### Kid-O-Bunk™ by Disc-O-Bed™

Kid-O-Bunk™ ([www.kidobunk.com](http://www.kidobunk.com)) is a kid-friendly mobile sleep solution (ages 7-12) providing no-tool, easy-assemble cot systems for any home or travel situation.

- Developed by Disc-O-Bed™ ([www.discobed.com](http://www.discobed.com)), a family-owned business and leader in ready-to-go sleep systems for the demands of disaster relief, troop deployment and outdoor enthusiasts.
- Perfect for stress-free sleepovers, family vacations, camping trips, overnight stays at the grandparents, etc.
- Patented lock-in disc system can be configured as a bunk bed, sitting bench or two single cots
- Easy, no-tool assembly in minutes – no mattress needed
- With no mid beam, the hygienic, machine-washable polyester sleeping deck conforms to the child's body shape for contoured comfort
- Tough to prevent ripping or tearing
- Steel frame adjusts to uneven ground with weight tolerance of 200 pounds per single cot
- Includes footpads and matching side organizers for quick, neat storage of personal belongings
- Each package includes two individual cots for a variety of setups and packs down into its own zippered, carrying bag - and fully disassembles to easily transport and store
- Available at most major retailers and kidobunk.com in teal or lime green for MSRP \$289.99
