

OUR VETERINARY JOURNEY

Building a Legacy of Compassionate Pet Care

2018

The Beginning - First Clinic Opens

Our journey started with a small clinic and big dreams of providing exceptional veterinary care to our community.

Dr. Siva Nalabotu opened our first location with just 5 dedicated staff members and a vision to revolutionize pet care. We started with basic services but unlimited compassion, treating every pet as if they were our own.

2019

Expansion - Second Location in Fishers

Growing demand led us to open our second clinic in Fishers, IN, doubling our capacity to serve the community.

Our Fishers location opened with advanced surgical facilities and affordable care options. We introduced our integrated Urgent Care and General Practice services, guided by our core values: COMPASSION, CONVENIENCE, COST-EFFECTIVE care, COMMITMENT, and clear COMMUNICATION. Our team expanded to include specialists based on community need and availability.

Carmel Expansion - Serving More Communities

We noticed surrounding communities struggling with limited access to quality pet care, so we opened our third location in Carmel, IN to serve more pets with the standard of care they deserve.

Within the very first month of opening our Carmel location, we helped a record-breaking 5,000 patients. This incredible milestone demonstrated the urgent need for quality veterinary care in the area and our team's dedication to meeting that need with excellence and compassion.
