GENERAL FAQs

CAN I SUBSTITUTE MY TABLE INCLUDED IN THE BOOTH PACKAGE FOR ANOTHER TABLE?

- We define your booth package furnishings with show management. If an exhibitor wishes to have something other than what is included, they must order and pay for it in full. This includes different table skirting color as well.

SHOULD I TELL YOU IF I DON'T WANT THE BOOTH PACKAGE FURNISHINGS IN MY BOOTH?

- Once at show site, you can place the unwanted furnishings into the aisle and someone will come by to pick them up for you.

ARE RENTAL PRICES PER DAY?

- No. Rental prices are applicable for the duration of the show. The only price that is per day is cleaning (see cleaning order form).

WHAT HAPPENS IF I FORGET TO CHOOSE A SKIRT COLOR FOR MY TABLE?

- Stetson will first contact exhibitors for their preference. If we don't hear back from you, the show color will be chosen.

WHAT CHAIRS WILL FIT UNDER THE 40" HIGH TABLES?

- The upholstered stools fit under the counter-height, 40" high tables.

CAN I ORDER 2 - 10' x 20' CARPETS FOR MY 20' x 20' ISLAND BOOTH?

- Due to dye lot differences and unsightly seams, please do not order multiple pre-cut pieces for a single booth.

AM I ALLOWED TO BRING MY OWN FURNITURE OR CARPET?

- Yes this is allowed. Please be aware that material handling charges, and depending on booth size, labor charges will be applicable. Please consider what will be most cost effective for you and your company.

MY BOOTH IS DIRTY FROM MOVING IN—WILL STETSON CLEAN IT?

- Carpet is clean when installed. If it needs to be vacuumed from move-in, exhibitors are able to order opening day only cleaning or daily booth cleaning.

MY BOOTH IS TOO COMPLICATED/FRAGILE FOR UNION MEMBERS TO HANDLE—WHAT CAN WE DO?

- Exhibitors are more than welcome to supervise and work along with the union staff. The union members are working with trade show displays often and are familiar with installing and dismantling. If you are unhappy with the workers provided, please visit the Stetson Service Desk immediately.

DO I HAVE TO HIRE UNION LABOR IF A DISPLAY HOUSE IS HANDLING MY INSTALLATION AND DISMANTLE?

- Your display house is required to use the same union that has jurisdiction at the show facility. The display house should be aware of this, but it would be smart to double check with your appointed display house to ensure a smooth move in.

WHAT IF I NEED TO LEAVE BEFORE MY EMPTIES RETURN?

- You can order Stetson supervised dismantle labor at the Stetson Service Desk. Please provide all dismantle and outbound shipping information (including a Stetson Bill of Lading) and be sure you have a credit card on file. Stetson will dismantle, pack up and ship out your booth materials for you.

WHEN WILL MY CREDIT CARD BE CHARGED?

- Throughout the show process, there is a possibility of three (3) charges: pre-show, show, and post-show. Pre-show charges include all tangible items ordered (tables, chairs, carpet, advance warehouse freight). Show charges include show site orders, installation labor, and material handling. Post-show charges will include dismantle labor and any charges incurred from the move-out of the show.

Please read carefully: The following Terms & Conditions define the respective parties' responsibilities of the contractual agreement between Stetson Convention Services, Inc. and you, the Exhibitor. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

- Signature of the Payment Authorization Form or
- An order for labor, services, and/or rental equipment is placed by an Exhibitor with Stetson or
- Work is performed on behalf of Exhibitor by labor secured through Stetson

DEFINITIONS:

The name Stetson Convention Services, Inc. shall be construed within the meaning of this contract as Stetson Convention Services, Inc. and their employees, officers, agents and assigns, affiliated companies and related entities including but not limited to any subcontractors Stetson may appoint. The term Exhibitor shall be construed within the meaning of this contract as the EXHIBITOR and/or its employees, agents, representatives and/or any Exhibitor Appointed Contractor (EAC).

PAYMENT TERMS

Full payment, including any applicable tax, is due in advance or at show site. A \$25.00 administrative fee will be applied to any refund based on overpayment of check. Stetson will charge a processing fee of 5% on the total amount of any invoice requiring a change of payment after the original payment has been processed. All payments must be in U.S. funds and all checks must be drawn on a U.S. Bank. Orders received without advance payment or after the deadline date will incur additional (standard) charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of Stetson except where specifically identified as a sale. All Stetson rentals include delivery, installation and removal from Exhibitor's booth. In case of cancellation, charges will be applied to all labor orders that are not cancelled in writing at least five days prior to the scheduled start time. If services have already been provided at the time of cancellation, no refund will be given. It is Exhibitor's responsibility to advise Stetson personnel of any problem with any orders, and to check invoices for accuracy prior to the close of the exhibit. If Exhibitor is exempt from payment of sales tax, Stetson requires an exemptions certificate for the state in which the services are to be used. Resale certificates are not valid unless Exhibitor is rebilling these charges to its customers. For International Exhibitors, Stetson requires 100% prepayment of advance orders; any orders or services placed at show site must be paid at the show. For all others should there be any pre-approved unpaid balance after the close of the show, terms will be net 15 due and payable in Pittsburgh, PA upon receipt of invoice. Effective 15 days after invoice date, any unpaid balance will bear a finance charge at the lesser of the maximum rate allowed by applicable law, or 10% per month for the length of the outstanding invoice. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by Stetson shall either be applied to reduce the principal unpaid balance or be refunded to the payer. These payment Terms & Conditions shall be governed by and construed in accordance with the Laws of the State of Pennsylvania. In the event of any dispute between Exhibitor and Stetson relative to any loss, damage or claim, such Exhibitor shall not be entitled to and shall not withhold payment, or any partial payment, due to Stetson for its services as an offset against the amount of any alleged loss or damage. Any claim against Stetson shall be considered a separate transaction and shall be resolved on its own merits. Stetson reserves the right to charge Exhibitor for the difference between the Exhibitor's estimate of charges and the actual charges incurred by Exhibitor, or for any charges that Stetson may be obligated to pay on behalf of Exhibitor, including without limitation, any shipping charges. If Exhibitor provides a credit card for payment and charges are rejected by the Exhibitor's credit card company for any reason, Stetson hereby provides notice that it reserves the right, and Exhibitor authorized Stetson, to continue to attempt to secure payment through that credit card for as long as unpaid balances remain on Exhibitor's account.

LABOR TERMS, RESPONSIBILITY, INDEMNIFICATION

LABOR UNDER THE SUPERVISION OF STETSON CONVENTION SERVICES, INC:

Stetson will be responsible for the performance of labor provided under this option. Stetson does not assume responsibility for any acts of, or loss to, persons, parties and/or other contracting firms not under Stetson's direct supervision and control. In no event shall Stetson be liable for loss or damage caused by delay in labor beginning work when Exhibitor request labor to begin later than the start of the working day. Stetson shall not be responsible for loss, delay or damage due to strike, lockouts and/or work stoppages, or other causes beyond Stetson's reasonable control. Stetson agrees to indemnify, hold harmless and defend Exhibitor from and against any and all demands, claims, causes of action, fines penalties, damages, liabilities, judgments and expenses (including but not limited to reasonable attorney's fees and investigation costs) for bodily injury, including any injury to Stetson employees, or property damage arising out of work performed by labor provided and supervised by Stetson, except when Exhibitor exercises direction and/or control over the work being performed.

LABOR UNDER THE SUPERVISION OF EXHIBITOR:

Exhibitor shall be responsible for the performance of labor provided under this option. It is the responsibility of Exhibitor to supervise labor secured through Stetson in a reasonable manner as to prevent bodily injury and/or Property damage and also to direct them to work in a manner that is in compliance with Stetson's Safe Work Rules and/or Federal, State, County and Local ordinances, rules and/or regulations, including but not limited to Show or Facility Management rules and/or regulations. It is the responsibility of Exhibitor to check in with the Stetson Service Desk to pick up labor, and to return to the Service Desk to release labor when the work is completed. Exhibitor agrees to indemnify, hold harmless and defend Stetson from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) for bodily injury, including any injury to Stetson employees, and/or property damage arising out of work performed by labor provided by Stetson but supervised by Exhibitor. Further, the Exhibitor's indemnification of Stetson includes any and all violations of Federal, State, County or Local ordinances, "Show Regulations and/or Rules" as published and/or set forth by Facility or Show

MATERIAL HANDLING TERMS & CONDITIONS

1. Stetson and its subcontractors shall not be liable for damage, loss or delay to uncrated freight, freight improperly packed, glass breakage or concealed damage. Crates and packaging should be made of a design to adequately protect contents for handling by forklift and similar means.
2. Relative to **inbound shipment(s)**, there may be a lapse of time between the delivery of shipment(s) to the booth by Stetson or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to **outgoing shipment(s)**, it is possible that there will be a lapse of time between the completion of packing and the actual pickup of freight from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booth unattended. Therefore, it is agreed that Stetson and its subcontractors are not liable for the loss of, disappearance of or damage to Exhibitor's freight after the same has been delivered to Exhibitor's booth, nor are Stetson and its subcontractors liable for Exhibitor's freight before it is picked up from the Exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to Stetson or its subcontractors by Exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.
3. Stetson and its subcontractors shall not be liable for any damage incurred during the handling of equipment requiring special devices to properly load, place or reload unless 14 days advance notice has been given to Stetson in time to obtain the proper equipment.
4. Stetson and its subcontractors shall not be liable for any loss, delay or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including but without limitation to, strikes, labor disputes, lockouts or work stoppages of any kind, fire, theft, windstorm, water, vandalism, acts of God, mysterious failure of power or utilities and other events of force of nature.
5. Stetson and its subcontractors shall not be liable for ordinary wear and tear in handling of equipment.
6. It is understood that Stetson and its subcontractors are not insurers. Insurance, if any, shall be obtained by the Exhibitor. Amounts payable by Stetson hereunder are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. It is further understood and agreed that Stetson and its subcontractors do not provide for full liability should loss or damage occur. In the event that Stetson or its subcontractors should be found liable for loss or damage to Exhibitor's equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$.10 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors or from negligence, active or otherwise, by Stetson, its subcontractors or their employees.
7. **Be sure your freight is insured from the time it leaves your firm until it is returned after the show. It is suggested that Exhibitors arrange all risk coverage. This can usually be done by riders to existing policies. Contact your insurance representative. Be sure your liability insurance is in effect during transit and return of your freight, during storage and at show site.**
8. Stetson and its subcontractors shall not be liable to any extent whatsoever for indirect, special, incidental, or consequential damages, including but not limited to, delay any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products or any collateral costs that may result from any loss, injury or damage to Exhibitor's materials or exhibitor personnel, which may make it impossible or impractical to exhibit the Exhibitor's materials.
9. Claims for loss or damage must be submitted to Stetson immediately at show site, and in any case not later than thirty (30) business days after the conclusion of the event. Any and all claims reported after thirty (30) days will be rejected. No suit or action shall be brought against Stetson or its subcontractors more than one year after the cause of action accrues.
10. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that Stetson and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of Stetson or its subcontractors shall sign a delivery receipt, bill of lading or other document, the parties agree that Stetson or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.
11. Stetson and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills, such as UPS, FedEx, DHL or van lines. Such shipments will be delivered to booth without guarantee of piece count or condition.
12. Empty container labels will be available at the Stetson Exhibitor Service Desk. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY. Stetson assumes no responsibility for error in preceding procedures, removal of containers with old empty labels and without Stetson labels or improper information on labels. Stetson and its subcontractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.
13. In order to expedite removal of freight from the show site, Stetson has the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by the Exhibitor, freight will be taken to a warehouse to await Exhibitor's shipping instructions, and the Exhibitor agrees to be responsible for payment of charges relating to such handling at the warehouse. Stetson assumes no liability as a result of such rerouting or handling.
14. The Exhibitor agrees, in the event of a dispute with Stetson or its subcontractors relative to any loss or damage to any of the Exhibitor's freight or equipment, that the Exhibitor will not withhold payment in any amount due to Stetson for material handling services or any other services provided by Stetson or its subcontractors as an offset against the amount of the alleged loss of damage. Instead, the Exhibitor agrees to pay Stetson prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against Stetson or its subcontractors shall be pursued independently by the Exhibitor as completely separate.
15. Customer and/or the consignor warrants that all shipments shall comply with all applicable hazardous materials rules and regulations for the applicable mode of transport and all other health, safety and security regulations. All shipments shall be properly packaged, marked and labeled and clearly identified. No dangerous goods shall be tendered to Freight Forwarder for transportation, handling or storage without prior written agreement of Freight Forwarder. Customer and/or consignor shall indemnify and hold harmless Freight Forwarder and all service providers from any liability, loss, damage, fine or suit arising from breach of the warranties set forth herein.

The placing of an order for the services of tradesmen and women and the use of equipment by an Exhibitor or any agent of the Exhibitor shall be construed as an offer subject to acceptance and approval of Stetson in its sole discretion. Upon Stetson's written acceptance and approval, the Exhibitor and its agents shall be bound by the terms and conditions set forth in Sections 1 through 15 above. Likewise, once Stetson has accepted and approved the Exhibitor's offer, any shipper consigning or delivering a shipment to Stetson or its subcontractors on behalf of Exhibitor shall be bound by the terms and conditions set forth in Sections 1 through 15 above.
