Prevent Food Waste!

Californians throw away nearly 6 million tons of food waste each year. Milpitas kept 3,217 tons of food waste out of the landfill in 2024 by putting it in the food scraps bin, but we can do even better.

GIVE EDIBLE LEFTOVERS TO EMPLOYEES OR DONATE EDIBLE FOOD TO A CHARITY OR FOOD BANK.

- Second Harvest Food Bank of Silicon Valley
www.shfb.org or (408) 266-8866.
- Visit www.sccfoodrecovery.org to find other potential food recovery organizations that you can connect with.

Did You Know?

You're protected when you donate leftover food. The Bill Emerson Good Samaritan Food Donation Act passed in 1996 protects restaurants from civil and criminal liability should a recipient get ill or hurt as a result of consumed donated food (unless gross negligence or intentional misconduct).

TAX INCENTIVES FOR FOOD DONATION

Federal and State tax incentives can help offset the costs of donating surplus food. All types of businesses are eligible. Learn more in this one-page fact sheet on tax incentives.

Still Have Food Waste?

Make sure to place any remaining food scraps, coffee filters, or tea bags in your **brown food scraps** container. If you bag these items before placing them in your **food scraps** container, **use only clear bags**. This keeps these items out of the landfill and ensures they get recycled into valuable resources.

We're Here to Help!
