3-6 Water Polo

Over the past four weeks, our Year 3–6 students have been participating in Water Polo sessions at the Launceston Aquatic Centre. Under the guidance of coach Lionel, students have been developing their skills in swimming with a ball, throwing and catching, and working together to score goals.

The program concluded with a fun and energetic mini tournament, where students had the opportunity to put their new skills into practice. Who knows—there may even be a future Australian Water Polo player in our midst!

Congratulations to all students for demonstrating excellent water safety, resilience in learning new skills, and a positive attitude while having fun together!

Message from the Principal

»» Mr. Glenn Mace

Last week, I was at a CEN Conference where the speakers repeatedly reinforced the importance of seeking God first in every aspect of our lives.

**Seek first God's kingdom and what God wants.
Then all your other needs will be met as well.**

Matthew 6:33 (NCV)

What does it look like to seek God first in our everyday lives? Perhaps it's making our very first task each morning to commit our day to the Lord, inviting Him to guide, guard, and govern every part of our day and every area of our lives, keeping us continually in the center of His will.

Equally important is for us to seek God first as a school, because if we instead decide to follow our own wisdom and what we think is best, we may lose sight of the vision God has given us for the future and fail to move forward in obedience to His leading. Going our own way will inevitably cause us to drift into a worldly view of success, which really is not success at all.

As a Board and Management team, we have prayerfully sought the Lord's wisdom in every decision and every plan concerning the future of NCS, desiring to grow only as He leads us. We wholeheartedly believe that God has directed us toward the upcoming building projects.

Therefore, this week, we proceed with the next step in the process, which is meeting with the ISBGAT panel to present our plans and our vision for the future, and give them

a tour of our school. The panel will determine our eligibility to receive funding for our building project, and if so, how much.

We are committed to partnering with you all throughout this process, as we desire to do this journey together as a community. We need your support, and therefore we are asking if you would uphold us in your prayers, especially this week. Meeting with the panel is a significant part of the process, and we are seeking God's blessing concerning the funding we may be eligible for. Our prayer is that we would not receive a dollar more or a dollar less than what God ordains, as we go about building God's Kingdom and not a worldly empire.

And God will generously provide all you need.

**Then you will always have
everything you need and
plenty left over to share with others.**

2 Corinthians 9:8 (NLT)

Grandparents Day

Grandparents Day was filled with smiles, songs and special memories. As part of the Grandparent Assembly, Mr Cooper and our Kinder and Prep students worked together to create a wonderful song to honour the grandparents in our community.

Geneva Cross Country

Last Friday, 30 students represented NCS at the Geneva Cross-country event. The weather was quite a challenge, with muddy and slippery conditions like we haven't seen in 10 years. Despite this, every single student powered through the whole track, representing our school really well and getting delightfully muddy in the process! Huge shoutout to everyone for your determination! Several students even earned a spot in the top 10 for their age groups—what an amazing achievement! A massive thank you to the parents who came out to support their children, and a heartfelt appreciation to Geneva Christian School for hosting this fantastic event!
