Old Business:

Have we heard back about the grant?

Board Member Application for Sidney Brown from District 3- Review and Vote, Kipp- Del Rae's Husband- need letter of support and interest and Resume

Anyone else have anything to review or bring up?

New Business

- ICADD: idea of IJJA being a vendor at ICADD to promote membership etc. Thank you, Shannon, for the idea- lets review and get everyone's thoughts (review cost, swag prices/using leftover IJJA swag, who would cover the booth June 9th and 10th, vendor fee \$250)

Future Conference(s) & Locations:

2026: Nampa Idaho: Theme: Prevention Intervention Response – any updates from Civic Center or the Hotel?

-Discuss the catering and review prices and set budget now- would like someone from Boise area to be part of the Catering/Food Committee. Food has been a high expense when you look back at all the conferences and with prices of food going up along with everything we need to brainstorm.

- Room assignments: I want to talk about how to make this better for Marissa this year than it was last year. I know we already talked about this but I want to set put up a plan now so this doesn't turn into a nightmare for Marissa.

2027: East Idaho- Idaho Falls- Westbank conference Center. (we have a tentative bid from Westbank Conference Center) Any updates?

Need to get bids for 2027 hotels in IF- Review Updates

Other possible places:

2028: Moscow? Thoughts? Should we return or do we choose another location more affordable to help save money and bring account back to a healthy balance before we return to Moscow
