The **real** alternative to free legals

Cashback vs Free Legals

Whilst free legal packages often sound attractive, they can come with delays, limited service and hidden frustrations that damage the client's experience.

Many lenders offer cash back as an alternative to free legals. This can be used to cover the cost of legal fees, giving clients representation and control over the conveyancing journey.

“This product is a breath of fresh air!
...NOT having little extras and the price
coming back at more than I’ve told the
client it would be.”
