

MILPITAS RESIDENTIAL STREETS ARE SWEEPED TWICE A MONTH TO KEEP OUR NEIGHBORHOOD STREETS CLEAN AND STORM DRAINS OPEN

Please remember to move your vehicle on your street sweeping days. Vehicles left on the street will block the sweepers and prevent them from keeping our storm drains clean. This, in turn, pollutes our bay as storm drains flow directly to the bay.

- Find your sweeping schedule here:

www.milpitassanitation.com/pickup-schedule or by scanning the QR code.

- For Parking Prohibited Street Sweeping Program Areas, follow the street sweeping hours on the posted signage.

When vehicles and other obstructions block the street, sweepers cannot remove debris against the curb.
