

## THE ALL-IN-ONE TOUCHSCREEN DEVICE FOR INDEPENDENT AND ENGAGING LEARNING

Launchpad Quest transforms shared public spaces into dynamic learning environments where children discover new interests, build foundational skills, and accelerate growth.

### WHAT IS LAUNCHPAD QUEST?

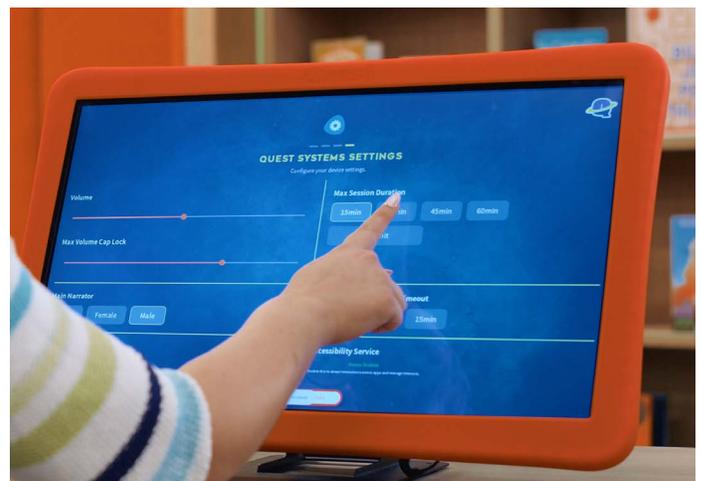

Empower young learners ages 3–10+ with a self-contained 21.5” touchscreen learning hub that delivers screen time you can trust—featuring engaging, age-appropriate content with no downloads or maintenance necessary.

#### Ready to use right out of the box.

Children team up with a friendly Playaway Pal to explore six core subjects with up to 150 educational games, storybooks, activities, and more. All curated for spontaneous and independent interaction.

### Designed for places where children come and go, devices are shared, and staff don't have time to troubleshoot.

- Frictionless setup and maintenance
- Staff-facing Admin Portal + Set-up Wizard gives you control over max volume, screen time limits, auto-power on/shut down times, and more
- Our per device analytics dashboard delivers real-time usage insights and respects privacy by design
- Backed by a 3-year limited warranty and an extended warranty option
