

## Proper Sorting Makes a Difference!

### Recyclable Containers

These items belong in the **blue recyclables** container, NOT the garbage:

- glass bottles and jars
- metal cans and scraps pieces
- aluminum foil
- hard plastic bottles, jars, tubs and trays

### Use Clear Bags for Food Scraps

These items belong in the **brown food scraps** container, NOT the garbage:

- fruits and vegetables
- peels, pits and rinds
- meat and bones
- coffee grounds and filters
- tea leaves and bags
- bread, pasta and other grains
- dairy products

Tip: Place directly in the food scraps container or use only clear plastic bags (no black bags or other non-clear bags).

## COMPLETE OUR SURVEY FOR A CHANCE TO RECEIVE A \$50 CREDIT ON YOUR NEXT BILL

We want to know what we're doing well, what we could improve on, and everything in between, so that we can serve you better.

Scan the QR code below with your phone camera to go to our free online survey. Submit your survey responses by **January 1, 2026** to be entered in a raffle to win a **\$50 credit**. Only completed surveys are entered. The winner will be selected in January and notified via email.
