#### **SHADOWPAY**

ShadowPay enables users to manage supervision-related fees within the ShadowtrackONE Platform, including debits, credits, and detailed transaction records. It supports scheduled and automated payment reminders. Enrollees can make online payments via a custom portal in the EnrolleeApp. A Convenience Fee applies to all Enrollee transactions and will be charged to the Enrollee. The Convenience Fee percentage varies by state and local laws.

*Note: Enrollees must be registered in the EnrolleeApp to use ShadowPay.*

#### **PRICING DISCLAIMER**

Shadowtrack reserves the option to work with individual agencies interested in procuring our services from this Cooperative Purchasing Agreement in packaging EM solutions to meet their individual needs. Negotiated item pricing will not be lower than the pricing listed in this cost sheet (example: on-site staff, additional shelf allowance, combo pricing, monthly pricing instead of daily lease pricing, equipment purchase options, etc.).

The Customer is solely responsible for providing and maintaining secure internet access at each facility where services or equipment are deployed. Our pricing does not include internet service.
