

## What is Launchpad Quest?

Launchpad Quest is an interactive digital discovery hub for kids ages 3–10+, designed to make learning feel like play. Kids explore educational games, stories, and creative activities guided by friendly characters called Playaway Pals. Each Quest is tailored to their age, helping them build skills while staying engaged and motivated.

### What Kids Do on Launchpad Quest

1. **Choose Their Mission Level :** Kids select their age group so activities feel just right — not too easy, not too hard.
2. **Explore with Playaway Pals:** Friendly characters guide kids through games, stories, and hands-on learning activities.
3. **Complete Mini Adventures:** Each app is a small win! Kids build confidence as they solve problems, create, and explore.

## What They're Learning

- **Learn Through Play:** Every Quest blends entertainment with meaningful skill-building.
- **Critical Thinking & Problem-Solving:** Puzzles, logic games, and interactive stories help kids think and reason.
- **Creativity & Imagination:** Music, art, and storytelling encourage self-expression.
- **STEM Skills:** Science, math, and technology concepts presented in kid-friendly ways.
- **Literacy & Language:** Reading, vocabulary, and comprehension skills grow naturally through play.

## Why Parents Love It

- **Safe & Secure:** No ads, no logins, no personal data collected.
- **Curated for Learning:** Rigorously tested and vetted apps.
- **Learning That Continues at Home:** Borrow a Launchpad Quest Companion Pack to extend your child's Quest beyond the library.

**Ask your librarian for a  
Launchpad Quest Companion Pack today!**

Play, learn, and discover—anywhere!
