Jr. Livestock Sale - Add-on Form

This form provides you with the opportunity to donate a designated amount toward a market exhibitor's livestock project. To complete an add-on donation, please review and understand the requirements listed below:

- To complete an add-on donation, you must be a registered buyer.
- Add-on donations may only be made for an exhibitor whose project goes through the sale ring. If the project does not go through the sale ring (due to being sent home prior to exhibiting) an add-on cannot be processed.
- All add-on donations must be paid in full by the conclusion of the sale. This form may be submitted prior to the sale; however, add-on donations will not be processed until payment has been received.
- Add-on donations will not be announced by the auctioneer. However, they will be reflected in the exhibitor's final sale total and included on the exhibitor's check.
