

# PLAYAWAY

THE ALL-IN-ONE AUDIOBOOK

## Helping Every Reader to Bloom.

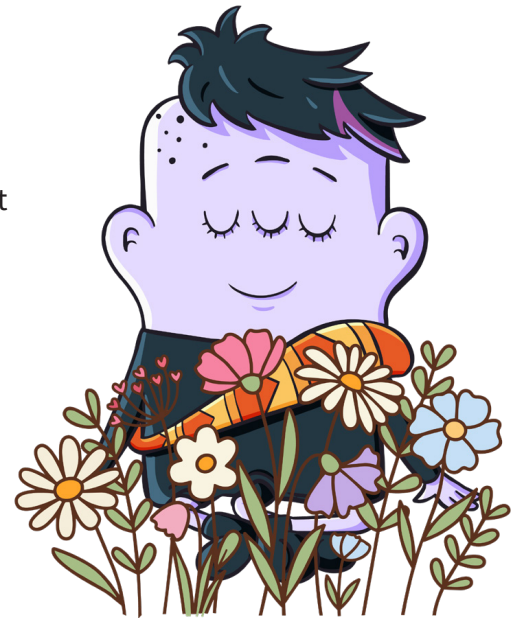

Students deserve access to stories that inspire learning and a love of reading.

Students enter classrooms with diverse reading abilities, learning needs, learning styles, and challenges to accessing reading materials. Educators need literacy tools that support **equitable access** and removes barriers to books while assisting classroom instruction, intervention, and independent reading.

Playaway provides access to professionally narrated audiobooks that strengthen literacy skills, support independent learning, and help students experience books beyond their independent reading level—without screens, Wi-Fi, downloads, or apps.

### Ready When Students Are

- **Pre-loaded audiobooks** allow for instant access to stories and curriculum without setup.
- **No Wi-Fi, downloads, apps, or accounts** ensures every student has reliable, equitable access.
- **Simple controls** encourage independent listening and self-directed learning.
- **Portable design** supports learning in classrooms, libraries, at home, and on the go.
- **30+ hours of battery life** keeps students listening with minimal interruptions.
- **No subscriptions or annual licenses** provide long-term value for schools.

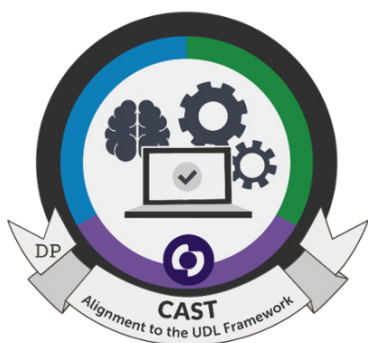

### A Collection That Grows With Your Students

More than **7,000 professionally narrated audiobooks** help educators expand access to literature, curriculum support, and inspire lifelong readers, including:

**Biography**  
**STEM** **Chapter Books**  
**Spanish & World Languages**  
**Curriculum Support** **Early Readers**  
**Middle & High School Fiction** **Award Winners**

## Classroom Benefits

- Makes grade-level books and curriculum more accessible through listening
- Strengthens vocabulary, fluency, pronunciation, comprehension, and background knowledge through professional narration
- Supports English learners, striving readers, and students with IEPs
- Encourages independent, focused, distraction-free learning
- Supports classroom instruction, intervention, independent reading, literacy centers, and take-home learning
- Minimizes technology management so educators can focus on instruction

## Universal Design for Learning

Playaway is one of the only physical learning products recognized by CAST® for Universal Design for Learning, providing an additional pathway for students to engage with books and curriculum.

## Supports Funding Priorities

Playaway aligns with many school and library funding initiatives, including :

- Title I
- Literacy Grants
- Universal Design for Learning (UDL)
- English Learners Programs (EL)
- Special Education
- MTSS / RTI
- Summer Learning
- Family Literacy
- School Improvement Initiatives

## One Resource. Endless Opportunities to Learn.

Playaway supports classroom instruction, intervention, independent reading, and take-home learning—all with a single resource that helps students build literacy skills, gain confidence, and discover the joy of stories through listening.
