MESA INTERN MEXICO

Servant Partners International

MESA GLOBAL PARTNER

Letter from the Directors

Greetings in the name of our Lord Jesus Christ,

In April 2009, we arrived in Mexico City to serve God among the urban marginalized of Chimalhuacán, located on the eastern edge of Greater Mexico City, in the State of Mexico. We came with open hearts and a desire to follow Jesus, living and serving incarnationally—and by God's grace we have witnessed His faithfulness in cross-cultural ministry. We love Mexico, and we deeply love the communities we serve.

Our work focuses on planting churches, organizing communities, and equipping local leaders toward individual, communal, and systemic transformation. What began as a five-year commitment has, by God's grace, grown into a lifelong calling. Today, three church plants are actively transforming their communities holistically in Chimalhuacán and in San José Palmas, Los Reyes La Paz.

At Servant Partners, we are committed to integral mission—a holistic expression of the gospel that unites proclamation with compassion, justice with discipleship, and presence with empowerment. Serving here is more than observing; it means actively joining God's mission. You will walk alongside our local team in incarnational ministry, build meaningful relationships with children, youth, and families, contribute to community transformation, and receive mentoring for your spiritual, emotional, and cross-cultural growth.

Thank you for considering this opportunity. We would be honored to have you join our team and are excited as you take steps of faith to walk this journey of hope among the urban poor and participate in the powerful work God is doing here.

Grace and peace,

Phillip & Beauty Ndoro

Planting churches that transform their urban poor communities

LET'S JUMP IN

Looking to spend 8 weeks using your skills to serve cross-culturally?

Servant Partners serves in the southeast of Mexico City, with ministry sites in Chimalhuacán, and Los Reyes La Paz. These communities face poverty, family disintegration, and limited opportunities, yet they are also vibrant centers where the Spirit of God is at work. Our locations are strategic hubs for holistic ministry, evangelism, and church planting in the greater Mexico City region.

As a Mesa Intern with Servant Partners, you will be immersed in cross-cultural ministry and holistic mission. You'll have the opportunity to serve in a wide range of ministries, including children's and youth clubs, community of arts (music classes, guitar, keyboard, vocal training, theater, dance, and drawing), sports ministry, trauma-informed and healing groups, discipleship groups, Bible studies, evangelism, worship and community. You will grow in humility, deepen your biblical and theological understanding of mission, and develop practical ministry skills by walking alongside local leaders and families in contexts of vulnerability.

FREQUENTLY ASKED QUESTIONS

Do I need to know Spanish beforehand?

Basic Spanish is helpful but not mandatory. Language acquisition is part of the immersion experience.

What do program costs include?

The program cost covers all your living expenses during your time in Mexico. This includes food, educational material and rent. Airfare is not included, but it is recommended you raise extra funds for this.

How will I spend my time as an intern?

Outside of trainings, interns also receive local ministry assignments, practice spiritual disciplines (e.g. Sabbath, prayer, silence and solitude), engage in peer accountability, and receive regular mentoring. The internship experience is designed to help interns grow in their connection with God, with each other, and with the poor. It is a powerful, life-changing time for maturing in your faith and discerning next steps in serving alongside the marginalized.

FREQUENTLY ASKED QUESTIONS

Where will I live?

Interns will live with Mexican host families (trusted Christian families), warm and hospitable

Is the area safe?

While Chimalhuacán presents urban challenges, we have been ministering in this community for over a decade and have established strict safety protocols developed over a decade of ministry which include:

- Clear movement protocols: No solo travel. Interns always go in pairs or with staff.
- Nighttime restrictions: Interns return to base before dark unless in supervised events.
- Regular check-ins: Interns check in with the team and have local emergency contacts.
- Medical access: Clinics and hospitals are accessible within 15–30 minutes.
- Cultural orientation: Interns receive training in cultural sensitivity, safety, and contextual ministry.

No region is risk-free, but with humility, caution, and prayer, interns can minister safely and meaningfully.

TESTIMONIALS

Hear from our Alumni

"It was really encouraging to see how God used my time singing on the worship team to continue my growth in worship. Through the years, God has taken the dislike I had for contemporary worship music and taught me that it is not about liking the song that matters. It's about giving praise and worship to God through the song. It's not about me, it's about God. It was a testament to God's work and grace in my life that I was singing songs in a style I once spurned with a heart full of joy and worship. Thankful for my internship".

ESTHER - 2026 INTERN

"In my limitations, in my imperfections, in my lack of experience, I have almost been forced to look to the One who has no limits, the One who is perfect. And this has been a blessing. Learning everyday and constantly being reminded of my need for Christ not just in terms of ministry here, but also in my everyday walk and pursuit of Him."
