

Define your space.
Keep the light.

Steel-look aluminium doors, made for modern interiors

Rooms defined. Light undisturbed.

Choose clear glazing to keep rooms visually connected, or reeded glass for greater privacy without losing natural light. Decorio internal doors are ideal for home offices, bathrooms and flexible living spaces, with each configuration tailored around your home.

Made for every room

Ideal for home offices, bathrooms and dividing open-plan living spaces.

Privacy with light

Reeded glazing softens the view while allowing light through.

British manufacturing

Designed around your home.

Choose the configuration, glazing and finishing details to suit your space.

DOOR CONFIGURATIONS

Single doors, French doors and fixed screens can be combined to suit any layout.

Single Door

French Door

With Fixed Screens

Finishing touches

Explore colours, obscure glass and premium handle options with your installer.

Reeded glass brings privacy and character, while premium hardware creates a distinctive finish.

Finer details, clearly explained.

FEATURE	SPECIFICATION & OPTIONS	WHAT IT MEANS
Door types	Single or French hinged doors	Choose a single opening leaf or a French pair.
Fixed Screens	33mm wide fixed screens	Extend the design across wider spaces.
Glazing	6mm toughened safety glass	Clear glass keeps light moving between rooms.
Privacy options	Reeded or other obscure glass	Reeded glass softens the view while retaining natural light.
Threshold	None	A clean transition with no floor track.
Lock options	Keyed lock or turn-and-release	Ideal for offices, bedrooms or bathrooms.
Typical door sightline	Around 64mm	Slim proportions inspired by traditional steel doors.
Maximum sash size	Up to 900mm x 2200mm	Final overall size depends on configuration.

*Dimensions are width x height. Typical sightlines and permitted sizes depend on the final configuration. Confirm the specification and suitability of your internal doors with your installation company before ordering.
