ABOUT US

conveybuddy was designed with the broker at the heart of our offering. Our bespoke quoting portal enables introducers to choose the best providers for all their clients' conveyancing needs at the best fees.

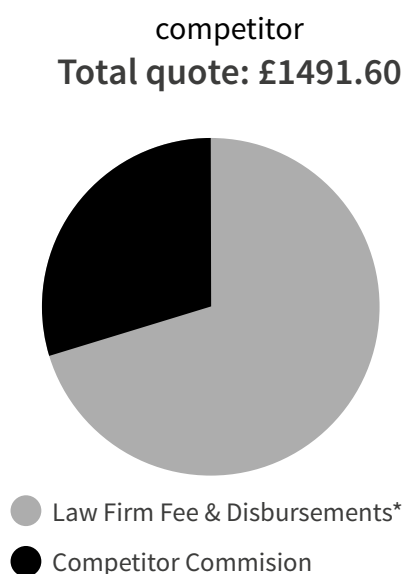

We offer a range of products including surveys and, our 'all-inclusive remortgage' that includes all disbursements and a fixed referral fee.

Panel providers are not created equal

They don't all play by the same rules. Who you work with matters. The difference? It lies in the detail – and its **huge!**

How do we compare?

BETTER PRICING
BETTER SERVICE
BETTER SUPPORT

WHY CONVEYBUDDY?

Brokers expect the highest standards in pricing, service, technology and support.

We believe we do these better than any other panel provider.

TRANSPARENCY!

Don't let your clients get stung by hidden fees - often buried in the small print.

Our quotes are transparent. No hidden extras and no sneaky add-ons such as client portal or onboarding fees.

“ Love the portal! It's easy to use, and the quote was £140 cheaper with you for the same solicitor I use through another panel. ”
