

MILPITAS RESIDENTIAL STREETS ARE SWEEPED TWICE A MONTH TO KEEP OUR NEIGHBORHOOD STREETS CLEAN AND STORM DRAINS OPEN

Please remember to **move your vehicle on your street sweeping days.**

Vehicles parked on the street will block the sweepers and prevent them from keeping our storm drains clean of litter and leaves.

This pollutes our bay as storm drains flow directly to the bay.

For Parking Prohibited Street Sweeping Program Areas, follow the street sweeping hours on the posted signage.

Find your sweeping schedule here:

And here: www.milpitassanitation.com/pickup-schedule

When vehicles and other obstructions block the street, sweepers cannot remove debris against the curb.

Clear Plastic Bags Can Be Recycled

Collect your **clear** plastic bags in another **clear** plastic bag, tie it, and place it in the **blue lid side** of your **blue recyclables split cart** to ensure they get recycled.

Colored bags or un-bagged bags, whether they're clear or colored, will NOT be accepted and instead belong in the garbage. Plastic delivery/mailer packaging and film plastics like bubble wrap and cling wrap will also NOT be accepted and belong in the garbage.
