

## TECHNICAL DATA SHEET

### LIGURIA

#### TECHNICAL DATA

| Model / Type     | LIGURIA      |          |
|------------------|--------------|----------|
| Reference        | LIG-T03A     | LIG-T03B |
| Pan (litres)     | 20           |          |
| Dimensions (mm)  |              |          |
| Width            | 345          |          |
| Depth            | 575          |          |
| Height           | 315          |          |
| Voltage          | 3x400V       | 1N230V   |
| Power            | 4.5kW        | 2.9kW    |
| Fuses            | 11.3A        | 12.6A    |
| Heating element  | 1            |          |
| Protection index | IPX3         |          |
| Net weight (kg)  | 22           |          |
| Power cable (m)  | 2.5          |          |
| Remark           | Without plug |          |

#### FEATURES AND BENEFITS

- Simple and effective power adjustment thanks to the pulse regulator. The heating power can therefore be continuously adapted, even when the water is already boiling.
- Its strong heating power in a compact volume enables fast heating.
- 20 litres tank, pressed from one piece of metal without welding.
- 100% stainless steel construction, strong and sustainable.
- High quality components and finish to meet the highest expectations.
- Easy cleaning and optimum hygiene thanks to the rounded corners and the pivoting heating element.
- Front water drain tap and integrated fresh water tap. Can be connected to a water inlet, with dosing valve.
- Easy to use with its one main button for control temperature.
- Sold with 4 round baskets, other baskets available under the "Accessories" section.
- Possibility of placing it on a storage unit that can contain G/N trays.
- Security thermostat with reset button.
- Supplied with lid.
- Swiss Made: manufactured in our factory in Romanel-sur-Morges.
- CB certified / 2-year warranty / 20-year spare parts.

#### OPTIONS

- Voltage 1N230V

#### ACCESSORIES

- Rectangular baskets
- Small rectangular baskets (for portions)
- Support table with storage, for GN containers
