

The Legacies of Nicaea I and Vatican II: *An Inheritance Unfolding*

September 4 – 7, 2025

Marquette University | Milwaukee, Wisconsin

Marquette University will host an academic conference commemorating the 1,700th anniversary of the First Council of Nicaea (325) along with the 60th anniversary of the closing of the Second Vatican Council (1962–65).

The fruit of a collaboration between local Catholic institutions, the Legacies Conference will gather an ecumenical array of scholars, students, bishops and lay Christians from around the world to celebrate and study these significant events, which constitute the first and most recent ecumenical councils in the Catholic tradition.

More details, including a call for papers, featured speakers and registration, are forthcoming.
