Kid-O-Bunk®

With Organizers

With Kid-O-Bunk® You get to Invite The Whole Family

Lack of room doesn't have to mean a lack of visitors. For holidays, sleepovers and any time, **Kid-O-Bunk®** helps you turn any space into an impromptu guest room. Not just room for one bed but two. Because they're bunkable, you instantly have 2x the sleeping accommodations – so great when you have more guests than space.

- **Kids Love 'Em.** Indoors or outdoors, **Kid-O-Bunk®**'s cool factor with kids is off the charts. These instant bunk beds put the fun in functional with room for more friends to sleep over.
- **Easy to Use, Easy to Store.** With **Kid-O-Bunk®**, you always have a spare bed waiting and ready at a moment's notice. It sets up in no time without any tools. It conveniently stows away in its own compact carrying bag that can slide under the bed or in a closet when not in use.
- **Double Up.** **Kid-O-Bunk®** is bunkable to help you make room for more guests in the same amount of space. The more, the merrier.
- **BYO Bed.** Traveling with your family over the holidays or vacation? Bring your **Kid-O-Bunk®** with you. This way, you're always guaranteed a supportive, enjoyable place to sleep. Don't leave home without it – and you'll never have to pay for an uncomfortable rollaway cot at a hotel again.
- **Take a seat.** You are assured that everyone gets a good night's rest. During the day, you can easily convert **Kid-O-Bunk®** into a bench for more seating. And, when your guests take off, the beds can disappear just as fast to free up space again.
- **Get Accessorized.** Included side organizers allow you to store your personal items within arm's reach. Everything from your electronic device, keys, reading materials and more.
