Welcome to Your Prayer Passport

This passport is your invitation to take part in *I heart for the House* through the most important first step... **prayer.**

Prayer is not reserved for a few; it's accessible to everyone. As a church, we believe prayer is the cornerstone that turns vision into reality and possibility into impact. When you pray, you carry the mission of 7 Hills beyond the walls of the building. **You carry the mission locally, regionally, and globally.**

Just like a passport allows you to step into new places, this prayer passport is designed to guide you into new possibilities. Inside, you'll find our mission partners and outreach efforts and how to pray for each one. Bring your passport with you to church each week and collect stamps as you pray through these outreach areas! Importantly, you will also find space to share the things you're believing God for in this next season. You can write names and glue in photos of what is on your heart. These pages can be torn out of your passport so you can bring them with you on Heart for the House Sunday (December 13, 2026). We will join our faith with yours in prayer.

In the back cover, you'll find an invite kit and other essentials designed to help make inviting friends, families, and co-workers to join us at a 7 Hills Church location or online.

Every time you open these pages, you're helping
Expand Heaven One Person at a Time.

Let's take this journey together, turning *prayer into possibility.*

*Possibility Begins
At Home*

What are you believing God for?

Before we pray for what God will do through our church, our cities,
and around the world, we begin closer to home.

Because the God we serve is not only interested in the big vision.

He is present in the details of your life.

He cares about your family.

Your health.

Your relationships.

Your future.

The person you love who feels far from Jesus.

The situation you cannot fix on your own.

The area of your life where you need breakthrough.

Nothing you carry is too small for His attention or
too complicated for His power.

So, before you turn these pages and begin praying for the possibilities
God is creating through 7 Hills Church, take time to name the possibilities
you are believing for in your own life.

We believe God moves through prayer.

Use these pages to capture the people, places, circumstances,
and prayers God has placed on your heart.

Write the names of people you are praying for.

Write the prayers you are believing God to answer.

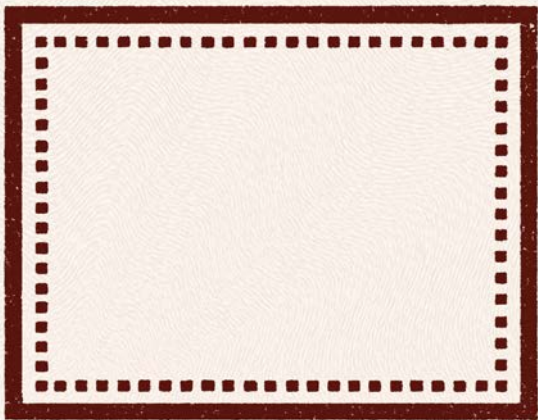

Add photos, notes, or reminders of the people and situations
you want to keep before Him.

Dream with God about what could be different one year from now.

On Heart for the House Sunday, December 13,
you'll have the opportunity to tear out these pages and bring them with you.
Together, our church family will pray over every name, every photo,
every need, and every possibility represented.

And sometimes, possibility begins with simply bringing what matters
most to us before Him.

Thank You For Praying

Thank you for taking this journey with us.

Every prayer you prayed, every name you wrote down, every ministry and outreach you lifted up, and every moment you asked God to speak to you matters. At 7 Hills Church, we believe prayer comes first. Before plans, before projects, before expansion, we want to hear clearly from the Holy Spirit and follow where He leads.

That is the heart behind **Heart for the House**.

Once a year, we come together and ask God a simple question: **What would You have me do?**

There is no pressure to give financially. We are simply asking every person and family to pray, listen, and take the next step of obedience God places on their heart.

The offering we receive on Heart for the House Sunday helps determine the pace and speed at which we can move into the opportunities God puts before us in the year ahead. It allows us to expand ministries, reach more people, support outreach partners, strengthen our locations, and keep moving the mission forward.

But the call is bigger than a financial gift. The call is obedience. When each of us listens for the voice of God and responds in faith, we get to see what He can do through a church fully surrendered to Him.

Join us on **Sunday, December 13** for Heart for the House Sunday.

Come ready to pray.
Come ready to listen.
Come ready to respond.

And together, let's keep turning **Prayer Into Possibility** as we
Expand Heaven One Person at a Time.

Pastor Marcus

**Be sure to invite your friends, families
