

CONTINUE THE QUEST AT HOME!

Your child's adventure doesn't have to end here.

When time on Quest is up, keep curiosity growing with a Launchpad Quest Companion Pack!

- ✓ **Launchpad** brings the Quest experience beyond the library, giving kids a safe, engaging way to keep learning through play—at home or on the go.
- ✓ **Learning that feels like fun:** Kids stay engaged with games, stories, and activities designed to spark creativity and curiosity.
- ✓ **Safe, independent exploration:** No internet, no ads, no in-app purchases — just worry-free learning parents can trust.
- ✓ **Easy for kids. Easy for parents.** No setup required. Just turn it on and start exploring.

From Quest to Launchpad, take learning with you.
