

D
DECORIO
 ——— DOORS & WINDOWS ———

Heritage character.
 Built to protect.

Steel-look aluminium doors, made for your home.

A more open home. Beautifully considered.

With slim aluminium frames and generous glazing, Decorio doors bring more natural light and distinctive steel-look character to your home. Choose a single or French door, then tailor the layout, colour and hardware to make it your own.

Built for British weather

Thermally broken frames and weather resistant threshold options.

Security built in

Multi-point locking as standard, with optional high-security cylinders.

British manufacturing

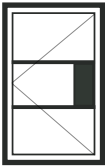

Explore the Decorio collection with your showroom team.

Designed around your home.

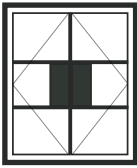

Choose the opening style, glazing pattern and finishing details with your installer.

DOOR CONFIGURATIONS

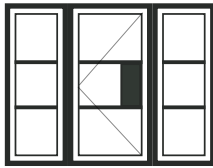

Single doors, French doors and wider arrangements can be made to suit your opening.

Single Door

French Door

With Sidelights

Finishing touches

Explore colours, glazing and premium handle options with your installer.

Glazing bars and sidelights carry the steel-look design across wider openings, creating a balanced and cohesive finish.

Performance, clearly explained.

FEATURE	SPECIFICATION & OPTIONS	WHAT IT MEANS
Thermal performance	U-value from 1.5 W/m ² K*	Helps limit heat loss through the door.
Energy rating	Up to Band C*	An overall door energy rating.
Security	PAS 24 available*	Tested resistance to forced entry.
Weather performance	BS 6375-1:2015*	Testing for air, water and wind resistance.
Threshold options	Weathered or 15mm low	Weathered protection or mobility access available
Typical Sightline	Low as 67mm*	Slim proportions inspired by traditional steel doors
Maximum sash size	Up to 900mm x 2100mm	Final overall size depends on configuration

*Dimensions are width × height. Referenced U-values and ratings vary depending on door specification. Performance and permitted sizes depend on the final configuration, glazing, threshold. PAS 24 and BS 6375-1 apply to tested configurations. Confirm performance with your installation company upon ordering.
