Message from the Principal

Mr. Glenn Mace

Welcome to Term 3!

I hope everyone enjoyed the two-week break.

Although we're in the middle of the coldest part of the year, this season is also providing us with signs of encouragement. Have you noticed the days are gradually getting longer? Daffodils are also brightening up gardens everywhere, and the wattle trees are beginning to blossom. I am so grateful for these indicators of hope this time of year that I can focus on in the midst of winter.

In the holidays, I was very thankful to the Lord that Annette and I were able to spend a few days on a tropical island. Yet, I'm equally thankful that we have a nice, cosy, warm home to come back to.

What are you grateful for?

At school, we are blessed with warm, welcoming classrooms to walk into on frosty mornings. Mrs Kleyn is always ready to greet us with her friendly smile as we enter the reception area. Our teacher aides are consistently kind, caring, and willingly helpful. More importantly, every teacher upholds each of their students in prayer, not only for them academically, but also for their mental, spiritual, and physical well-being.

**In every situation
[no matter what the circumstances]
be thankful and continually give
thanks to God;
for this is the will of God for you
in Christ Jesus.
1 Thessalonians 5:18 (AMP)**

God blesses us so abundantly and generously, but sometimes we don't notice the blessings because we are focusing on other things.

Don't forget to remember... to thank God today for all the good things He has poured into your life.

Back at school for Term 3

It was wonderful to see everyone back at school for the start of term 3! With beautiful blue skies and lots of smiling faces, it was a great way to begin the new term. We are thankful for God's blessings and look forward to a term filled with learning, friendship and growth.

Science Week & Trivia Night

Please note that Science week has been pushed back a week to Monday the 17th – 21st of August. Our science week assembly will now be on Friday the 21st at the EPC church building at 9am. We would love to see you there.

Operations Officer Commencing Mid Term 3, 2026

**Newstead
Christian
School**

Newstead Christian School invites applications from a capable and motivated Operations Officer to join our committed, Christ-centred community. This new and exciting role ensures the School operates with financial integrity, operational excellence, and mission-aligned governance. The Operations Officer supports the smooth day-to-day running of the School by coordinating key areas such as Human Resourcing, Compliance, Business Administration, and IT maintenance.

For further information about Newstead Christian School, visit our website <https://www.ncs.tas.edu.au/> or to receive an Application Pack for this position, please email office@ncs.tas.edu.au

Closing Date: 10th August 2026
