RELIABLE

For more than 50 years Bredal has been specialising in production of high-quality lime and fertiliser spreaders for agricultural purposes. The companies goal is to build reliable machinery, precise in exploitation, simple in operation and maintenance. In recent years, the Bredal product range has been expanded to include winter equipment in the form of sand and salt spreaders.

Bredal is located in Vejle, Denmark, where it has state of the art production facilities with latest equipment used for producing the high-quality spreaders.

Bredal Australia is the sole importer into Australia, located in Gunnedah NSW. Bredal Australia has staff presence in Western Australia and through out the Eastern States including Tasmania and South Australia for Sales, spare parts and service backup support.

Visit www.bredalaustralia.com to find your nearest Bredal dealer.
