Student Account Program

Introducing the Student Lunch Account Program for SD45 Secondary Schools

A faster, easier, safer way for students to pay for lunch.

Who We Are

Gemini Foods has had the pleasure of serving secondary schools across West Vancouver since 1996, including West Vancouver Secondary, Sentinel, and Rockridge.

Our focus is simple: provide reliable, quality meals with a focus on ingredients, consistency, and a positive student dining experience.

Why We're Introducing This New Student Account Program?

Cash gets lost, cards go missing, and parents don't always know how lunch money is being used.

This new digital system fixes those issues:

- Students pay with a secure QR code
- Parents can add funds anytime
- Purchases are fully visible
- Cafeteria lines move faster
- No more lost lunch money

This system is already used successfully at other schools, and students adapt to it quickly — no stress, no complicated setup.

Our goal is straightforward: make lunch easier for students and clearer for parents.

Benefits and Features of the Program

No Cash or Cards Needed

Add funds anytime anywhere

View Balances Instantly

Faster Cafe Lines

Already Tested and Used Successfully

Secure and Privacy Protected

Secure & Privacy-Protected: All data is encrypted, and no payment information is ever stored by Gemini or the school. QR codes can be disabled instantly if needed.

Gift Code

HLJ2-HWG5-QV36-P82Y

Redeem your gift card by presenting the QR code or card number in this email to the merchant.

VIEW CARD DETAILS

To add this card to Apple Wallet or WalletPasses app, open this email on your iPhone, iPod touch or Android device and tap the Add to Wallet badge.

Once your account is created, your child will receive a unique QR code.

Please save this QR code to their phone (or print it if needed) so they can scan it at the cafeteria checkout.

How to Reload the account

Step 1: Visit

https://www.geminifoods.ca/student-account

Step 2: Select

Step 3: Fill in the account number to reload or check balance

Frequently Asked Questions

Is this program mandatory?

No. Students can still pay with cash or card if they prefer. The digital account is simply a faster and more convenient option.

Are there any fees involved?

There are no additional fees to create or use a student account. You only add the amount you choose for your child.

How does my child use the system?

Your child will receive a unique QR code once their account is created. They simply open it on their phone and scan it at the cafeteria checkout. If they don't bring a phone, the code can be printed instead.

What if my child loses their phone or can't find their QR code?

You can retrieve the QR code from your email or reach out to accounts@geminifoods.ca for further assistance.

Will I be able to see what my child buys?

You can see all purchases and balances instantly. Item-level details are coming soon as we expand the system.

What if I have more than one child in the school?

You can manage multiple student accounts from a single account or create as many as you would like, each with their own balance and QR code.

Can my child overspend?

No. Students can only spend the amount loaded into their account. They cannot go into a negative balance.

Need Help Getting Started?

We're Here to Support you

If you have any questions, need help setting up your account, or want clarification on how the program works, please reach out anytime.

Our team is happy to assist you and ensure the transition is smooth for both you and your child.

No question is too small — we respond quickly and are here to make this easy for you and your student.
