How Your Fee is Worked Out

Your weekly fee is based on the **bedroom you choose** and the **personal care needs** required. Depending on the care needed, the fee may be a combination of residential and nursing care.

Before admission, a professional member of our team will carry out an assessment to understand the support your loved one needs. We then create a personalised care plan, monitored daily using our electronic care system.

Paying your fees

- Fees are paid **monthly in advance** and collected on the **1st of each month**
- A **deposit of one month's fees** is required on admission
- Fees are reviewed each year on **1st April**, with at least **28 days' written notice** of any change

Full details on page 2.

*Subject to fire and electrical regulations.

** Prices quoted are based on permanent residency, per person per week for single occupancy. Prices are subject to an individual care needs assessment and the type of room and services chosen. Prices correct as of January 2026 but are subject to change.

Healthcare not provided free by the NHS

Where these aren't available free through the NHS, we can arrange them for an additional charge: chiropody, optometry, dentistry, physiotherapy and other privately arranged healthcare.

Payment of Fees and Deposit

Monthly in advance

Fees are collected on the 1st of each month.

One month's deposit

Held for the length of the stay and returned when the agreement ends, if all fees are paid and there is no damage beyond normal wear and tear.

Arrears

If fees are more than one month in arrears, we may use the deposit to offset any outstanding fees.

Changes to Weekly Fees

Annual review: the Accommodation Services Fee and Care Services Fee are reviewed and may increase on 1st April each year. We will give at least 28 days' written notice of any change, including the amount and when it takes effect.

Unexpected costs: we may also increase the fee by a fair and reasonable amount if a significant and unexpected change in law, regulation of the home or supplier prices (such as energy and utilities) substantially increases our costs. This only applies if it was not already covered by our annual review, and we will give at least 28 days' notice.

Changes in care or room: if regular assessments show your loved one's care needs have changed, the Care Services Fee may increase with 28 days' notice, or sooner if needs change significantly. If a move to another bedroom is requested, the Accommodation Services Fee may go up or down depending on the room chosen.

*Subject to fire and electrical regulations.

** Prices quoted are based on permanent residency, per person per week for single occupancy. Prices are subject to an individual care needs assessment and the type of room and services chosen. Prices correct as of January 2026 but are subject to change.

Staffing, Ratings, Funding and Terms

Staffing Arrangements

The Manager of the home is **Steve Morton**. Staffing is based on the individual needs of our residents.
Our electronic care system and dependency tool tell us how many care staff are needed on duty to provide the highest standards of care.

- Staff on duty 24 hours a day
- A member of the management team is in the home seven days a week and on call when needed
- A 24-hour call system in every resident's room
- Male and female care staff, and we will make every effort to meet requests for same-gender care

Ratings

We are regulated by the **Care Quality Commission (CQC)**, the independent regulator of health and adult social care in England. Our last inspection on **12/08/2026** gave us a 'Requires Improvement' rating.

Our latest **food hygiene rating is 5** (very good).

Funding

If your loved one's financial circumstances change, they may become eligible for public funding. In some cases the amount paid by the Local Authority may not cover our fees. A third party (usually a family member) will then need to enter an agreement with the Local Authority and the home to meet the shortfall. This is called a **Third-Party Contribution**.

Ending the Resident Agreement

If you end the agreement

You can end the Resident Agreement at any time by giving us at least 28 days' written notice. Fees remain payable until the end of the notice period, even if your loved one leaves earlier.

If we end the agreement

We may end the agreement, with 28 days' written notice, if we can no longer provide the care your loved one needs, there are unresolvable behavioural issues affecting your loved one, staff or other residents, fees are not paid or funding changes and no one is willing to enter into a Third-Party Contribution.

Complaints Procedure

We are committed to high quality care and welcome all feedback from residents, families and visitors. Any concerns or complaints are recorded and investigated, with a written response within 28 days. Our full Complaints Procedure is available at reception.
