualidade na graduação e na pós-graduação, teve, em 2008, a consolidação do seu espaço físico, situado na Rodovia Federal BR-356, número 25.

Mais do que oferecer educação, a Instituição assumiu o dever de auxiliar professores, alunos e comunidades, estando fundamentada na solidariedade e no respeito humano, com o projeto Coordenadoria de Atendimento e Suporte ao Aluno - CASA. No ano de 2019, o projeto CASA foi redimensionado nas seguintes estruturas: Núcleo de Experiência Discente (NED), Núcleo de Apoio Pedagógico e Experiência

Docente (NAPED) e Núcleo de Empregabilidade (NEMP).

Também oferece atendimento de saúde à população por meio da Clínica Escola CACI que vem ofertando atendimento médico especializado e multiprofissional em diversas áreas, gratuitamente, numa parceria com prefeituras da região. Além disso, a UniRedentor/Afya ainda possui um Núcleo de Práticas Jurídicas que oferta serviços na área jurídica, gratuitamente, a todos que necessitam deste tipo de acompanhamento.

Além da graduação, a IES também possui um Departamento Nacional de Pós-graduação, com representatividade em todo território nacional, oferecendo cursos lato sensu em parceria com as principais associações médicas do Brasil.

Educar, preparar e formar são sinônimos da palavra UniRedentor/Afya, pois, aqui, preparam-se os melhores profissionais do imenso território nacional e internacional.

Em 2019, a UniRedentor foi integrada à Afya, maior grupo de faculdades de Medicina do Brasil em número de vagas autorizadas pelo Ministério da Educação (MEC).
