Finally a Robust, Portable and Bunkable Cot that Even The Largest Of Outdoor Enthusiasts Gets To Sleep Comfortably On.

Love spending time in the great outdoors? Tired of looking for a sleep solution that is not only ultra-strong and super comfortable, but holds a maximum weigh capacity? The **Disc-O-Bed® 2XL**, with a tactical look in its fabrication is perfect for the active hunter or shooting sports enthusiast.

- **Taller, wider and longer.** Sports our longest and widest sleeping surface of all **Disc-O-Bed®** bunkable cot systems. With a weight tolerance of 600lbs (per single cot) - now just about anybody can fit!
- **Pack it in.** Fits inside most of the larger camping tents in either a single and bunked configuration. Make the most of your tent space by going vertical.
- **No tools? No problem.** The robust **Disc-O-Bed® 2XL** with its modular disc system makes tool-free construction a breeze. All loose pieces stored in the included compact carry bag.
- **Stay high and dry.** Features a unique rounded base to prevent tent damage while keeping your body fully supported and off the ground. Use the extra room underneath for quick-access storage.
- **Take a seat.** Convert the **Disc-O-Bed® 2XL** to a stable and supportive bench in a few simple steps. When it's time to tuck in, snap the system back in bunk formation or individual beds quickly and easily.
- **Load up.** The included side organizers with molle webbing keep your gear off the ground and out of the way for the ultimate in camping luxury.
